Regent Potter having on June 10, 1912, acting on behalf of the Board, notified the above-named Company of the acceptance of these terms, no motion duly seconded, his action in regard to the same was approved and confirmed.

Mr. Barksdale Hamlett, Superintendent of Public Instruction, joined the Board in the evening session and took the chair.

The minutes of the meeting of the Board of Regents for April 30, 1912, and for May 9, 1912, were read and, upon motion, approved.

President Cherry presented to the Board a report of the business of the school up to August 1, and a balance sheet to same date showing the condition of the school. The report was received and ordered filed.

Summing up the financial report, it was shown that, after the proceeds of the sale of the bonds should be used in paying off the debts of the institution, there would remain as of August 1, 1912, $19,500, in addition to the warrant for $5,000 now held by the Treasurer, and the fixed appropriation available amounting to $6,250 each month.

It was then voted that the local Regent, President, and Treasurer be authorized to pay off as rapidly as possible all the debts against the Board upon the proper vouchers, as soon as the proceeds of the bonds should be available for this purpose.

President Cherry recommended that the following students should be given the extension of the Life Certificate, as they have complied with the requirements of the law:

Mary Lee Atkins, E. Nora Bridwell, Fannie Hutcheson, M. H. Judd, Mary Jarboe Donaldson, Bessie Fogle Judd, T. H. Napier, C. M. Payne Mrs. Virginia Redman, Cora Stroud, Genevra Sanders, Coral Whittinghill, F. Wethington.

President Cherry recommended that new Life Certificates be issued these:

President Cherry recommended that the following be issued the Elementary Certificate, good for two years:

President Cherry recommended the following for the Intermediate Certificate, good for four years:

President Cherry recommended the following for Diplomas and Certificates from the School of Music:

Supervisor's Certificate:--Daisy Mae Wilkinson, Eva Mercer, Claudia Price

Diploma in Voice:--Merry Townsend

Diploma in Piano:--Winifred Elizabeth Eubank.

The question of printing for the school was brought up and discussed upon the report of the President that the State Printers had requested him to give them the printing for the school; and, after consideration, the matter was referred to President Cherry and the Attorney for the Board to look into the legal aspect of the printing for the school.
President Cherry was requested to notify Mr. Newman of the next meeting of the Board that he may appear before it to present his case.

The President was authorized to hold the Annual Superintendents' Conference as has been heretofore done at the expense of the institution.

The question of drinking water for the school was then discussed, it appearing that there was some lack of sufficient suitable water for drinking purposes, and President Cherry was authorized, after a consultation with Dr. Mark, to install such a system as will afford the school a sufficient amount of wholesome water. In anticipation of the sale of the bonds, President Cherry was instructed to write to Mr. Woodruff with reference to taking up the work of improving the grounds in front of the Administration Building as soon as practical.

It was then voted that the President be authorized to secure a suitable teacher of Vocal Music for the school to fill the vacancy caused by the resignation of Mrs. B. M. Settle. Also a Violin instructor, if upon investigation it was found that one was needed to meet the demands of the school.

The local Regent was instructed to advertise for bids to supply coal for the coming season, with power to act for the Board by purchasing of the lowest and best bidder.

No further business appearing, the Board of Regents adjourned.
