Proposed FOR STUDY by the Ad Hoc Committee on Administrator Evaluation:

That the results of responses to that portion of the evaluation that deals with the degree of confidence that the evaluators have in an administrator will also be reported to those who have done the evaluating or

That a vote of confidence will be conducted on each administrator every third year:

a. The vote on line administrators will be conducted in the Spring of 1981, 1984, 1987, etc.
b. The vote on support services administrators will be conducted in the Spring of 1982, 1985, 1988, etc.
c. The results of the vote of confidence will be given to the administrator, those administrators in direct authority over him/her, and those faculty members who participated in the vote on that individual.
d. No vote of confidence will be conducted on an individual unless he/she has been provided with a full evaluation on the preceding year.
