Bill 96-2-8
Constitutional Amendments
February 20, 1996

Purpose: For the Student Government Association to amend the present constitution.

Whereas: The constitution has vague and open areas that lead to questioning, and

Whereas: The amendments will lead to a more clear and concise constitution for business to follow, and

Whereas: The amendments will allow for better representation of students, and

Whereas: The amendments are printed in the following attached revised constitution.

Therefore: Be it resolved that we the members of the Student Government Association do hereby recommend for the betterment of the student body that we amend our constitution.
