Should less than the total amount of bonds herein authorized be sold, the minimum annual amounts to be so set aside into said "Bond Redemption Fund" during each of the fiscal years above mentioned, for the payment of the principal of and interest on said bonds, shall be decreased in the proportion that the total amount of bonds not sold bears to the total amount of bonds which are sold and outstanding. If any bonds hereby authorized have not been sold when the dormitory has been completed and paid for, such bonds not sold and unissued will promptly be canceled.
A sufficient amount of the proceeds of said bonds equal to the interest to accrue thereon during the construction period of the dormitory shall be paid into said "Bond Redemption Fund" at the time of the issuance and delivery of the bonds hereby authorized and shall be used for the payment of the interest on said bonds next thereafter becoming due, and the remainder of said proceeds shall be placed in a fund denominated "Construction Fund", until such time as the building be completed and the Board of Regents may, in its discretion, invest the sums in the "Construction Fund" in direct obligations of the United States of America; provided, however, that the Board shall make a sale of sufficient amount of such obligations as shall prove necessary to complete the construction.

The amount by which the payments in any fiscal year exceeds the aggregate amount of principal of and interest on said bonds then currently becoming due shall be held in said "Bond Redemption Fund" as a reserve for contingencies and used solely as herein provided; however, that no further payments, except payments of amounts sufficient to meet operation and maintenance requirements, need be made into said "Bond Redemption Fund" whenever and so long as such amount of the bonds shall have been retired that the amount then held in the "Bond Redemption Fund", including the reserve for contingencies, is equal to the entire amount of the principal and interest that is to be paid on all of such bonds then remaining outstanding.

All monies held in the "Bond Redemption Fund" for the purpose of retiring bonds outstanding or paying interest thereon, or as a reserve for contingencies, shall be deposited in a bank which is a member of the Federal Reserve System and of the Federal Deposit Insurance Corporation; the monies held as a reserve for contingencies, together with any surplus which may be provided from the "Operation and Maintenance Fund", after sufficient sums for operation and maintenance have accrued, may be invested in direct obligations of the United States of America; provided, however, that the Board shall make a sale of a sufficient amount of such obligations in the event that it shall prove necessary to draw upon said reserve.

If, for any reason, the Board shall fail to make any such payments into such "Bond Redemption Fund" and "Operation and Maintenance Fund" as aforesaid during...
contingencies or as surplus in the "Operation and Maintenance Fund" shall be used for the payment of any portion of the interest on or principal of the bonds becoming due in such fiscal year, on which bonds there would otherwise be default, but such reserve shall be reimbursed therefrom from the first available payments made into the "Bond Redemption Fund" in the following year or years in excess of the required payment for the current fiscal year.

The payments hereinbefore provided into said "Bond Redemption Fund" shall be made in equal monthly installments on the first day of each month, except when the first day of any month shall come on Sunday or a legal holiday, in which event such payments shall be made on the next succeeding secular day and the balance then remaining shall be set aside for the operation and maintenance as herein provided.

The "Bond Redemption Fund" herein created and described shall be used solely and only for the purpose of paying principal of and interest on the bonds herein authorized to be issued and outstanding, together with such sums as may be necessary for the reasonable and proper operation and maintenance of said building, and is hereby irrevocably pledged for that purpose and shall be used for no other purpose whatsoever.

Section 6. While the bonds authorized hereunder, or any of them, remain outstanding or unpaid, the rents and charges for all services rendered by said building to the Western Kentucky State Teachers College and the rents and fees charged to its students for services which they receive shall be reasonable and just, taking into account and consideration the cost and value of said building, the cost of maintenance and operating the same, the amounts necessary for the retirement of all bonds and the accruing interest on all such bonds as may be sold and are unpaid, together with a reserve for contingencies under the provisions of this resolution, and there shall be charged against said College such amounts for services rendered by the building in furnishing it with additional educational facilities as shall be adequate for the services received by the College from said building, which, together with the rents and charges to be charged to the students, shall meet the requirements of this and the preceding sections hereof. The rents and charges for the services provided to the College and to its students by the building shall be fixed and revised from time to time so as to be sufficient to meet the requirements of said College.
Section 7. The Board of Regents of the Western Kentucky State Teachers College hereby covenants and agrees with the holders of the bonds hereby authorized to be issued, or any of them, that it will faithfully and punctually perform all duties with reference to said building required by the Constitution and laws of the Commonwealth of Kentucky, including the charging and collection from the College and its students of reasonable and sufficient amounts for services rendered by said building to the College and to its students and the application of the respective funds created by this resolution.

The Board hereby irrevocably covenants, binds and obligates itself not to sell, lease, mortgage or in any manner dispose of said building except by the mortgage provided for in Section 8 hereof, until all of the bonds herein authorized to be issued, which are sold and remain outstanding, shall have been paid in full, both principal and interest.

The Board further covenants and agrees with the holders of said bonds to maintain in good condition and continuously operate said building so long as the principal or interest on any of the bonds herein authorized remain outstanding and unpaid.

Section 8. That for the further protection of the holders of the bonds herein authorized to be issued and the coupons thereto attached, a statutory mortgage lien upon said building and all appurtenances connected thereto is granted and created by Sections 162.350 and 162.200 of the Kentucky Revised Statutes, which said statutory mortgage lien is hereby recognized and declared to be valid and binding upon the Board and all the property constituting the building, as provided by law, and shall take effect immediately upon the delivery of any bonds authorized to be issued under the provisions of this resolution.

Any holder of said bonds or any of the coupons may, either at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel performance of all duties required by said Act, including payment by the College of sufficient rents and charges and student charges and rents and segregation of the income and revenues and the application thereof.

If there be any default in the payment of the principal or interest on any of said bonds, then upon the filing of suit by any holder of said bonds or
any of the coupons, any court having jurisdiction of
the action may appoint a receiver to administer said
building on behalf of the Board with power to charge
and collect a sum sufficient to provide for the payment
of any bonds or obligations outstanding against said
building and for the payment of the operating expense,
and to apply the income and revenues in conformity
with this resolution and the provisions of said laws
of Kentucky aforesaid.

Section 9. The bonds authorized to be issued
hereunder and from time to time outstanding shall
not be entitled to priority, one over the other, in
the application of the revenues of said building,
or with respect to the statutory mortgage lien securing
their payment, regardless of the time or times of their
issuance, it being the intention of the Board that there
shall be no priority among the bonds authorized to be
issued under the provisions of this resolution, regard­
less of the fact that they may be actually issued and
delivered at different times.

Section 10. While any of the bonds herein
authorized are outstanding the Board shall not issue
any additional bonds payable from the revenues of
said building unless the lien of such bonds on the
revenues of said building as improved or extended is
made junior and subordinate in all respects to the
lien of the bonds herein authorized.

Section 11. So long as any of the bonds are
outstanding the Board shall:

(a) Maintain insurance for the benefit of the
holders of the bonds herein authorized of a kind and
in an amount equal to the total number of bonds out­
standing, and pay the cost of such insurance from
the "Dormitory Operation and Maintenance Fund" herein­
before described;

(b) Keep proper books of records and accounts
(separate from all other records and accounts) in
which complete and correct entries shall be made of
all transactions relating to said building.

(c) Grant to any holder or holders of twenty­
five per cent of the bonds then outstanding the
right at all reasonable times to inspect the said
building and all records, accounts and data of the
College relating thereto.
Section 12. That $160,000 of the bonds herein authorized to be issued shall be offered for sale at a public competitive sale to be held on March 15, 1947, at the hour of 11 A.M., in the offices of Messrs. The Almstedt Bros. and J. J. B. Hilliard bid was $1025.25 per $1,000 principal for bonds bearing coupon rates as follows: Bonds maturing 1951 to 1960, inclusive, 2%; and bonds maturing 1961 to 1967, inclusive, 2-1/4%. The bid of Bankers Bond Company and Stein Bros. & Boyce was $1025.00 per $1,000 principal for bonds bearing coupon rates as follows: Bonds maturing 1951 to 1958, inclusive, 2%; and bonds maturing 1959 to 1967, inclusive, 2-1/4%.

It was thereupon determined and declared that the bid of Almstedt Bros. and J. J. B. Hilliard was the highest and best bid and that said bidder had complied with the notice of sale. Thereupon Judge Dawson moved that said bid of Almstedt Bros. and J. J. B. Hilliard be accepted. Said motion was seconded by Member Bororne and having been duly considered, the Chairman put the question thereon and, upon the roll being called, the following voted:

Aye: J. F. Williams, Chas. I. Dawson and B. J. Bororne.
Nay: None

Whereupon the Chairman declared said motion duly carried and said resolution duly adopted.
Whereupon the Chairman declared said motion duly carried.

It was thereupon moved by Judge Dawson, seconded by Member Borrone, that of the $160,000 of bonds sold, Bonds Nos. 1 to 9, 12 to 20, 23 to 31, 34 to 42, 45 to 53, 57 to 65, 69 to 77, 81 to 89, 93 to 101, and 105 to 113, which were the bonds maturing 1951 to 1960, in the face amount of $90,000, bear interest at the rate of 2% per annum, payable semi-annually on the first day of October and April in each year, and that Bonds Nos. 117 to 126, 129 to 138, 141 to 150, 153 to 162, 165 to 174, 177 to 186, and 189 to 198, being the bonds maturing 1961 to 1967, in the face amount of $70,000, bear interest at the rate of 2-1/4%, payable semi-annually on the first day of April and October in each year. Upon the roll being called, the vote was as follows:

Ayes: J. F. Williams, Chas. I. Dawson and B. J. Borrone.
Nay: None.

Whereupon the Chairman declared said motion duly carried.

Judge Dawson moved that the certified check of the Bankers Bond Company and Stein Bros. & Boyce, unsuccessful bidders, be returned to the representatives of those Companies, which motion was duly seconded by Mr. Borrone; and upon the roll being called, there was a unanimous vote in favor of the motion; whereupon the Chairman, Mr. John Fred Williams, delivered to Mr. Conway, of the Bankers Bond Company, the certified check of the Bankers Bond Company and Stein Bros. & Boyce.

Judge Dawson moved, and Mr. Borrone seconded the motion, that the check of J. J. B. Hilliard and Almstedt Bros. be retained, pending delivery of the bonds and payment of the full purchase price, and at that time be applied to the purchase price or returned to Almstedt Bros. and J. J. B. Hilliard, at their option.

Judge Dawson thereupon moved that the bonds be delivered to Almstedt Bros. and J. J. B. Hilliard by the Treasurer of the Board on the 1st day of April, 1947, upon payment in full of the purchase price of said bonds, which motion was seconded by Member Borrone and said motion having been duly considered, the Chairman put the question thereon and, upon the roll being called, there was a unanimous vote in favor of the motion; whereupon the Chairman declared said motion duly carried.

At this point a discussion between the members of the Board and Mr. Burkholder, of Almstedt Bros., took place, and it was agreed that if printing difficulties prevented the delivery of the bonds on April 1st, that delivery at any time during the week of March 31st to April 5th would be satisfactory.
Judge Dawson moved, and Mr. Borrone seconded the motion, that the meeting be adjourned, which was unanimously carried.
