Committee Reports

Nancy Baird announced that departmental elections to the
Faculty Senate would be in February and at-large elections the
first week in March. John Parker reported that the
administrative review packets were being distributed. Finally,
there will be a rally for higher education in Frankfort on
February 5 and COSFL leaders hope that Western Kentucky
University will send a delegation of 1000 people. This
delegation must be privately funded.

Chair Evans read a memo which he received from Dr. Cook
concerning "Women and Men at Western: Report of the Ad Hoc
Committee on Affirmative Action of the Faculty Senate." Cook
announced that he had sent the report to Dr. Alexander and the
University executive officers and stated that "it is our
intention to employ a consultant with experience and knowledge
about this specific topic who will study the situation at
Western."

ADJOURNMENT

Helen B. Cochran
