The Chairman then called for the reading of the minutes of the Board meeting of December 9, 1939. They were read and approved as read. President Garrett was asked to read the minutes of the Executive Committee for the last two meetings, February 2, and April 15, 1940. After the reading of the minutes of each date Mr. Borrone moved their adoption and Mr. Masters seconded the motion. The motion was unanimously adopted and both reports were ordered incorporated in the minutes of the Board of Regents of this date. Executive Committee Minutes Follow:

Minutes of Executive Committee Meeting
February 2, 1940.

The Executive Committee of the Board of Regents of Western Kentucky State Teachers College met in President Garrett's Office at 10:10 A. M., February 2, 1940. There were present Mrs. Drake, President Garrett and Mr. Borrone. Mr. Borrone called the meeting to order and presided.

President Garrett stated that in the contract entered into with the Bond Syndicate which bought our Refunding Building Revenue Bonds the Board agreed to pay said Syndicate a sum equal to 1½ of the face value of these bonds to meet all expenses incurred in this financing. However, this Syndicate had been fortunate in disposing of all the bonds to one customer and had thereby reduced the expenses below the estimate. That said Syndicate had mailed him their check for $1549.28
which sum represented the difference between the actual expenses of $1260.72 and the estimated amount of $8200.00. After making this explanation President Garrett moved:

That paragraph three (3) in the contract entered into by the Board of Regents and J. E. Hilliard and Son and Associates, of the City of Louisville, Kentucky, under date of November 28, 1939, relative to the refunding of an issue of Building Revenue Bonds and which reads as follows:

For our services and expenses in connection with the foregoing paragraphs one (1) and two (2) the Board of Regents shall agree to pay us a fee equal to 1% of the face amount of the bonds to be called on January 1, 1940, from which we will pay all expenses in connection with the foregoing.

be stricken out and there shall be substituted in lieu of same the following paragraph:

For the services and expenses incurred in connection with the foregoing paragraphs one (1) and two (2) the Board of Regents shall agree to recompense us for expenses incurred in amount not to exceed 1% of the face value of the bonds to be called and refunded on January 1, 1940.

Mrs. Drake seconded the motion as made by President Garrett and a vote being taken, President Garrett, Mrs. Drake and Mr. Dorrance, all voting in the affirmative, the Chairman declared the motion adopted.

President Garrett stated that on January 24th he together with Mr. Dorrance and Sterrett Guthbertson, met in his office; carefully inspected and counted the old 4% Building Revenue Bonds, numbered from one to three hundred and nine, inclusive, and did find that all of them together with their coupons, had been received, paid and cancelled by the paying agent, and did destroy same by burning. That an affidavit regarding this action had been prepared and executed and filed with the Bond Syndicate and he presented a copy of same to the Committee.
President Garrett also stated that he had been informed by the Syndicate purchasing the issue of 3% Refunding Bonds, that this entire issue had been sold to the Mutual Benefit Life Insurance Company of Newark, New Jersey, and at their request he had addressed a letter to said Life Insurance Company, to the effect that in case any of those bonds were called that they would be properly notified by mail. He presented a copy of this letter to the Committee.

Mrs. Drake moved that the affidavit and letter presented by President Garrett be received and same be incorporated in and made a part of the minutes of this meeting. President Garrett seconded the motion and a vote being taken, all members voting in the affirmative, the Chairman declared the motion adopted.

The letter and affidavit are set out as follows:

At this point President Garrett invited Dr. M. C. Ford to come before the Committee and discuss with them the condition and status of the property known as the Fairground Property, a part of the Ogden estate.

Dr. Ford stated that in order to make this property safe for public use it was necessary that considerable repair work be done before the opening of the season.

1. He suggested that the electrician be instructed to carefully survey the wiring and that certain changes be made in order to remedy a fire hazard.

2. He recommended that fire and tornado insurance be carried on the grandstand in amount of not less than $4,000.00 and that the receipt from rentals be used to meet this premium and in paying for necessary repairs.

3. He further stated that this property during the past year had been rented by the Warren County Fair Association and Bowling Green Baseball Association and that both of these organizations were interested in re-leasing the property and would desire that terms be determined upon.

Upon hearing this report and after some discussion Mrs. Drake offered the following motion:

1. That the report of Dr. Ford on condition of Fair Ground property be received.

2. That President Garrett together with Dr. Ford be authorized to carefully inspect the property and make such repairs or alterations as they may deem necessary, said repairs to be made under the supervision of the College.

3. That they be further authorized to enter into such contracts with the Warren County Fair Association and Bowling Green Baseball Association as they may consider equitable and which may meet the approval of the Regent of the Ogden estate.

4. That they be further authorized to employ a local Attorney to draw such contracts as they may agree upon.

President Garrett seconded this motion and upon roll call Mrs. Drake, President Garrett, and Mr. Borrome, all voting in the affirmative, the Chairman declared the motion adopted.
President Garrett reported that Dr. R. D. Perry had requested a leave of absence for the remainder of the year and that he had agreed to recommend his request to the Board.

Mrs. Drake moved that the recommendation of President Garrett be approved and that Dr. Perry be granted the leave of absence as requested. President Garrett seconded her motion and a vote being taken and all voting in the affirmative, the Chairman declared the motion adopted.

President Garrett also reported that due to the increased student enrollment for the Spring Semester, he had found it necessary to employ temporarily, additional members of the faculty.

a. That he had agreed to give Miss Martha Greendorf a leave of absence for this semester in order that she might study in another institution.

b. That he had employed Mrs. Lillian Warrener, of Bowling Green as her substitute for this semester, as Librarian in Training School at salary of $100.00 per month.

c. That he had employed the following for the spring semester:

James Leins in Department of Economics at salary of $125.00 per mo.
Lena Logan in Department of History at salary of $125.00 per mo.
— Ruth Lines Temple in Department of . . . at salary of $125.00 per mo.
— Dallas W. Candy in Department of Psychology at salary of $115.00 per mo.
Frank Baird in Department of Music at salary of $30.00 per mo.

Mrs. Drake moved that President Garrett's action in employing these additional members of the faculty for the spring term be approved and ratified. President Garrett seconded the motion and upon roll call, Mrs. Drake, President Garrett, and Mr. Forrest, all voting in the affirmative, the motion was declared by the Chairman as adopted.

President Garrett further stated that Mr. H. W. Sublett, Treasurer of the Board, had been appointed and had qualified as Postmaster of the City of Bowling Green, Kentucky, and had submitted his resignation as Treasurer of the Board.

Whereupon Mrs. Drake moved that the resignation of Mr. H. W. Sublett, as Treasurer of the Board be accepted and that Mr. Benson Leichardt, of Bowling Green, Kentucky, be elected to fill the vacancy created by Mr. Sublett's resignation.
President Garrett seconded her motion and upon roll call, President Garrett, Mrs. Drake, and Mr. Borromeo, all voting in the affirmative, the Chairman declared the motion adopted.

There being no further business presented the Committee adjourned.
