Dear Mr. Straeffer:

The Board of Regents of Western Kentucky University in its meeting on May 31, approved the recommendation submitted by the President of Western for $1.50 of the revised Incidental Fee to be allocated to the Associated Students Fee. This sum will be paid by each full-time student at the time of registration each semester. It will be transferred to the University Business Office to the proper account where it will be administered in accordance with approved accounting and auditing procedures.

I am advising Terry Gilpin and Tonii Rizzo of this action by sending them a copy of this letter. Let me also take this opportunity to wish you, Terry, and Tonii a most pleasant and productive summer.

With best personal wishes and looking forward to working with you as President of Western’s fine student body, I am

Sincerely yours,
