COLLECTION NOTE

The Transparent Pie Festival has been hosted annually since July 2006 by Magee’s Bakery in Maysville located in Mason County, Kentucky. It also has locations in Frankfort and Lexington. It has been owned and operated by the Dickson family since 1975 when they purchased the bakery from the original owners, Les and Ruth Magee. Moved from its original location, Magee’s Bakery is now settled in the hills outside of Maysville and features a bed and breakfast. The bakery specializes in historic desserts and baked goods such as salt-rising bread and window puddings. Transparent pie, which is made from a combination of butter and sugar, is thought to have first been created in Mason County.
