OLD BUSINESS

REPORT OF FACULTY REGENT - Ray Mendel

The Board deferred action on Moving to a New Level until November 11, 9:00 a.m., to give time for review of the document. Board action was taken to allocate $2 million left over in the budget. Mendel corrected his previous statement about the budget proposal increase of 1/100th of 1% of E&G that it was calculated before relabeling, not afterward. meeting November 11. Task Force Chairs reported on their respective topics with questions/open discussion. Reports were given by Kyle Wallace, Student Access Subcommittee; Carl Kell for Judith Hoover, Program Development; Joe Millichap, Faculty Evaluation; Sharon Mutter and Cassandra Pinnick, Faculty Enhancement. Comments were also made by Fred Murphy, member of the Steering Committee.

NEW BUSINESS
Kell announced some new topics to be considered by Committees: WKUNET technology law and practices that faculty need to look at and ask for assistance, i.e. charges per month at home as well as at the office; and faculty reimbursements and travel assistance agreements with rental agencies.
