3. Elected Alternates - An elected alternate shall function in the place of an elected representative for the same unit when the elected representative is unable to attend a Council meeting. When an elected representative cannot attend a meeting, that member shall secure a replacement from the unit alternates and the selected alternate shall be responsible for notifying the secretary of the Council of this action.

II. ELECTIONS

A. Faculty representatives and alternates:

1. An election shall be held each year. Since the term of membership for faculty representatives is two years, approximately one-half the total number of faculty representatives shall be elected each year. The total number of alternates shall be elected each year, however, in order to give alternates the opportunity to be elected as representatives for the year following their service in the capacity of alternate representatives.

2. Eight weeks prior to the end of the spring semester the chair of the Academic Council shall notify departments heads of the impending election. By Friday of the seventh week, each department will caucus, choose three nominees, and transmit those names to the chair of the Academic Council for inclusion on the ballot. In order to guarantee an adequate pool, departments in the College of Education and Behavioral Sciences will each choose four nominees. Eligible persons must hold faculty rank and have at least two years of service at Western Kentucky University. Those completing four consecutive years of service on the Council must skip a year before becoming eligible again. Nominees will be chosen by plurality on a secret ballot. The list

for each unit shall be reviewed by the Rules Committee to
insure the eligibility of those nominated. If any nominees
are found to be ineligible, the chair of the committee shall
so inform the head of the appropriate department. The
department may then submit replacement names by a date
specified by the Rules Committee.

3. The Rules Committee will prepare separate ballots with the
appropriate instructions for each college. The departments
of the college and the nominees within each department shall
be listed in alphabetical order.

4. Ballots shall be sent by campus mail during the sixth week
prior to the end of the spring semester. In the event that
a faculty member does not receive a ballot, that faculty
member can obtain a ballot through the Secretary of the
Academic Council by certifying that a ballot was not
received through campus mail.

5. All faculty members and administrators with academic rank in
a unit shall be eligible to vote in that unit, and voting
shall be by secret ballot.

6. Each eligible voter shall be permitted to vote for a maximum
of two persons from any one department and for a maximum
total number of persons equal to the number of vacant
representative offices. A plurality of legal ballots cast
shall constitute election. The Rules Committee will resolve
all ties by lot.

7. The number of alternates to be selected shall be equal to
the total number of representative members for each unit.
After all representative offices are filled, the remaining
alternate vacancies shall be filled by the individuals not
elected as representatives who received the highest vote
totals.

8. Ballots shall be cast at the appropriate college or area
polling locations by the date and hour determined by the
Rules Committee and specified on the ballot.
9. The college deans, the director of libraries, and the
director of media services shall be notified of their
responsibility to assist in the collection of the ballots
and in the supervision of the ballot boxes. Alternate
balloting locations may be established by the Rules
Committee if proper supervision of the ballot boxes is
ensured (e.g., a second ballot box for the Ogden College
could be placed with the ballot box for the College of
Education).

10. The members of the Rules Committee representing an indi-
dual college or area will be responsible for collecting and
tallying the ballots for that college or area. The Rules
Committee shall meet within 24 hours of the close of the
balloting to certify the election results and to resolve any
problem.

B. Student representatives and alternates:

1. Prior to the end of each spring semester, the Associated
Student Government shall conduct an election to select the
student representatives and alternates for the next year.

2. The Associated Student Government shall obtain a list of all
students eligible to vote. This list must indicate each
student's declared major.

3. To be eligible for election, a student must file with the
Associated Student Government and be certified as eligible
by the Secretary of the Council. The deadline for filing
for candidacy shall be two weeks prior to the date of
election.

4. Balloting shall be by secret ballot.

5. To be eligible to vote for a candidate for representative of
a particular college, the student must have declared a first
major/area of concentration in that college.

6. A simple majority of legal votes cast shall constitute
election. In the event that no candidate receives a simple
majority, a vote to attain such a majority shall be taken
between the two candidates receiving the highest number of
votes on the previous ballot.

7. Within 24 hours of the close of the balloting, the election
results shall be certified in writing to the Chair of the
Council.
III. MEETINGS

A. Schedule - Normally, the Council meets at 3:20 p.m. on the fourth Thursday of each month during the academic year and at 2:00 p.m. on the fourth Wednesday of June and July during the summer session. The Council does not normally meet in May and August. The Rules Committee shall determine the place of meetings and may alter the meeting date when it is in conflict with University holidays. Special meetings may be called by the Chair as the volume of Council business dictates. Meetings of the Academic Council are conducted in accordance with the requirements of the Kentucky Open Meeting Law. (KRS 61.805-6.901).

B. Quorum - A quorum shall consist of a simple majority of the voting membership of the Council.

C. Voting Requirements

1. An affirmative vote of a majority of the quorum of the Council shall be required for passage of any measure. In the case of an election, a simple majority of legal votes cast shall constitute election. In the event that no candidate receives a simple majority, a vote to attain such a majority shall be taken between the two candidates receiving the highest number of votes on the previous ballot.

2. The Council will normally vote by voice or by the raising of hands. However, any member of the Council may request a vote by secret ballot or by any other method of voting and that request shall be granted. A request for a secret ballot shall take precedence over all other requests for methods of voting.

D. Agenda and Minutes - The agenda for a Council meeting and the minutes of the previous meeting shall be prepared by the Chair with the assistance of the Vice-Chair, Secretary and Recorder. The agenda and the minutes of the previous meeting shall be distributed to Council members a reasonable time prior to the meeting.

E. Visitors - Visitors shall be seated apart from the membership of the Council.

F. First and Second Readings - Procedural matters brought before the Council require only one reading. Substantive matters brought before the Council require two readings.

G. Parliamentary Authority - Sturgis Standard Code of Parliamentary Procedure shall be the parliamentary authority of the Council.
