MINUTES
OF THE BOARD OF REGENTS
WESTERN KENTUCKY UNIVERSITY
July 30, 2010

• CALL TO ORDER

Required statutory notice having been given, the third quarterly meeting of the Board of Regents of Western Kentucky University was held in the Cornelius A. Martin Regents Room of the Mass Media and Technology Hall on the Western Kentucky University campus. The meeting was called to order by Chair Jim Meyer at approximately 8:30 a.m., CDT.

• INVOCATION

The invocation was provided by Dr. Richard Miller, Associate Vice President for Academic Affairs and Chief Diversity Officer.

• OATH OF OFFICE

The Constitutional Oath of Office was administered to Mr. Colton Jessie, Student Regent. President Gary Ransdell presented Mr. Jessie with the official Regent’s pin which was designed specifically for members of the Board.

• ROLL CALL

The following Regents were present:

Mr. Jim Meyer, Chair
Dr. Melissa B. Dennison
Ms. Yvette Haskins, Vice President
Mr. Freddie Higdon
Mr. Colton Jessie, Student Regent

Mr. Jim Johnson
Mr. James Kennedy, Staff Regent
Dr. Patricia Minter, Faculty Regent
Mr. J. David Porter
Mr. Rob Wilkey
Mr. Larry Zielke

Others in attendance included the following WKU Administrative Council members:

Dr. Gary A. Ransdell, President
Mr. Howard Bailey, Vice President for Student Affairs
Mr. Ross Bjork, Director of Athletics  
Dr. Gordon Emslie, Provost and Vice President for Academic Affairs  
Ms. Ann Mead, Vice President for Finance and Administration  
Dr. Richard Miller, Associate Vice President for Academic Affairs & Chief Diversity Officer  
Mr. John Osborne, Vice President for Campus Services and Facilities  
Dr. Bob Owen, Vice President for Information Technology  
Ms. Robbin Taylor, Vice President for Public Affairs  
Ms. Deborah Wilkins, Chief of Staff / General Counsel

In keeping with the policy of the Board, the agenda for the meeting and information and materials pertinent to items thereon had been mailed in advance of the meeting by the President to members of the Board.

• APPROVAL OF MINUTES

The minutes of the April 22, 2010 meeting were presented for adoption. Dr. Patricia Minter noted a correction on page 13 (amount should be $34 instead of $134):

Dr. Patricia Minter: “I just had a question about the base salary, which is on page 63. At our previous meetings, we had a lengthy discussion about the base salary in Dr. Selig’s contract renewal. The compromise was reached that $135 thousand would stay in the line, funded out of base budget, but $34 thousand would be privately funded. Now this number is $185 thousand, so it is $10 thousand higher from base budget than even Dr. Selig’s amount was. We are funding it for more than is in the line, and why aren’t we funding this through private money—or are we?”

MOTION/APPROVAL:  
Motion to approve the April 22, 2010, minutes with the correction on page 13 was made by Dr. Patricia Minter, seconded by Mr. James Kennedy, and carried unanimously.

MOTION/APPROVAL:
Motion to go into Executive/Closed Session for discussion on property matters and current litigation was made by Chair Jim Meyer, seconded by Mr. Larry Zielke, and carried unanimously.

EXECUTIVE/CLOSED SESSION began at approximately 8:40 am (CDT).
BOARD ENTERED BACK INTO OPEN SESSION at approximately 10:10 am (CDT).

1. ACADEMIC AFFAIRS COMMITTEE (Ms. Yevette Haskins, Chair)

Ms. Haskins recommended that the Board vote on action items 1.1 - 1.4 as a group, there were no objections.

1.1 Approval of the Minor in Applied Statistics

REQUEST: Approval of a new minor in Applied Statistics offered through the Department of Mathematics and Computer Science in the Ogden College of Science and Engineering.

FACTS: The minor in applied statistics requires a minimum of 19 credit hours. This program is designed for a student seeking a career as a statistical programmer/analyst/consultant in a knowledge-based industry or in a research institution. Objectives of the proposed minor:

- Design and implement commonly used experimental design and sampling schemes;
- Recommend a statistical computing platform by which data are stored and analyzed;
- Statistically analyze data from a wide variety of disciplines;
- Interpret computer-generated outputs and generate reports understandable to target clients.

BUDGETARY IMPLICATIONS: No additional funding is requested, as current faculty will teach the courses.

RECOMMENDATION: President Gary Ransdell recommends approval of a new minor in Applied Statistics.

1.2 Approval of the Minor in Digital Advertising

REQUEST: Approval of a new minor in Digital Advertising offered through the School of Journalism and Broadcasting in the Potter College of Arts and Letters.

FACTS: The minor in digital advertising requires 24 credit hours and is appropriate for students
interested in developing a better understanding emerging digital communication technologies. Students in this minor will complete a core group of six classes and then select one concentration from the areas of Branding, Interactive Advertising Design, or Print Advertising Design.

Objectives of the proposed minor program:

- Introduces students to the basic principles of journalism including a respect for diversity, transparency, and ethical behavior.
- Exposes students to new forms of digital communication technologies
- Allows students to apply the first two objectives to real-world situations.

**BUDGETARY IMPLICATIONS:** No additional funding is requested, as current faculty will teach the courses.

**RECOMMENDATION:** President Gary Ransdell recommends approval of a new minor in Digital Advertising.

1.3 Approval of the Undergraduate Certificate in Citizenship and Social Responsibility

**REQUEST:** Approval of a new undergraduate certificate in Citizenship and Social Responsibility offered through the University College.

**FACTS:** The certificate program in Citizenship and Social Responsibility is an interdisciplinary program focusing on contemporary social issues that prepares students to be effective citizens – civic agents of change for the common good. The certificate program includes both coursework and co-curriculum public work.

Objectives of the proposed certificate program:

- To familiarize students with the tradition and practice of community organizing in the United States and its importance in our democracy.
- To help students come to an understanding of what it means to be “citizen professional” in whatever career path they pursue.
- To familiarize students with critical social issues or problems at the local, state, national, or global level.
- To equip students with a basic understanding of American government and ethical frameworks in which they can understand the duties of a citizen in a democracy.
- To help students to see how their major(s) or minor(s) connect to issues of citizenship and social responsibility.
- To engage students in public work that serves the common good.

**BUDGETARY IMPLICATIONS:** No additional funding is requested, as current faculty will teach the courses.

**RECOMMENDATION:** President Gary Ransdell recommends approval of a new Undergraduate Certificate in Citizenship and Social Responsibility.
1.4 Approval of the Undergraduate Certificate in Cross Cultural Communication in Health Care

REQUEST: Approval of a new undergraduate certificate in Cross Cultural Communication in Health Care offered through the Communication Disorders department in the College of Health and Human Services.

FACTS: The certificate program in Cross Cultural Communication in Health Care requires 15 credit hours. It is designed to meet the needs of both bilingual and monolingual students. Bilingual students will receive preparation for certification as medical interpreters. The program will prepare non-bilingual students to develop and administer language access programs in health care facilities.

Objectives of the proposed certificate program:
- Understand appropriate use of bilingual skills in various health care settings (bilingual track).
- Discuss the main legal and administrative aspects of culturally and linguistically appropriate care.
- Understand diversity from a health care, allied health or public health professional perspective.
- Identify the need for language access resources at the local, regional, state and national level as defined by the National Standards for Culturally and Linguistically Appropriate Care (CLAS) and the guidelines of the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).
- Collaborate with health care and allied health professionals to promote equal access to health care and public health programs for patients who are limited English proficient (LEP).
- Discuss the administrative and development process of a language access programs in health care settings.

BUDGETARY IMPLICATIONS: No additional funding is requested, as current faculty will teach the courses.

RECOMMENDATION: President Gary Ransdell recommends approval of a new Undergraduate Certificate in Cross Cultural Communication in Health Care.

MOTION/APPROVAL:
Motion for approval of action items 1.1 – 1.4 was made by Mr. Larry Zielke, seconded by Mr. Rob Wilkey, and carried unanimously.
1.5 Approval of Emeritus Faculty Appointments – item recommitted to the Academic Affairs Committee

MOTION/APPROVAL:
Motion to recommit the Emeritus Faculty Appointments back to the Academic Affairs Committee for further consideration was made by Mr. Rob Wilkey, seconded by Dr. Patricia Minter, and carried unanimously.

1.6 Approval of University Distinguished Professor Appointment – Dr. Chris Groves

REQUEST: Approval to appointment Dr. Chris Groves as University Distinguished Professor effective with the 2010-2011 academic year.

FACTS: Following a review of nominations and applications received, the University Distinguished Professor Committee, Provost Gordon Emslie and President Gary Ransdell are pleased to recommend the appointment of Dr. Chris Groves as University Distinguished Professor effective with the 2010-2011 academic year.

Dr. Chris Groves is a Professor of Geography and currently serves as the Director of the Hoffman Environmental Research Institute. Dr. Groves also currently serves as the Director for the China Environmental Health Project. He joined the WKU faculty in 1991. He completed his undergraduate degree in Geology and his master’s degree in Geography from WKU and his doctoral studies in Environmental Science (Geology) from the University of Virginia. In 2007, Dr. Groves became a part of the Million Dollar Grant Club at WKU, reaching almost $3M as a Principal Investigator (PI) and over $1M as a co-PI or faculty mentor on external funding grant opportunities. Dr. Groves has published 19 peer-reviewed papers or book chapters, 1 book, 21 conference proceedings or other published papers, 19 technical reports, 4 reviews and 3 field trip guides. He has also presented 19 international, 65 national and 59 regional conferences presentations; and conducted 33 seminars.

Dr. Groves’ passion over the last ten years has been associated with initiating and implementing the programs of the Hoffman Environmental Research Institute. This Institute has seen great success under his leadership. Dr. Groves currently has several major projects underway with the Hoffman Institute: the cooperative enterprise of United Nations Educational, Scientific and Cultural Organization and the International Union of Geological Sciences, Project #513, Global Study of Karst Aquifers and Water Resources; Karst Field Studies Program; and the China Environmental Health Project. Under his leadership several other international, national and regional programs are being lead by other faculty from the Department of Geography & Geology. Also, through the Institute, post-doctoral, graduate and undergraduate students are involved in research at the international, national and regional level. Students have been involved with research in China, Vietnam, the Bahamas and Caribbean, Greece, Slovenia, Switzerland and elsewhere. Regionally, Dr. Groves, other faculty and students are involved in continual projects with the Mammoth Cave System.

BUDGETARY IMPLICATIONS: No funds requested.
RECOMMENDATION: President Gary Ransdell recommends the appointment of Dr. Chris Groves as University Distinguished Professors effective with the 2010-2011 academic year.

MOTION/APPROVAL:
Motion for approval was made by Mr. Larry Zielke, seconded by Dr. Patricia Minter, and carried unanimously.

1.7 Approval to Purchase 514 Regents Avenue

REQUEST: Approval of and authorization to purchase 514 Regents Avenue, in Bowling Green, KY. Property is to be utilized to house the WKU Florist & Floral Design Training Center.

FACTS: The property proposed to be acquired will house the WKU Florist & Floral Design Training Center. The property will house a full service floral shop and a training facility for students interested in careers in floral design, interior design, and hotel restaurant management as well as floral shop management. The facility will be extended to campus and off-campus workshops offering a certificate to florists that are interested in advancing their design skills. The property will be purchased from the WKU Real Estate Corporation. The purchase price of the proposed property is $103,948.43.

BUDGETARY IMPLICATIONS: The funding is being provided by the Division of Academic Affairs with the support of Ogden College of Science and Engineering. Funding is also available to complete the renovations.

RECOMMENDATION: President Gary Ransdell requests authorization and approval to purchase 514 Regents Avenue, in Bowling Green, KY, to be utilized to house the WKU Florist & Floral Design Training Center.

MOTION/APPROVAL:
Motion for approval was made by Mr. Larry Zielke, seconded by Dr. Patricia Minter, and carried unanimously.

2. EXECUTIVE COMMITTEE ITEMS (Mr. Jim Meyer, Chair)

2.1 Approval of the First Addendum to Employment Contract for Track & Field Head Coach – Mr. Erik Jenkins

REQUEST:
The President requests approval of the First Addendum to the Athletic Employment Contract between Western Kentucky University and Erik Jenkins, Head Coach for Men’s and Women’s Track.

FACTS:
WKU named Erik Jenkins Head Track and Field Coach in January of 2008. Since then, the Hilltoppers have captured Sun Belt Conference championships in 14 of 16 sports under his direction and Jenkins has picked up 11 conference Coach of the Year honors.
Jenkins was a four-year Track and Field letterman at WKU while earning a bachelor’s degree in mass communications (2000) and a master’s degree in corporate communications (2002) during his time on the Hill. He was named 2009 Southeast Women's Coach of the Year by theUSTFCCCA.

WKU’s women’s track program has captured 14 consecutive titles, winning every cross country, indoor and outdoor title dating back to 2006. The 14 consecutive conference championships are the longest current streak in the nation. Sun Belt Conference Championships under Erik Jenkins:
