MEMORANDUM

TO: Faculty, Administrative Staff, and Budget Unit Heads

FROM: Thomas C. Meredith, President

SUBJECT: Resolution on Minority Recruitment

At an administrative retreat on May 16, 1990, the necessity of improving our record of recruiting minorities, and especially African-Americans, was discussed. Agreement was reached that the statement below represents our intention as a university. This statement is now policy at Western Kentucky University and therefore must receive the full active support of all those who are employed at this institution.

WESTERN KENTUCKY UNIVERSITY
Resolution on Minority Recruitment

- Be it resolved that the Administrative Council of Western Kentucky University reaffirms its commitment to minority recruitment, with a heavy emphasis on the active recruitment and hiring of African-American faculty and staff into this University community.
- Be it further resolved that the appropriate Vice President, or the President when appropriate, advises each search committee formed for the purpose of recommending faculty and staff of its responsibility to fully implement the intent of this resolution by providing African-American candidates who meet stated qualifications for specific positions the opportunity to interview and receive full consideration for said positions.
