I. Purpose and Scope

Western Kentucky University awards honorary degrees to individuals who have made exemplary contributions to the University, the state, the nation, or the world. Recipients of honorary degrees are recognized for their general excellence and for their extraordinary achievements in areas of human endeavor which reflect the ideals and objectives of the University. Individuals who receive honorary degrees will exemplify the University's values, vision and service mission. Honorary degrees may be awarded to outstanding citizens of the Commonwealth, outstanding alumni of the University, outstanding living benefactors of the University, or individuals of national or international prominence whose contributions have enhanced society as a whole.

II. Policy

1. The Board of Regents of Western Kentucky University has exclusive authority to authorize the awarding of honorary degrees on behalf of the University. The Board will act only upon the recommendation of the President and with the advice of the Honorary Degree Review Committee.

2. Honorary degrees that may be awarded include

   a. Doctor of Business Leadership
   b. Doctor of Fine Arts
   c. Doctor of Letters
   d. Doctor of Humanities
3. Honorary degrees may only be awarded to living individuals, and may not be awarded to members of the Board of Regents or members of the faculty and staff of the University during their term of service or employment.

4. Honorary degrees may be conferred during any appropriate function of the University, including commencements and special events or ceremonies.

5. Due to the highly selective nature of honorary degrees, no more than four will be conferred in any one academic year.

6. The Honorary Degree Review Committee is convened by the Vice Provost and is comprised of the Chair of the University Senate, the Chair of the Staff Council, the Vice President for Development and Alumni Relations, the Vice President for Public Affairs, and four University Distinguished Professors selected by the Provost. The Committee will select the Chair.

III. Procedure

1. A call for nominations will be made by the Office of the Provost at the beginning of each spring semester. For full consideration, nominations should be submitted by March 30. Any nomination received after March 30 will normally be held for consideration until the following year.

2. Nominations for possible recipients of honorary degrees may be made by students, faculty, staff, administrators, alumni, or friends of the University and should be directed to the Office of the Provost. Nominations should not exceed three pages in length and should include, at a minimum, a statement explaining the nominee's eligibility for this exceptional honor, the relevance of their endeavors to WKU, and which of the available honorary degrees (see II.2) appears to be most appropriate. Letters of support from individuals other than the nominator, but within the University, may also be included in the nomination.

3. CONFIDENTIALITY IS A CRUCIAL ELEMENT OF THE NOMINATION PROCESS. Under no circumstances should the nominee be informed that his or her name has been put forward. The nominator should not solicit letters of support on behalf of the nominee from people outside the University.

4. The Honorary Degree Review Committee will review the nominations and, after careful consideration, submit a written recommendation to the Provost as to which nominee(s) should be considered for an honorary degree, and suggestions for an appropriate venue for conferral of the degree. Every effort will be made to maintain confidentiality during the review process.

5. The Provost will evaluate the recommendations of the Honorary Degree Review Committee and will recommend any candidate(s) for honorary degrees to the President.
6. The President will evaluate the recommendations of the Provost and will recommend any candidate(s) for honorary degrees to the Board of Regents for approval.

7. Upon approval of the Board of Regents, the President will, on behalf of the Board of Regents, inform successful nominees of the University’s desire to confer an honorary degree upon them. The Office of the President will assist in making necessary arrangements for the degree to be conferred.
During the 2011-2012 academic year, 97 theses and 20 dissertations were submitted to the Graduate School - a record number in each category.

AUTHORIZATION AND APPROVAL TO PROCEED WITH ACQUISITION AND DISPOSITION OF REAL PROPERTY

REQUEST:

The President requests the Board of Regents’ authorization for the purchase and subsequent disposition of property located at 1415 College Street (Cherry Hill Place) to Sigma Phi Epsilon Fraternity, in exchange for their property located at 1586 Normal Street.

FACTS:

On April 29, 2011, the Board of Regents adopted the 2012-2018 Capital Plan that was submitted to the Commonwealth as our funding request for the 2012 General Assembly. Contained in the Capital Plan was a 20:2-14 biennial budget request for Agency Bond authorization for the construction of a $22 million Honors Facility, which is to be located on Normal Drive.

On July 28, 2011, the Board of Regents was updated on the 2010-2022 Campus Master Plan. One of the Master Plan’s primary functions is to identify land to be acquired as available, to facilitate campus expansion and to identify future building sites. The proposed location for the new Honor’s Building is along Normal Drive across from Northeast and Southwest Halls.

An independent study conducted by Ross Tarrant Architects and Kerr-Greulich Engineers in April 2012 found that of the five sites studied, “the proposed site on Normal Drive, across from the east-west pedestrian axis path between the Southwest and Northeast halls of residence has been identified as the most optimal site by the criteria discussed and outlined in this report.”

Members within the leadership of Sigma Phi Epsilon have inspected 1415 College Street and agreed to transfer their house at 1586 Normal Drive to the University in exchange for receiving title to 1415 College Street.

1415 College Street is currently held by the WKU Real Estate Corporation. The University proposes to pay off the existing mortgage on 1415 College Street in the approximate amount of $270,000.00.

An appraisal performed on October 5, 2012 places the fair market value of 1586 Normal Street at $210,000.00.
BUDGETARY IMPLICATIONS:

The University proposes to draw $270,000.00 from the University's reserve fund.

RECOMMENDATION:

President Gary A. Ransdell requests authorization for the purchase and subsequent disposition of property located at 1415 College Street to Sigma Phi Epsilon Fraternity in exchange for their property located at 1536 Normal Street.

Message from the Chief of Police
Robert Deane

Thank you for reviewing the Western Kentucky University, 2012 Annual Campus Crime Awareness and Campus Security Report. This report is designed to provide students, prospective students, parents, faculty, and staff with accurate crime statistics, information on university services, and crime prevention programs.

These programs are designed to help inform our campus community about safety practices that will help reduce the risk of becoming a victim of crime. These safe practices can provide individuals with vital information that they can carry with them through college and beyond, keeping them safe for the rest of their lives.

Campus safety and security is a paramount concern in today's society, and we take that concern very seriously. You will find that our campus is relatively safe and conducive to the learning process. The officers of the Western Kentucky University Police Department are committed to making Western a safe environment in which to study, live, work, and socialize. Western Kentucky University Police Officers are also committed to “Community Oriented Policing”, in which officers work with the campus community to identify problems and develop new innovative ways to address those problems. The campus “Closed Circuit Television” (CCTV) System is just one example of developing innovative ways for addressing problems.

We should all remember safety is a shared responsibility between the police and the university community. Please report all crimes or suspicious activity to the police department as soon as possible.

We hope that you will find this information helpful and informative, and that your time at WKU will be safe and enjoyable. If you have any questions or concerns, please visit our website at www.wku.edu/police, or contact us at our general information number 270-754-2548, or at our TIP-LINE number 270-745-8773.
The Student Right-To-Know
And
Campus Security Act

In November 1990, the Student Right-to-Know and Campus Security Acts were signed into law.

The law requires each institution receiving Title IV Student Aid Assistance to prepare and distribute an annual report which sets forth its policies on crime prevention issues and gives statistics on the number of specific crimes (murder, rape, robbery, aggravated assault, burglary and motor vehicle theft), which have occurred on campus and the number of arrests on campus for liquor law violations, drug abuse violations and weapons possessions.

WKU Police maintain crime statistic and prepare the annual Campus Crime Report in compliance with the “Jenny Clery Act”. The Campus Crime and Fire Safety Report are published by October 1 each year. The report can be found on the WKU Police Web page at www.wku.edu/police under the Crime and Fire Date tab. The crimes are reported for each of WKU’s campuses (Main Campus, South Campus, Brown Ag Center, The Center, Radcliff and Owensboro). Campuses are further divided into “on Campus” in Residence Halls, Public areas, other buildings. The WKU Police obtain and is sent statistical information from other departments within the university regarding crimes committed, but not reported to the WKU Police. The WKU Police also obtains statistical crime information from the Bowling Green, Glasgow, Owensboro, and Radcliff Police Departments regarding areas adjacent to campus, and campus organizations located off campus.

This report from Western Kentucky University covers the period from January 1, 2011 thru December 31, 2011. In addition to publishing crime statistics, this act requires colleges and universities to provide timely warnings to the campus community about certain crimes reported to campus security or local law enforcement which may be considered a threat to other students and employees. Western Kentucky University has also established emergency notification systems to alert campus to immediate dangers.

Western Kentucky University is committed to providing a safe, secure environment for its students, faculty, staff and visitors.
The WKU’s Police Department is currently authorized 28 professionally trained full-time police officers.

The Mission of the Western Kentucky University Police Department is to provide a safe and secure atmosphere that is conducive to learning and teaching. Furthermore, the University Police Department is committed to providing a “Community Policing” philosophy in its approach to law enforcement, which is a partnership between faculty, staff, students, visitors and police officers that is predominately service and educationally oriented.

For purposes of this report, the campus is defined as “any building or property owned or controlled by the institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or related to its educational purposes; or any building or property owned or controlled by student organizations recognized by the institution.”

This Report Includes:
A statement of current campus policies regarding procedures for students and others to report criminal actions or other emergencies occurring on campus and policies concerning the institution’s response to such reports.

Campus Security Authority:
It should be noted that for reporting purposes “campus security authorities” includes (1) any individual or entity specified in an institution’s statement of campus security policy as the individual or entity to whom students and others should report criminal offenses, as well as (2) administration officials having primary responsibility for student and campus activities, such as student counselors, deans, campus residence hall directors, the athletic directors, coaches and trainers, and the police department.

Campus Police Authority:
The WKU Police Department is a professionally trained full service law enforcement agency observing the highest standards of professionalism. Officers of the WKU Police Department have full police powers including the power of arrest under KRS 164.955. The WKU Police is an accredited Law enforcement Agency by the Kentucky Association of Chiefs of Police. Western’s Police Department was the third Police Department in Kentucky to become a K.A.P.C. accredited agency.
During the summer of 2009, WKU Police completed its fourth accreditation process. WKU Police was also the first accredited University Police Department in Kentucky. All law enforcement officers are trained at the Kentucky Department of Criminal Justice Training and are Kentucky Police Officers Professional Standards (POPS) Certified. The mission of the WKU Police is to support the educational objectives of Western Kentucky University by preserving the peace, protecting life and property, and enforcing in a fair and impartial manner the regulations of the university, ordinances of the City of Bowling Green and statutes of the Commonwealth of Kentucky. The goals of the department are the prevention of crime and disorder and the preservation of life, property and individual freedom. The department strives to achieve these goals through conspicuous and covert patrol, apprehension of criminals, and education of the public and constant training of Police personnel.

Relation with Other Agencies:
The WKU Police has a strong professional working relationship with the Bowling Green Police Department, Warren County Sheriff Department, the Kentucky State Police, and the Warren County Drug Task Force. WKU police also works closely with and utilizes the services of federal police agencies including the FBI and ATF. The Bowling Green, Glasgow, Owensboro and Radcliff Police Departments provides crime statistics for areas adjacent to campus for Clery and Minger reporting purposes.

How to Report a Crime:
Crimes or criminal activity should be reported immediately to the WKU Police. WKU Police utilize a number of methods of reporting criminal activity. Dialing 9-1-1 from a university phone will connect you to the WKU Police Communications Office. Calls made from cell phones or off campus phones by dialing 9-1-1 will connect you to the Bowling Green Police Emergency 9-1-1 Center. The 9-1-1 Center will connect you to WKU Police Emergency Communications. Non emergency request for service can be made by calling 745-2548. A TDD line has been established for the hearing impaired by dialing 745-2540. Currently there are a total of 80 emergency call boxes located throughout the main campus and South Campus to report emergencies. By pushing the call button on the emergency call box you are connected by phone to the WKU Police Communications Office. Also a flashing blue strobe light is activated. This draws attention to the area which can deter or stop criminal acts. In addition, close circuit television cameras in the vicinity of the emergency call box will also be redirected to the call box.
This will allow police communications officers to see the area and gain valuable information about the reason for the activation. WKU Police encourage the reporting of criminal or suspected criminal activity on campus. Safety is a shared responsibility between the police department and the community it serves. Anonymous tips about criminal activity can also be made to the Special Operations & Investigations by phoning there Anonymous Tip Line at 270-745-8773 or by emailing dominic.ossello@wku.edu. The WKU Police also participates in the Bowling Green/Warren County Local Crime Stoppers program. Anonymous tips may also be made through that program by calling 781-CLUE (781-2583). WKU Police Department is a 24 hour a day, 7 day a week full service police department. Our mission is to provide a safe and secure atmosphere that is conductive to learning and teaching.

**Timely Warnings:**

WKU Police will post “Timely Warnings” about events that pose a threat or a continued threat to the campus community. If a crime or a situation occurs on campus, or off campus that poses a threat to the Safety of students, faculty or staff, a timely warning will be issued by WKU Police. The Chief of Police or his designee may issue a “Timely Warning”. Several methods of delivery may be utilized by WKU Police to inform the campus community of a threat. These methods may include text messaging, mass email notifications, local newspapers, television and radio stations. Threats to people on campus are also posted on the WKU Police website under Crime Alerts: www.wku.edu/police/CampusCrimeAlert.htm. You can view a list of crimes that have been reported by going to www.wku.edu/police and click on the crime alert button. There you will see the Campus Crime Log, Fire Log, Annual Crime Report, Cleary Act and Minger Act statistics.

**Emergency Notifications and Evacuations:**

WKU has created the “The WKU Alert” as a communication tool for mass notifications of imminent threats or emergency situations to campus. The WKU Alert uses a matrix system to identify the type of emergency or threat and the format of message to be sent. Messages may be sent by text message, mass emails, and outdoor alerts systems or other methods.

**Usage guidelines:**

Activation of the WKU Alert should only involve incidents that may cause death, serious injury, or the threat of death or serious injury to people or significant damage to facilities or property. Threats that may prompt an emergency alert are: active shooters, or violent crimes, bomb threats or explosion, civil disturbances, hostage incidents, fire,
earthquakes, severe weather, tornados, floods, winter weather, hazardous materia spills, natural gas leaks, or utility failures. Alerts will be issued as soon as possible after the threat has been verified following the adopted matrix plan. This verification can be made by various means. Examples of how a report is verified may be a weather statement from the National Weather Service, Emergency Management notifications, or on site verification by staff authorized to make a WKU Alert. An alert may not be issued if authorities deem making the notification could compromise the safety of the community, efforts to assist victims or to contain, respond to or otherwise mitigate the emergency.

**Authorized Staff:**

The President, Provost, Vice President of Student Affairs, Vice President for Public Affairs or designees will direct messages. In addition the WKUPD staff may authorize and send messages during time critical incidents as defined in the protocol matrix.

**Types of notification of WKU Alert**

Based on the type of threat or danger, notification may include any of the following or a combination of the following: a SMS text messaging to cell phones. Students, faculty and staff may register for this service on TOPNET. A voice command outdoor emergency alert system on Main Campus and South Campus is also available. This system can give voice instructions to people who are outdoors about immediate dangers or threats. Emergency notifications can also take the form of a video message boards, mass emails, WKU website, media press releases and news conferences.

WKU will regularly update the university website to keep Students, Facility, staff and the community informed on the status of the situation. Timely warnings may also be issued for a situation resulted in an emergency alerts if it is felt the situation may continue to pose a threat to the campus community.

**Test of the System:**

Test of the alert systems are conducted annually in conjunction with the state earthquake, and tornado preparedness drills. These tests are announced through media releases and by email to the campus community. The tests are conducted in February and March each year. As part of the announcement faculty, staff and students are requested to review the evacuation plan for their buildings.
**Missing Student Policy:**

If a member of the University community has reason to believe that a student is missing he or she should contact the WKU Police immediately at 270-745-2548. The WKU Police will dispatch officers to investigate the report. If the investigation determines that the student is missing from WKU Police jurisdiction, the officer will create a missing person report.

After investigating the missing person report, should the WKU Police determine that the student is missing and (1) the student is under 21 years of age WKU Police will enter the student into the NCIC Missing Person File. (2) The WKU Police will notify the Bowling Green Police Department and other area law enforcement agencies of the missing person. (3) WKU Police will contact the student’s emergency contact person. This will take place no later than 24 hours after the student is determined to be missing.

In addition to registering an emergency contact, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by WKU in the event the student is determined to be missing.

**Crime Prevention Programs:**

Safety and Crime Prevention is a shared responsibility between the WKU Police and the campus community. The WKU Police Crime Prevention section uses handouts, programs, and personal contacts to inform students, faculty and staff on measures that can be taken to reduce the likelihood of becoming a crime victim. WKU Police also provides safety tips on our web site at [www.wku.edu/police](http://www.wku.edu/police). Crime Prevention programs are presented in residence halls during the academic year and an advertised Crime Prevention Week are conducted each fall. Topics covered in the Crime Prevention program include Operation ID, date rape awareness, theft prevention, escort services, drugs and narcotics, general safety and security, and alcohol awareness. Films, guest speakers and handouts are used to illustrate procedures and to assist in the educational process. A ‘representative of the WKU Police often serves as guest lecturer in many class projects throughout the year. In addition to programs presented on by the WKU Police and Residence Life: information relating to drugs and alcohol is provided by Student Health Services. Presentations are also made to parents and students during the orientation, advisement and registration program.

Definitions for crimes for which occurrences must be reported

Criminal Homicide - These offenses must be separated into two categories:

a. Murder or Non-Negligent Manslaughter: The unlawful killing of a human being with malice aforethought. Justifiable homicides are not included.

b. Negligent Manslaughter: Killing of another person through gross negligence.

Sex Offenses - Including but not limited to sexual misconduct or abuse, rape, acquaintance rape, sodomy, or any non-consensual sexual contact. Where there is probable cause to believe that the university regulations prohibiting sexual assault have been violated, the university will pursue strong disciplinary action through its own channels. This discipline includes the possibility of suspension or dismissal from the university even if prosecution does not take place through the criminal justice system. Residence Life provides the services of a Sexual Assault Advisor.

Western Kentucky University encourages ALL sexual assaults be reported IMMEDIATELY to:

- The WKU Police at 745-2548 or 9-1-1
- The Counseling and Testing Center
  Sexual Assault Services
  Day 745-3159 or 5-3816
  Evening/Night 745-2548

Website: [http://www.wku.edu/heretohelp/sexualassaultclinical.php](http://www.wku.edu/heretohelp/sexualassaultclinical.php)

and/or [http://www.wku.edu/heretohelp/outreachsexualassault.php](http://www.wku.edu/heretohelp/outreachsexualassault.php)
These offenses must be separated into two categories:

**Forcible Rape** - The carnal knowledge of a person forcibly or otherwise against the person’s will. Only forcible rapes are included, together with assaults for the purpose of rape and attempted forcible rapes. Forcible sodomy and sexual assault with an object would be included in this category. Excluded are rapes where the victim is under age of consent and no force was used.

**Non-Forcible Rape** - Non-forcible intercourse with a person who is under the age of consent or incest.

**Robbery** - The felonious taking of the property of another by force or the threat of another by force or the threat of force or violence and/or by putting the victim in fear. All attempts to rob are included. Robberies are reported in two general categories: armed (any weapon or threatening object used), strong-arm (to include muggings and similar offenses where no weapon is used by strong-arm tactics are employed).

**Aggravated Assault** - The unlawful attack by one person upon another from purpose of inflicting severe or aggravated bodily injury. It is not necessary that injury result from an aggravated assault when a gun, knife, or other weapon is used which could, and probably would, result in serious personal injury. Therefore, all assault attempts where serious injury would have been likely to occur are included. Excluded from the Part 1 crime of aggravated assault are all assaults which do not include the use of a dangerous weapon and in which there was no serious or aggravated injury. These simple assaults are counted as Part 2 crimes.

**Burglary (breaking and entering)** - The unlawful entering or remaining in a building with the intent to commit a crime, including entries where force of any kind is used to gain entrance, where no force was used (an unlocked door or by concealment), any attempts to enter forcibly (even though entry was not actually gained).

**Motor Vehicle Theft** - Includes all thefts and attempted thefts of motor vehicles. The taking of a vehicle of temporary use when prior authority has been granted would not be classified as motor vehicle theft.

**Arson** - Willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle, and craft, personal property of another.

**Hate Crimes** - Any of the above mentioned crimes plus larceny-theft, simple assault, intimidation, and destruction/damage/vandalism of property that manifests evidence that the victim was intentionally selected because of the perpetrator’s bias based on Race, Gender, Religion, sexual orientation, ethnicity/natural origin, and disability.
Definitions of crimes for which arrests are reported are:

Section 1213 of this Higher Education Act of 1965, as amended, contains the drug free campuses requirements added by section 22 of the Drug free Schools and Communities amendments of 1989 (Public Law 101-226). Federal, state and local governing the use and possession of alcoholic beverages are enforced. Violations of these statutes are subject to criminal prosecution and administrative sanctions.

Liquor Law Violations - Violations of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession or use of alcoholic beverages (with the exception of “driving under the influence” or “drunkenness.”)

Counseling - Alcohol substance abuse is provided through the Department of Residence Life. WKU Police partners with Student Health Service and Residence Life Association.

Alcohol Awareness Week - Activities of the week include Driving under the Influence Simulators where students drive as simulated impaired drivers. Participants use drunk buster goggles, Gators and golf carts to drive an obstacle course and take a series of standardized field sobriety test to show impairment levels of intoxicated drivers. The week also highlights presentations on the dangers of alcohol use and focuses on campus services to combat alcohol abuse.

Drug Abuse Violations - Violations of laws prohibiting the production, distribution, and/or use of certain controlled substances and the equipment or devices utilized in their preparation or use.

Weapons Possession - Violations of laws of ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices, or other deadly weapons.

Illegal Drug Policy - Western Kentucky University prohibits the Use, possession, production, manufacture, sale, possession with intent to sell, trafficking or distribution of narcotics, dangerous drugs or a controlled substance, as defined in KRS Chapter 218A, including marijuana, or other drug related activities, including those involving anabolic steroids, except as expressly permitted by law. Students found in violation of these laws may face criminal prosecution and university administrative sanctions.
