These dates reflect the pool being closed for the University swim team meets. Both Preston Center members and the general public are invited to attend and encourage the "Toppers!"

During the fall and spring semester, the University swim team uses the pool Monday, Wednesday, and Friday mornings from 6am to 9am and afternoons from 3:30pm to 4:30pm. Two lanes (lanes nine and ten) will be open for recreational swim/lap swim during the afternoons. Three or four lanes will be open for recreational/lap swim in the mornings. Thanks in advance for your patience in our scheduling.

Have you walked into our pool area and think the temperature is hot? Our temperature and humidity control system maintains the pool environment at 83-84 degrees F and the relative humidity between 50% - 60%. The environment is adjusted to the recreational swimmer and not to the fully dressed member walking in. Of course, with all environmental systems, it will sometimes be warmer or cooler than designed but our system will adjust accordingly.

Hot Tub Information

Did you know that over 100 people use our hot tub on a daily basis? We are pleased that our members enjoy a relaxing soak, but we also must emphasize rules for our hot tub that have been abused.

We ask our members to take a cleansing shower before entering our hot tub. Over a two day period, non-showering people bring body oils, dead skin cells, sweat, lotions, and soap/shampoo into the water. These contaminants cause the foamy, smelly water that is displeasing to the senses. Our hot tub requires a high degree of maintenance and hence the need to drain the hot tub so often. Please help us to help you by keeping our hot tub clean.

Over the past two years, our pool area has been settling and has caused some cracks to form around the pool area. One of these has been causing a number of problems for our hot tub. Cracks have formed around some of the plastic jets inside the tub. We are repairing this along with a number of other minor problems. Please bear with us while we make needed repairs to our popular hot tub.

We are currently researching policy regarding children using the hot tub and expect to have policies enacted by Christmas break. Thank you for being patient with us.

Instructional Programs

The Preston Center offers instructional programs in 2 six week sessions each semester. Participants meet one night a week for six consecutive weeks. Classes include: Scuba, Karate, Tai Chi, Kali, and Yoga. All classes are open to faculty/staff and students for a small fee. Anyone interested can contact Sheryl or Maria at (502) 745-5216 or stop by the office located on the second floor of the Raymond B. Preston Center on Western Kentucky University's campus.

Fitness ’95

Fitness 1995 swings into action with a full slate of recreational fitness classes starting January 9th. We will again be offering 26 classes in the dance studio and 9 classes in the pool each week. Our policy is for you to come to any class that fits your busy schedule, a “drop-in” scheme so you are not restricted to any certain days or times. All of our instructors are CPR and First-Aid certified and the vast majority are also certified by a nationally recognized fitness organization, assuring you of safe, effective, and fun classes!

If you are a faculty/staff Preston Center member, your classes are complimentary with your membership. For students, there is a nominal fitness fee of $30 per semester, allowing you unlimited classes for the entire 15 weeks of programming. Compare that to $30 per month at some of the local health clubs! We offer the first two weeks of each semester as free weeks, so that everyone can try out the classes before they pay the fitness fee. Fitness fees are collected at the Intramural Office by check or cardscan during regular business hours M-F.

THE BIG PAYOFF!

Another feature of our recreational fitness programs is the opportunity to earn a fitness incentive t-shirt, sponsored by a local business. This t-shirt requires attendance at 25 classes at any time during the semester, which is easily accomplished by participating three times a week for a little over 8 weeks. Add to your fitness wardrobe by earning an incentive t-shirt!

For any questions regarding the fitness program, please call Sheryl or Maria at (502) 745-5216.

!!! INTRAMURAL SPORTS !!!

The time of year is once again upon us, where fun, excitement, competition, and healthy exercise fill the air. Yes, it’s Faculty/Staff Intramural Sports time.

This year’s program has something for everyone ranging from the usual volleyball to the brand-new disc golf tournament. Past years have not been as successful as hoped, however those who participated, enjoyed the experience thoroughly. This year can be great with increased participation. As they say, “Themore, the merrier”. What we need is for everyone to contact fellow workers and other cohorts on campus to generate interest and bring out the shy and “behind the scene” athletes.

All competition is on Saturday mornings for your convenience (call if not, we’re flexible) and a good time is guaranteed for all!

So, grab the people you work with, form a team or just bring yourself, and try for the Faculty/Staff trophy that will look simply wonderful at the entrance to your department!
