Oldham, Sydnor Form Solid Coaching Nucleus

Head Basketball Coach JOHN OLDHAM

In three seasons as head coach at Western, John Oldham has posted an impressive 66-15 record and has guided the Hilltoppers to a post-season tournament berth every season. Oldham, who coached nine seasons at Tennessee Tech, has an enviable 12-year coaching record of 184-98. Now in his 13th season as a collegiate coach, Oldham is recognized as one of the nation's top basketball strategists.

Oldham graduated from Western in 1949 after a spectacular athletic career, before playing professional basketball, and coaching on the high school level before reaching the collegiate level. Oldham succeeded E. A. Diddle following the 1963-64 season.

Assistant Basketball Coach BUCK SYDNOR

Wallace B. (Buck) Sydnor was a veteran of 15 years of high school coaching before returning to Western in the fall of 1964. Sydnor's main responsibility is to develop the potential of the Hilltopper freshmen in addition to his usual coaching, scouting, and recruiting duties. He was an outstanding guard on the first two Western teams to play in the NIT in 1943 and 1944. He is a well-versed instructor in the fundamentals of basketball.

- 10 FRESHMAN GAMES
10—WAYNE CHAPMAN ... Senior ... 6-6 ... 186
         ... 22 ... Owensboro, Ky. Top returning scorer on squad, has improved steadily over past two years ... has played most of varsity career at guard, but moved to forward at mid-season last year and did solid job ... his height makes him particularly effective on defense at guard position, especially in zone alignments ... needs to improve offensive rebounding if he stays at forward post this season ... has good jump shot ... is particularly effective scorer on break ... has been something of a “streak” shooter, but showed more consistency in latter half of 1966-67 campaign.

11—CHARLES SELVY ... Sophomore ... 6-1 ... 178
         ... 19 ... Corbin, Ky. Led scoring for last year’s freshman club ... has great shooting touch from outside ... good speed, ball-handling ability ... should be valuable asset once he becomes accustomed to playing with varsity teammates and fits his play into overall team patterns ... is quick enough to become outstanding defender ... youngest member of famed Selvy family of basketballers ... elder brother Frank set NCAA single-game scoring record with 100 points in 1954 at Furman, where he’s now head coach ... another brother, Marvin, currently playing with University of Louisville.

15—RICH HENDRICK ... Junior ... 6-1 ... 180
         ... 20 ... Bristow, Ky. Should be batting for starting guard berth this season after year of seasoning ... great shooter from almost any distance ... quick reflexes, good hands ... led all Rox, good hands players in scoring his junior and senior years, earning All-State and All-America honors at Bristow High, same school which produced former Western All-American Darel Carrier, now playing for Louisville Colonels of ABA ... paced scoring for Hilltoppers freshmen two years ago with 26.1 average ... one of reasons he chose Western for collegiate career was to allow him to help out on family farm during spare time.

20—JOHNNY RUSSELL ... Junior ... 6-2 ... 180
         ... 20 ... Hardsville, Ky. Played all last season as reserve guard after playing both the back and front courts as freshman ... good scrapper, hustler ... improving steadily in ball control and passing ... does good job on defense ... should improve in ability to drive and start offensive patterns as he gains experience ... has good shooting touch from outside.

21—BUTCH KAUFMAN ... Senior ... 5-10 ... 163
         ... 32 ... Louisville, Ky. Prime example of what desire and determination can accomplish ... came to Western “on his own,” earned grant-in-aid with fine play during freshman year, leading yearlings in scoring with 17.8 average ... played as key reserve during sophomore year, then earned spot on starting five last season ... good ball-handler, clever playmaker ... always willing to give up his own shot to get the ball to teammate nearer basket ... extremely consistent outside shooter ... dependable at foul line ... offsets lack of size on defense with aggressive play, continually hounding opponents.

22—WALKER BANKS ... Sophomore ... 6-9 ... 205
         ... 19 ... Clifton Forge, Va. More consistency and drive in his performances could make him one of top “big men” for Hilltoppers in recent years ... was something of an “in-and-out” player for frosh last season, but has all physical ability for front-liner ... good shooter from short and middle distances ... surprising quickness and agility for size ... has good jumping power to go with height ... more aggressiveness could make him real factor on boards ... Virginia high school All-Stater ... runs well enough to fit into Western running game ... should be contender for regular front-line role.
24—NORMAN WEAVER . . . Senior . . . 6-5 . . . 205
. . . 22 . . . Scottsville, Ky. Extremely valuable last
two years as front-line reserve . . . should make big
push this season to become regular . . . was particu-
larly effective last season in relief roles at LaSalle
(12 points, 4 rebounds) and at Austin Peay (12 points,
8 rebounds) when other Hilltopper front-liners got
into foul trouble . . . strength and jumping ability
make him tough around bucket . . . can play at both
center and forward . . . made big strides toward im-
provement last season by working on moves toward
basket . . . was All-Stater for ex-Western player Jim
Bazell at neighboring Allen County High.

25—MIKE FAWCETT . . . Senior . . . 5-10 . . . 175
21 . . . Kokomo, Ind. Another “rags to riches” story
of an “overlooked” prospect who worked his way
into an athletic scholarship by ability and determina-
tion . . . originally a try for football scholarship,
switched to basketball, and made grade in big way
. . . has spent most of career as valuable back-line
reserve, but came in to play regularly last year when
Hilltopper star Clem Haskins was sidelined by broken
wrist . . . responded marvelously, averaging 9.4 points
for five games he started during Haskins’ absence . . .
helped lead team to late-season drive that clinched
OVC title.

33—PAUL HASKINS . . . Sophomore . . . 6-4 . . . 195
. . . 19 . . . Campbellsville, Ky. Younger brother of
last year’s Western All-American, Clem Haskins . . .
while probably not as talented an all-around player,
Paul may be stronger in some departments of the
game than Clem . . . great jumper, really goes after
ball around bucket . . . extremely quick, good driver
. . . fine jump shooter . . . still has to prove himself in
collegiate competition since he did not play freshman
ball last season . . . speed should make him easily
adeptable to fast break style of play.

34—GREG SMITH . . . Senior . . . 6-5 . . . 205
20 . . . Princeton, Ky. Has few peers around basket
. . . tremendous jumping ability, good touch on tap-ins
. . . has great instinct for being at right spot to grab
rebound . . . quick and agile enough to out-maneuver
many bigger opponents . . . played as forward two
years ago, at center last season . . . very effective on
wheel-and-drive from high post . . . ability to clear
ball and get it moving down floor in fast break en-
hances his value as rebounder . . . named to last year’s
All-OVC squad . . . does solid job on defense, would
be even better if able to eliminate tendency toward
excessive fouling.

42—WAYNE BRIGHT . . . Sophomore . . . 6-8 . . . 235
. . . 19 . . . Greencastle, Ind. Probably improved as
much as any player on last year’s freshman squad . . .
came on especially strong in latter half of season after
being moved from forward to center . . . strength is
No. 1 asset under board, but is very good jump shooter
from around free throw circle . . . not exceptionally
fast, but can fit himself into fast break game by learn-
ing to clear ball more quickly off defensive board and
get it started down floor . . . continuation of improve-
ment shown last year should put him into thick of
fight for starting position on front line.

51—JOE MAC HILL . . . Senior . . . 6-2 . . . 187
21 . . . Beaver Dam, Ky. Has one of shrewdest basket-
ball minds on squad . . . moves ball well, makes few
mistakes . . . scrappy and tenacious on defense . .
good jump shot from out front . . . deceptively effec-
tive rebounder, mainly because of hustle, determina-
tion, ability to play position under boards . . . adept
at starting pattern plays from guard post . . . has
done outstanding job as reserve . . . was particularly
outstanding in last year’s OVC Tournament, leading
late all-court press that overcame Morehead lead and
enabled Hilltoppers to win semifinal game in overtime.

’Toppers, Racers Renew Old, Hard-Fought Rivalry

Western Kentucky and Murray collide again tonight in one of the most dilligently contested rivalries in collegiate basketball. The Hilltoppers and the Thoroughbreds have become the rule rather than the exception and there have been several overtime games in the series during recent seasons.

Western brings an 11-6 overall record and a 2-4 Ohio Valley Conference mark into tonight’s contest. Murray, meanwhile, is on a streak, having won nine of its last ten games and holding a solid lead in the OVC with a 7-1 league record and a sparkling 13-4 overall mark.

The Western-Murray series began back in 1931, beginning auspiciously for the Racers as they took three straight wins from the Hilltoppers. However, Western overcame those early setbacks and currently holds a solid 65-32 advantage in the long-lived competition.

Since Johnny Oldham took over as Western’s head coach in 1964, some of the ‘Topper-Racer struggles have been titanic. In that span Western holds a slim 5-4 edge in games over Coach Cal Luther’s club, with the Hilltoppers holding a 4-2 lead in regular season games and Murray a 2-1 margin in OVC Tournament play.

Tonight marks the second meeting of the current campaign between the two teams. Murray eliminated the Hilltoppers from last December’s OVC Tournament with an 83-75 semifinal victory. That win gave the Racers two in a row over Western, since Murray bounced the Hilltoppers at Murray last season to snap a 21-game Hilltopper victory streak.

Murray’s attack is again centered around its big pivotman, 6-10 Dick Cunningham, and a good outside punch from veteran guard Billy Chumble.

However, it is a pair of newcomers to the Racer regulars that have provided a lot of spark for Murray’s solid record so far this season. The club has gotten a big lift from junior college transfer Claude Virden (6-5) and hustling guard-forward Tom Moran, who was a reserve last season.

All four come into tonight’s clash averaging around 13-16 points per game. Cunningham, who led the nation’s rebounders last season, is again among the national leaders.

Western will try to offset Murray’s rebound power with its own ace of the backboards, 6-5 senior forward Greg Smith, and some accurate shooting. Smith has averaged around 14 rebounds per game all season.

Wayne Chapman continues to pace Western’s scoring with a solid 21-point-plus average, followed closely by Butch Kaufman, Rich Hendrick and Smith.

After tonight’s struggle, there seems to be little relief in sight for either team. Western hits the road next weekend for games at East Tennessee Saturday night and at Tennessee Tech Monday. Murray will also be traveling, taking on Eastern Kentucky at Richmond Saturday and Morehead Monday night.

WESTERN BASKETBALL FIELDS 49th TEAM

Western Kentucky University is fielding its 49th basketball team this season. Since its inauguration in 1914, the Hilltopper style of basketball has remained in the national spotlight and has greatly added to the national popularity of the game.

It all started in 1914 when Western defeated Bethel (Ky.) College 30-21, under head coach J. L. Arthur. Basketball was discontinued from 1917 to 1922 when coach L. T. Smith guided the Toppers against 13 opponents.

The real history of Western basketball began with the appointment of E. A. Diddle as head basketball coach. For 43 seasons, Diddle's name became synonymous with winning basketball. Coaching his first collegiate basketball game, Diddle witnessed a startling 103-7 victory which set the pattern for future fame and recognition.

After Western played 149 games in the original "Little Red Barn", the Hilltoppers moved into the Physical Education Building (now the Margie Helm Library) where Western was to win 336 of 374 home games in 32 seasons.

During the 1933-34 season, Diddle's Toppers posted the first of 19 seasons with 20-or-more victories — it was the first of ten straight seasons with 20 wins or more. Western won 30 of 33 games in 1937-38, which also was Ted Hornback's first season to assist Diddle.

Under coach Diddle, Western captured 13 Kentucky Intercollegiate Athletic Conference championships and eight Southern Intercollegiate Athletic Association titles in addition to placing over 20 players on All-KIAC and All-SIAA squads.

In 1948, Western became a charter member of the newly-formed Ohio Valley Conference (see page 167). Under coach Diddle, the Hilltoppers won the OVC season championships and four conference tournaments.

Coach Diddle retired following the 1963-64 season, played in the Diddle Arena. In 43 seasons, Diddle won 759 games and lost only 362 for a lifetime basketball coaching percentage of 71.5.

Head coach John Oldham and assistants Gene Rhodes and Buck Sydnor took the helm in 1954 and guided the Toppers to their ninth appearance in the National Invitational Tournament. In the 1965-66 season, the Hilltoppers posted a 25-3 record in winning the OVC championship and tournament and reaching the NCAA Tournament to finish third in the Mid-East Regional.

Last season, Western captured a "triple crown" by winning the OVC Tourney and league titles and the Hurricane Classic, on the way to a 23-3 season that was terminated by an overtime loss to Dayton.

So it is that Western continues to retain its past prestige and rich heritage on the court in 1967-68.

MARK OF DISTINCTION
20 20-WIN SEASONS

Western Kentucky University has fashioned more than 20-victory seasons than any other major college basketball team in the nation. The Hilltoppers have compiled 20 or more wins in 20 of the 48 seasons in which they have fielded basketball teams.

That amazing record includes one string of 10 straight 20-win seasons, beginning in 1933-34 and continuing through the 1942-43 season.

TOPPER ATHLETICS LOOKS TO FUTURE

The dream of completing a central athletic complex for Western Kentucky University is soon to be fulfilled.

With the construction of a new football stadium and the clearing of land south of the existing Academic Athletic Building No. 1—E. A. Diddle Arena, Western’s athletic, physical education, and recreational facilities are being expanded for future needs.

Under the supervision of Director of Athletics Ted Hornback, Western’s athletic teams are assured of having championship facilities to match the calibre of teams that have already brought numerous championships to the Hilltop campus.

When completed, the entire athletics complex will consist of a 16,400 seat football stadium that can be expanded to 25,000, a track with an all-weather surface, a practice field, a baseball field, and 12 tennis courts with all-weather surfaces in addition to the existing E. A. Diddle Arena—home of Western’s basketball team.

The Academic-Athletic Building No. 2—L. T. Smith Football Stadium is a multi-purpose structure, including classrooms, private offices, a two-story gymnastics room, physical education and athletic shower and locker facilities, public rest rooms, concession stands, first-aid room, and an 80-seat pressbox.
