SERVICE IN RELIGIOUS LIFE

The need of trained workers in the work of religious life is great. At present American religious schools, both in the country and abroad, are called upon to train a large population of religious and national workers for the work of the church. It is in the interest of the church that its leaders be trained in it. Each settler who travels to America must learn something of the Christian religion and its leaders must be trained in it. The training of religious leaders should be the main concern of all religious leaders.

The Bureau of Religious Education is a part of the work of the church. It is the bureau's duty to offer religious education. It is the bureau's duty to offer religious education to all religious leaders. It is the bureau's duty to offer religious education to all religious leaders. It is the bureau's duty to offer religious education to all religious leaders.

The bureau is the bureau of religious education. It is the bureau's duty to offer religious education to all religious leaders. It is the bureau's duty to offer religious education to all religious leaders. It is the bureau's duty to offer religious education to all religious leaders.
