COMMENCEMENT

Another "announcement" in the life of our college has taken place. Teachers have contributed their experience and knowledge to the students of Western Kentucky State Teachers College. This event is not only significant for the students but also for the community. The students are presented with a variety of topics, from science to literature, and are encouraged to develop their critical thinking skills.

COMMUNITY INVOLVEMENT

There are numerous opportunities for students to engage with the community. They can participate in various clubs and organizations, such as the Debate Club, the Art Club, and the Science Club. These activities not only enhance their skills but also provide them with a sense of belonging.

SUMMER SCHOOL

While the majority of students are away for the summer, a select few are enrolled in the Summer School program. This program offers courses that are not available during the regular academic year. The students benefit from this program as they can earn credits and deepen their knowledge in specific areas.

ADDITIONAL EVENTS

Aside from the main academic activities, there are also various events and activities that take place on campus. These include cultural events, sports activities, and social gatherings. The college strives to create a vibrant and inclusive environment for all its students.

In conclusion, Western Kentucky State Teachers College provides a unique and enriching experience for its students. The college is committed to fostering a diverse and inclusive community that prepares its students for success in their future careers.

CREED M. EDWARDS
The College defeated the University of Kentucky 21-16 in the first basketball game of the season, played at the suggestion of Dr. W. C. Reynolds, president of the University. The game was played before a capacity crowd in Memorial Coliseum.

The College had a strong lead at the half and won by a score of 16-0. The College made a fine comeback in the second half, and victory was assured by the final score of 21-16.

The College's star performers were Charles Jones, who scored 10 points, and John Smith, who added 7 points. The University's leading scorer was George Williams, with 6 points.

The College coach, Dr. Reynolds, was pleased with the performance of his team, particularly the defense, which held the University to a relatively low total of points. The College's team is expected to do well in the remainder of the season.

Farewell to Students

(Continued from page 4)

The Student newspaper, "The Western," is printed at the University to reach all the organizations on campus and to act as a platform for the students. The paper contains articles on events, sports, and student life. The editor is responsible for selecting the content and ensuring the paper is edited for the appropriate audience.

Annual Inspection

of the R. O. T. C.

The annual inspection of the R. O. T. C. at the University is held to ensure that the students are prepared for military service. The inspection includes a review of the students' uniforms, equipment, and knowledge of the military duties and responsibilities. The inspection is conducted by military officers, who evaluate the students' preparedness and readiness for service.

Miss Cherry To Go On European Tour

Miss Cherry, a student at the University, will travel to Europe for a tour. The tour is an opportunity for the students to experience different cultures, learn about the history and traditions of other countries, and gain a deeper understanding of the world. The tour is an important part of the educational experience for the students.
