Spangled Program Brings Large Attendance

At First Meeting, A. C. Barton Reelected President.

W. H. Raymond Was Builder Of Fine Job

Survey Shows Wisdom of Choice When Contract Was Awarded Him.

Paul Whiteman And Orchestra In Program

Dedication session of the Third District Teachers Association at J. C. Western was a success. The program, which was arranged by the association, featured an orchestra and a guest speaker. The Third District Teachers Association represents teachers in the region and is an important organization for members.

The dedication ceremony was held in the new Training School Building, which was built by W. H. Raymond. The building is a fine example of modern architecture and is sure to be a valuable asset to the state. The building was completed in time for the dedication ceremony, which was a great success.

The dedication ceremony was attended by many notable guests, including Governor Fields and Lieut. Gov. Denhardt. The two governors were on hand to address the assembly and to dedicate the new building.

After the dedication ceremony, the assembly adjourned to the banquet, where a lovely program was presented. The program featured an orchestra and a guest speaker.

The Third District Teachers Association is an important organization for teachers in the region. The association is dedicated to improving the lives of teachers and to making education better for all students.

The dedication ceremony was a great success, and the new Training School Building is sure to be a valuable asset to the state. The building is a fine example of modern architecture and is sure to be a valuable asset to the state.

This is the Newest
Addition to Our Normal
School on College Heights

Beauty-Convenience-
Service, Is Exemplified in
This Wonderful New Building

This is an exterior view of the new Teachers' Training School on College Heights, constructed under our supervision.

The completion of the New Teachers' Training School marks another forward step in making our Bowling Green, Western Kentucky's Greatest Educational Center. It means that we are keeping pace with the times—forwardness—progressiveness—better facilities—always.

We, as the general contractors and construction supervisors, are justly proud of this monument to our labor and effort, for we know that thru service and work well done, everyone receives the benefit. We are proud, not because it is a mere brick edifice, but because it is furthering our work and efforts right here in Bowling Green and because this new structure as it is, means so much to our own city and state.

In all of our work we strive to attain three ends—Beauty of Construction—Permanence—and perfect satisfaction exactly as outlined in the plans. To anyone contemplating building anything, it will be to your material advantage to let us figure with you.

BUSH BRICKS EMPLOYED IN CONSTRUCTION

W. G. Bush and Company are manufacturers of this brick material.

W. G. Bush and Company, manufacturers of Nashville, who supplied the brick used in constructing the new Teachers Training building of the Western Kentucky Normal and Teachers College, have one of the largest and best equipped brick plants in the south.

These firms, manufacturers of fine brick, supply the best material for the new buildings.

The photographs are a part of a series.

The OLD DEPOT

A new depot was built in the fall of 1903. It was a large, two-story building built on a slope. It was the first depot built in the area and it became a hub for local commerce.

Dr. Vincent Talks In Chapel, B. Franklin

The College Region Herald

The College Region Herald is published weekly by the students of Western Kentucky State Teachers College. It is a voice for the students and provides news and information about the college and its community.

CENIT GAME

The football season of 1903 was filled with exciting games. The most memorable game was the game between the local team and their rivals. The stadium was packed with enthusiastic fans.

ALL STAR CONCERT

The All Star Concert was a grand event held every year. It featured the best musicians and performers from around the state. The concert was a highlight of the college year.

THE COLLEGE ROOMS

The college rooms were a hub for social events and gatherings. They were also used for study and work. Many students spent their time here, studying and socializing.

The world of the college student is one of hard work and dedication. They are dedicated to their studies and their community. The college region is a vibrant and active place, full of life and energy.
