This is the personal column of the "College Heights Herald". It contains various articles and news pieces. The page also includes a section about "Spring Cleaning" and a notice about a "Spanish" meeting. However, the text is not clearly legible due to the quality of the image. The page number "5" is visible, indicating it is likely from an issue of the "College Heights Herald". The date "Thursday, March 25, 1872" is also visible.

**CIRCUS WILL BE HERE IN TWO WEEKS**

Senior Class To Present Big Spectacle April 2nd

The biggest attraction of the Hill this spring promises to be the big outdoor pageant which the students will give on Friday evening, April 2. Plans are now well under way for the production, which will include several thousand students, and everything will be arranged on a scale such as has never been attempted before.

The show will be a production of the Senior Class, under the direction of George J. McDonald, and will feature several new events and make some plans to bottom the program.
