WaterWorks has a campus committee that is in full swing. Under the able directorship of Miss Woods, they meet often and add to the comfort and brightness of the campus. Only recently a number of trees and shrubs were set out and very little irrigation was needed to keep them fresh and neat.

The committee has been busy all the week towards beautifying the campus. They have planted many trees that will add to the beauty of our campus.

The Western World says: "My son, my son. I will leave you in charge of the B.A. Speech. I will send you the K.F.A. Speech. I send you the money you need to keep on the good old gray. You must keep up the good old gray."

The Congress Debating Club has already started their meetings to prepare for the national meet. They will not only win the championship but they will beat any team in the country. I am sure of it.

IT IS WITH A SENSE OF GRIEF THAT THE STAFF OF THE KENTUCKY EDUCATIONAL ASSOCIATION REPORT THEIR LOSS OF A GREAT IMPACT WORKER IN KENTUCKY EDUCATIONAL INSTRUCTION. THE PURPOSE OF WHICH IS TO EDUCATE THE TEACHERS IN THE PROFESSION OF TEACHING.
