Sixth Grade Donates

A very liberal collection was
made by the sixth grade of the
A. M. Stickles
Holds Chapel.

Supt. A. M. Stickles

History Department Head

Urags Us to Boast.

It was a wild head of snowy
beauty that met the gaze of
the incoming students at the
College of the Holy Cross on
the first day of school. Perhaps
it was the history's popular-
ity that had attracted these
students, or perhaps the
beauty of the snow that had
covered the ground. Whatever
the case, the students arrived
at the college with enthusiasm
and anticipation.

The sixth grade boys, who
had recently arrived at the
college, were eager to make
their mark early on the
Register of the institution.
Their desire was to introduce
new events and happenings to
the college.

On the second floor, in the
Spanish Hall, a meeting was
held to discuss the
organization of the
teaching team. The
principal, Miss L. M. Richardson,
attended the meeting and
even addressed the
teachers present.

The meeting ended with a
victory for the sixth grade boys,
who had successfully
organized the meeting.

Crowded Classes

The crowded conditions of
the teaching team were
noted by Charles, who had
recently arrived at the
college.

He had arrived with great
hopes, but the reality was
quite different.

The teaching team was
oversized, and the
classes were crowded.

With great determination,
Charles decided to
organize his own
classroom.

New Library Building

The new library building
was ready for occupancy.

The building was designed
with great care and
consideration.

The books
were arranged in an
organized manner,

making it easy for
students to
find what they
needed.

With the completion of
the library building, the
students were able to
find

what they were looking
for.

All Modern Fixtures Are

Found In Building

With great care, all the
modern fixtures were
found in the
library building.

From the bookshelves to
the desks, everything was

new and
modern.

With the help of the
library, students were able to

study and
learn.

Before Christmas II was Merry Christmas I, and now after Christmas II, I am Merry Christmas III. In fact, if we count the Christmas I and II, the Christmas III will make up a total of five. In other words, I have three Christmases to my name. This is not unusual, as many people have more than one Christmas. In fact, some people have even been known to have as many as five Christmases. It is a wonder that we can have so many Christmases, but it is true. I have always been told that the key to a successful Christmas is to be prepared. I have always been prepared, and that is why I have so many Christmases.

In conclusion, I would like to say that I am Merry Christmas III, and that I am looking forward to the next Christmas. I am already planning for it, and I am sure that it will be even better than the last one. I am sure that I will have even more Christmases, and I am looking forward to them. I am sure that I will have a wonderful time, and I am looking forward to it. I am sure that it will be a joyous occasion, and I am looking forward to it. I am sure that it will be a merry Christmas, and I am looking forward to it.
