**Many Teachers Employed for Summer Term**

Instructors From Various Places to Teach Our Students

A number of well-qualified teachers, some returning to the University of Kentucky, others coming from other institutions, will be employed to provide instruction in various departments during the summer term. The list of instructors includes well-known names from the educational community, indicating a high level of academic excellence.

**Ohio Teachers Hold a Successful Meet**

Prof. A. C. Burton Address Educational Group at Hartford

The Ohio State University hosted a successful meeting of the Educational Group, bringing together educators from various institutions to discuss common interests and strategies in education. The event was well-attended, reflecting a strong commitment to the field of education.

**Rapid Study Made Here With New Girls' Dorm and Manual Arts Ridge**

Plans Are Made for Gymnasium

With the expansion of the campus and the need for more facilities, the plans for the new Girls' Dorm and Manual Arts Ridge are moving forward. The construction of the gymnasium will provide a much-needed space for physical education and athletic activities, contributing to the overall well-being of the students.

**Western Teachers Organize Walton College and Visit Glee Club**

The students of the Western Teachers College and the Walton College visiting Glee Club came together to enjoy a day of cultural exchange. The students engaged in a variety of activities, including music performances and discussions, fostering a sense of unity and camaraderie.

**Western Teachers College Band Glee**

**L. C. Curry Named to National Fraternity**

Frankfort, Ky., Aug. 29. — L. C. Curry, principal of a district school at the University of Kentucky, was elected a member of a national fraternity for the United States, which includes schools of all grades, including high schools, and has as its objectives the promotion of high standards of scholarship and the advancement of educational ideals. The fraternity has a long and distinguished history, and the election of Mr. Curry is a source of pride for the University.

**Many Teachers Are Absent Now**

Many of the regular faculty are now working in other places.

A large number of the regular faculty are now working in other places, including the University of Wisconsin, which is facing a major financial crisis. The move to Wisconsin is not expected to have a significant impact on the quality of education provided, as the University of Kentucky is well-regarded for its academic excellence.

**We Wish You A Happy Vacation**

The end of the academic year brings a time of reflection and relaxation. The University of Kentucky is looking forward to a well-deserved break, and wishes its students and faculty a happy and refreshing summer.

1928-29 ALL-STAR SERIES TO BE SUCCESSFUL

ONE OF THE OUTSTANDING sports activities sponsored on College, each year in the All-Star Series.

THIS THROUGH the stalwart efforts of the student body to bring about the greatest physical activity the institution has ever known. The All-Star Series is made up of various teams representing the senior classes, and to which are added those of the Junior Class. The series is not a test of ability, but rather a means of determining which class is superior. After the series is completed, the class of 1928 will have won, it is anticipated; but next year's team will be better prepared for the task.
