THIRD ANNUAL
MEET

The district 29 and 27 on the Southern States Educational Association went over to the Kentucky Board of Education in February of 1925 and, as a result, this meeting was held in Bowling Green on February 12, 1926. The meeting was attended by teachers from throughout the state, and was a great success. The keynote of the meeting was the promotion of education and the advancement of the teaching profession.

Welcome, Kentucky Inter-Collegiate Press Association. Welcome to Green and Western Teachers College. We want you to make yourself at home, and we hope that you will enjoy the ball event that will be staged on Saturday.

The first convention was held at Danville College and the second at Lexington. This, the third convention, at Green and Western Teachers College, promises to be one of the biggest meetings ever held. You are all invited to come and join us. Important problems will be discussed, friends made, and a closer relationship of colleges and journalistic brothers will be established.

The College Heights Herald staff takes this opportunity to welcome you to the K. I. C. P. A. spirits that now rest over the instruction department at Western.

**COLLEGE BAND**

Football fans know the high school season and run for a touchdown; W.A.R.T. yells out a battle cry and2 the band, and their bodies are fatigued, the brain is numbed with a non-stop rhythm, and the faces are streaked with sweat, but as the players go to the dressing room, they forget to make out examinations, and still, in the desperate effort to attain a big game, AND WE WOKE UP Monday.

The Western Band is a school band. We work hard at it, and we supply the music and entertainment for all Western affairs. The band is sponsored by the college and the students pay to support it. The band is a great source of pride to the students and is a valuable asset to the college.

**POETS' CORNER**

**INDIAN SUMMER**

A little bit of Indian summer, when the air is crisp and the leaves are golden. It's a time to relax and enjoy the beauty of nature.

**THE UNKNOWN PAST**

There is much we don't know about the past. It can be a mystery, a mystery that is waiting to be solved.

**DREAMLESS**

Witness the silence of the world. It is a time when we can reflect on our own thoughts and feelings.

**NEW VERSION OF THE PARAYAN**

In this new version of the parayan, we see a different perspective on the events and characters.

**SCENES THAT HAUNT US**

The memories of the past are haunting us. They remind us of the things we have done and the things we have said.

**EXCHANGE NEWS**

The College Heights Herald is a publication of the student body of Western Kentucky Teachers College. It is a bi-weekly newspaper that provides news, sports, and entertainment for the students and the community.

**AN APPRECIATION**

Thanks for your support and for making our work possible.

**STUDENT LOAN FUND**

The Western Kentucky Teachers College Student Loan Fund is a program that provides financial assistance to students who need it. It is a way to help students achieve their goals and dreams.
ROCKY MOUNTAIN PHOENIX AND FLORA

In response to the circulation interest and respective suggestions of a substantial number of its members, the Department of Natural History at the University of Wyoming will offer a field course in Rocky Mountain Flora and Flora during the second week of the Fall semester.

The trip will be by a guided travel circuit. Brief visits will be made to points of scenic interest, and at least one of the courses included is designed for students interested in the botany of the area.

For additional information and reservations, you may contact the Chairman of the Department of Natural History, Dr. H. Charles, at the following address:

It seems that there is no reason why Westerners were not interested in the tilts at the University of Kentucky. The decision of the Westerners to hold a tilt on the campus of the University of Kentucky is not without precedent. The University of Kentucky, being a public institution, is subject to the control of the state government, and the decision of the University authorities is not without precedent.
