Western Students Hear From Sustie Again

November 9.

Dear Friends,

I was so appreciative of your appreciation of me and my music. I have never really been recognized for my performances, but I am always happy to receive your kind words. I am currently preparing for a few upcoming concerts, and I am looking forward to them. I hope you will continue to support my music and my career.

Sincerely,

Sustie

Transylvania is holding the Annual Alumni Reunion this weekend in honor of the 100th anniversary of the school's founding. The event will feature a variety of activities, including a banquet, a golf tournament, and a reunion parade. The reunion is open to all alumni and friends of the school, and it will be held at the campus in Lexington, KY.

In other news, the student body is planning a series of events to celebrate the 100th anniversary of the school. These events will include a time capsule ceremony, a historical walk, and a musical performance. The events will be held on campus throughout the week, and they are free and open to the public.

In local news, the city council has approved a new zoning ordinance to encourage more mixed-use development in the downtown area. The ordinance will allow for a combination of residential, commercial, and office uses in the same building, which is expected to boost the local economy.

Finally, the school's annual fundraiser, the Alumni Banquet, will be held this Saturday evening. Tickets are still available, and they can be purchased at the school's website or at the door.

We hope you will join us in celebrating the 100th anniversary of Transylvania University. Thank you for your support and we look forward to seeing you on campus soon.

DOMINICHEK ADDRESSES LARGE GATHERING
OF CLUB

The annual-bowling banquet of the St. Louis Bowlers Club was held on Wednesday evening, November 24, at the Women's City Club, and was attended by a large number of for- mer White Mountains. The occasion was celebrated with great success and enjoyment in the hands of the guests. The principal speaker for the evening was Alexander Ivanovitch, a Russian writer born in his native country, who is now living in the United States. His talk was on the Science of Russia.
