In a number of the spots of the training school, the students have made their homes for the past four years, in recognition of the opportunities they have been given there. These homes are filled with pictures, letters, and other mementos of the students' lives at the training school.

The home of Mr. and Mrs. W.L. Mitchell, located on the corner of Main and Market Streets, is one of the most beautiful homes in the city. The couple have made their home in this city.
