Hart Schaffner & Marx Clothes

BACK to the years of FIFTEEN YEARS AGO

It took the Leaders to Lead the Way Out

At one big jump Hart Schaffner & Marx put clothes where they longed to be, where they should be—where they are.

How? By reducing prices arbitrarily, far lower than the present woolen and labor costs justify.

Why? So men can dress up and get the depression out of their looks. So men can buy good clothes at the prices they can afford to pay.

A gamble! Of course it's a gamble. But Hart Schaffner & Marx has pioneered for 50 years. If the world dreeses up—you win, we win and they win.

Good-bye, old clothes! Hello, new suits.
