Class Presidents Are To Officialize at Meetings

As many of Western's Homecoming and Anniversary activities are scheduled for this Fall, a good number of meetings will be held for each of the classes. Local committees from each class will plan one of the events, and may add still another worthwhile event to the schedule.

A large representation of students, alumni and faculty will attend the Homecoming activities. Most of the students will attend class functions, and it is expected that they will be present at the banquet in the evening.

The homecoming meeting of the Class of 1925 was held last week. The Class of 1925 had the largest representation of members present.
