ECHOES FROM HOMECOMING

Anniversary At Western
Review of Events Connected With Twenty-Fifth Anniversary Celebration

The Silver Anniversary Celebration of Western Kentucky State Teachers College was held on November 26th. The event was a great success, and the campus was decorated in a festive manner.

The weather was ideal for the celebration, and the festivities included a parade, a banquet, and a variety of other events. The college mascot, the Bald Eagle, was also present, adding to the excitement of the occasion.

The main event of the day was a banquet held in the college dining hall. The banquet featured a delicious meal and a speech by Dr. H. L. Smith, who spoke about the history and future of the college.

The college has made great progress since its founding in 1876, and the celebration reflected the pride and spirit of the community. The event was a fitting tribute to the college's rich history and its continued commitment to excellence in education.

National Group Admits Herald As Member

College Heights Herald Represented At Convention of Forty-Six College Journalists of Eighteen States

The College Heights Herald, published by the students of Western Kentucky State Teachers College, was recently admitted as a member of the National College Press Association. The convention was held in New Orleans, and the Herald was represented by its editor, Dr. H. L. Smith.

The convention was attended by journalists from college newspapers throughout the United States, and the Herald was pleased to be a part of this prestigious organization. The event was a great opportunity for the students to network and exchange ideas with their colleagues from other institutions.

The Herald is proud to be a part of the National College Press Association, and it looks forward to continued growth and success in the years to come.
BOOK REVIEW

THE ROAD TO PEACE

By Erich Maria Remarque

This book is a worthy following of the author's previous work, "All Quiet on the Western Front." It has the same power to move and inspire all who read it, and the same impressively simple and direct approach to a difficult subject. Remarque is a master of the novel of war, and the present work is no exception.

The setting of the story is the United States during World War I. The author provides a vivid picture of the American soldier in action, and the reactions of the citizens at home to the news of the progress of the war. The scenes are accurately portrayed, and the dialogue is natural and authentic.

The main character, who is a young American soldier, is a highly sympathetic figure. His development through the course of the novel is well handled, and the reader is able to follow his experiences with great interest.

The story is a powerful and moving account of the realities of war. It is a book that will be read and enjoyed by all who are interested in the history of the First World War.

ORIENTAL ODDS

By Raymond T. West

This book is a collection of stories set in the Far East. The author has a unique insight into the culture and ways of life of the Orient, and his descriptions are vivid and compelling.

The stories are well crafted, and the characters are well drawn. The author's knowledge of the Orient is evident in every page, and the reader is able to see the world through the eyes of the characters.

The book is a valuable addition to the literature of the Orient, and it is a book that will be enjoyed by all who are interested in the culture and ways of life of the East.
