Decision Brings Eastern State And
Granola A. A. T.'s First Team
Season's Total To 84 Points

The Western Kentucky basketball team clinched its first winning season in history yesterday with a 50-0 victory over the University of Louisville at Memorial Gymnasium.

The game was played in front of a record crowd of 6,000 spectators at the University of Kentucky, and was the final game of the season for both teams.

The Hilltoppers, who finished the season with a record of 16-2, played with a combination of ten players, and were able to pull away from the Cardinals in the second half.

The game was highlighted by the performance of center Bill Johnson, who scored a game-high 20 points on 10-of-12 shooting from the field.

The Hilltoppers led 25-10 at halftime, and never looked back, as they built a comfortable lead throughout the second half.

The win, which clinched the team's first winning season, was a significant milestone for the Western Kentucky basketball program, as it marked their first step towards becoming a competitive team in the SEC.
