WELCOME FOR STUDENTS IS AIM OF NEWS

This Section Devoted To Western News and College Material

CITY GLAD TO SEE ALL

Hand of Fellowship Extended To Those Enrolling On College Heights

The purpose of this supplement to the daily paper is to inform the students of Western's material, the first of its kind on the campus of Western College Heights.

The campus news is presented in the following manner: The first page contains the news of the day, the second page contains the news of the week, and the third page contains the news of the month.

There has been a great deal of activity on the campus of Western College Heights in the past week. The students have been busy with their work and the faculty have been busy with their classes.

The campus is beautiful and there is much to see. The students have been working hard and the faculty have been doing their best to make the students comfortable.

Beautiful in every line is the Administration Building of Western. This was the first building constructed at the new campus on College Heights after the plant of Pioneer College had been taken over by the State.

High above the surrounding country, the beautiful tan-colored structure may be seen from miles away and has become a landmark for the surrounding country. The view from the upper level of the building includes a panorama of beautiful countryside with hundreds of acres of the state farm land in the section.

This building, in addition to the administrative offices, contains the school auditorium which seats about 2,500 people.

“As Beautiful As Capital Grounds,” is Remark Made of Western

ARRANGEMENT ARTISTIC

As beautiful as Capitol grounds, the campus of Western College Heights is a gem on the map of the state. It is surrounded by beautiful countryside and is nestled among the rolling hills.

The campus is beautifully planned and the buildings are architecturally designed. The students are proud of their school and the faculty are dedicated to making it the best it can be.

Prospects Bright For Inning Gridiron Team Coach Diddle Believes

Nucleus of Letter Men Buys Mentor With High Hopes For Most Successful Season

FOR PROSPECTS of a winning Varsity gridiron squad this Fall are very bright at Western, according to Coach W. T. Diddle, who has been working with that squad since the latter part of that month has been whisking his men into condition for the opening game with Chattanooga University in the season's first meet. Coach Diddle and his men will meet a well-conditioned squad at Chattanooga with a squad in excellent condition for the season. Diddle had his men out early this season and has had them practicing with great consistency, which has paid off with his men in excellent condition for the season.
