Bennett Fills New Business Manager Post
W. Arch Bennett of Franklin became business manager of Western State College on January 1. The Henderson native, a former commissioner of the Public Utilities Department of Franklin, is a graduate of Wayland College and has also been associated with the business of his city.

"I am happy that Western has made me manager," said Mr. Bennett. "I believe in the school and in my alma mater."

Mr. Bennett received his B. S. degree from Wayland College in 1913 and his M. S. degree in 1917.

He is a graduate of Colby College, Concordia College, and Wayne State College. He has been a member of the Board of Education since 1929 and is a member of the Board of Education since 1947. He is a member of the Board of Education since 1952.

Speaker Predicts World Union
The next 50 years will see the world government similar to our national form of government. Dr. E. J. G. M. B. Hunter, world famous economist, delivered the address "The Birth of Our Liberties" in a chapel of the school.

Mr. Wilson compared the rise of the world government today to the old League of Nations and the United Nations Organization. Full credit for the rise of the world government must be given to George Washington. Without the leadership of Washington, the world Union might not have been in existence. He said the United Nations is the freedom which is enjoyed under our Union.

The growth of the United States from a country of 13 states to a country of 50 states took place. The transoceanic crossing which took place in 1934 resulted in the Articles of Confederation.

Western Kentucky State College does not apply students who will register for second semester, who will live in the school dormitory, and who will pay their room fees and tuition fees as a part of registration.

Players To Revive 1920 Flapper Days Thursday Evening in "Mary the Third" by Kenneth Korns
MARY THE THIRD, the second production to be offered by the Western Players in their current cycle of Four Decades of American Playwriting, is scheduled for presentation in Van Meter Auditorium on Thursday evening.

The play is another of Hudson Taylor's clever and interesting analytical studies of American family life. Here's Mary the Third, the young mother who is insecure in her love of the child of her dreams, and who has a constant battle with the forces of good and evil in her home environment.

The play concerns itself with the play proper. Miss Gysiewski gives back to the West Side Magazine that the play proper gives back to the old neighborhood. Miss Gysiewski, who has enjoyed the role of Mary the Third, will be once more.

A second scene, similarly brief, introduces the character of Mary and Elizabeth. Miss Gysiewski, who has enjoyed the role of Mary the Third, will be once more. She is the mother of the child of her dreams, and who has a constant battle with the forces of good and evil in her home environment.

MARY THE THIRD is under the direction of Russell H. Miller as an offering of the Play Production Class and the Western Players.

Equal Rights For Women; "Giff" Heads Sophomores

By Joanne Puckett

1950 goes down in history as the year when the first woman was to be selected to the Senate (Margaret Chase Smith — Republican). But the first woman to be elected to the state's highest office was Miss Margaret Giff, daughter of the late James Giff and second daughter of the late Rev. Dr. Margaret Giff, as the first woman to be elected as a state senator.

The student body president of the University of Southern California is Miss Margaret Giff, daughter of the late James Giff and second daughter of the late Rev. Dr. Margaret Giff. The election was by a unanimous vote of the student body.

"Giff" is 20 years old and has been a member of the student body since her freshman year. She was elected president of the student body last year.

Western's chemistry department is making news in the study of the behavior of compounds. A recent article in the Journal of the American Chemical Society entitled "The Behavior of Compounds in Dilute Solutions" was written by Dr. W. A. Bumpus, head of the department, and Dr. J. W. Williams. The article is scheduled to be published in the December issue of the Journal.

The study, which was conducted by Dr. W. A. Bumpus and Dr. J. W. Williams, involved the use of a new technique for measuring the behavior of compounds in dilute solutions. The technique involves the use of a specially designed apparatus that allows for the accurate measurement of the behavior of compounds in dilute solutions.

The study was supported by a grant from the National Science Foundation and was conducted at the University of Southern California. The results of the study will be presented at the upcoming conference on the behavior of compounds in dilute solutions.

College High Edged 56-49 By Greenville

Coach Dero Downing's College High Cardinals were handed a 56-49 defeat at the hands of Greenville on January 3 in Western gym. Greenville, previously known as the Cards, got off to an easy lead and maintained a slim margin throughout the game. College High was greatly handicapped when three regulars, Pray, Piercar, and Holker, failed out. John Jefferson, another regular was unable to play because of illness.

Fresno, college guard, was tied for game honors by Glenn, Greenville center. Eichel scored 23 points.

College High Downs Horse Cave 50-35

College High's Cardinals played very well last Friday night to avenge a previous loss by downing Horse Cave 50-35 in the Western gym.

Big Bernie Pray's rebounding and timely shooting were major factors, as the Cards led throughout the game except for the first two minutes of play. Also outstanding for Coach Downing's charges were Vernon Bodine, Earl Visions, and Frank Hines. Vernon Hines scored 14 points as College High matched its sixth win in ten starts.

Knee Injury Suffered In 70-59 Loss To U. L. Cards

Western lost to the University of Louisville 70-59 Wednesday night in the Jefferson County Armory at Louisville. The loss of the game was not what hurt the Hilltoppers, however.

Eddie Diddle, top substitute forward-guard on the team was lost to the squad for the rest of the season and possibly for good with a fractured knee joint, according to Dr. W. H. McCormack, team physician. Dr. McCormack said, "Eddie would be on crutches for the next several days, badly sprained shoulder which he re-injured in the second half of the game and right arm are both cut to the bone, so I have to play him on a limited basis. Diddle was the first line player for two of those injured players and his injury is extremely serious."

The Hilltoppers had a hard time making their shots against the Cards as they hit only 26 per cent for the entire game. In the first half only Bob Lawy and Cole were able to hit from the field. Cole was tied at 31-31 when the two teams went to the dressing rooms at halftime.

In the second half Kenny Reeves got hot with his running jump shot to quickly the Cards while the Hilltoppers got colder and colder. Reeves got 22 points to take top scoring honors for the night. Lawy was high for Western with 31.

Coach Ed Diddle will take his squad to Murphy tomorrow where they meet the Murfreesboro College Tigers for the first game of the season. Murphy has won eight games, while dropping four and is considered one of the stronger teams in the state. Western will carry a 4-3 record into their trip.

The first home game of this season will be played at the Western Armory during Monday night when the Hilltoppers meet Cincinnati university in the annual New Year's Day game. Cincinnati won their first defeat of the season by a one point margin when they defeated the Cardinals 10-14 as Cincinnati.

The Hilltoppers lost 70-59. Diddle was knotted approximately 15 feet by the impact and suffered a fractured left knee which now is the surgery room which of course no other player from further play this season, according to Dr. W. H. McCormack, team physician. His right knee was badly bruised. Diddle will be on crutches for several days, Dr. McCormack said.
Eastern And Xavier Beaten By Hilltoppers

The Western Hilltoppers broke into the win column by defeating Eastern Kentucky University yesterday afternoon at the Eastern Coliseum. The Hilltoppers outscored the Colonels, 61-41, in the game's final period. Eastern was led by Tommy Beard, who scored 16 points.

The Hilltoppers took the lead for good in the middle of the first half by a score of 25-23 and continued to add to their lead in the second half by a score of 53-35. Eastern was led by Tommy Beard, who scored 16 points.

NEW career opportunities for you in the U.S. AIR FORCE as an OFFICER AND NAVIGATOR

In this era of long range flights, the role of the navigator has become increasingly important. The U.S. Air Force now offers new opportunities to young college men between the ages of 20 and 26½ who are single and qualify for such training.

If you can meet the high physical and educational standards (at least two years of college), and are selected, you can be among the first to attend the new one-year navigation training course at Ellington Air Force Base near Houston, Texas. A new class begins each month!

You'll be an Aviation Cadet! And, you'll receive the best available training — including 144 hours in the new T-29 Flying Classroom.

Then, graduation! You'll win your wings as a navigator — and a commission as a Second Lieutenant in the Air Force. After a 30-day leave with pay, you'll be ready for challenging assignments as navigator with one of the famous commands in the U.S. Air Force. Your office will be the "front office" of mighty bombers or long-range transports!

Be among the first to win your wings as a U.S. Air Force navigator under the new navigator training program — a key man on the Air Force team!
