At a radio station there are two "Specials," one of them being the regular fare, the other one being the "Specials." This means that the usual fare is what is thrown off the air at the last minute, or when something goes wrong.

Of course, one can spend the time practicing for these "Specials," but it is a matter of personal selection. The only way to find out is to try it.

I was at WRAY, Claiborne, this summer, and it's pretty easy for our correspondents to get in and out, so we're doing some recorded shows, we got our client, and they're doing their professional basketball from the college game.

"I GUESS THE BIGGEST" difference is that pro basketball isn't a money-making game. It's a game of players, and the players are out there making a living.

Bob's wife, the former June Preston, and their daughter, Jean, 18 months old, was born in April.

By Evelyn Haley

Courses of unusual interest and courses that are off the normal academic track are becoming increasingly popular. One such course in beekeeping is being offered at the University of Western Washington.

The course is open to anyone interested in keeping bees, whether they are already experienced beekeepers or not. The course includes lectures and practical hands-on experience in hive management and beekeeping techniques.

The course will be taught by Dr. John J. Ball, a well-known beekeeper and author, who has been involved in beekeeping for over 30 years. He will provide a comprehensive understanding of bee behavior, hive management, and beekeeping techniques.

Those interested in attending the course should contact the University of Western Washington's Department of Agriculture for more information and to register for the course.

Extra Point Wins For West All-Stars

An extra try for an extra point, by West Side high school All-Star football team, in its first victory over Coaches Chil-der's All-Stars in its annual game as Jimmy Hayes' western guard, spoiled the extra point and thus was the game. West Side had point taken away in the opening frame. In the second quarter Jim White of Newport was called in on the 1-2-1-2 rule in favor of St. Xavier and famed for a safety but the West was allowed two plays later Nannico flipped to White who went all the way on a beautiful run but again an official penalty nullified the points. Koch was voted the "star of stars" for his unique try and Bobby James, his one round from the goal graced for the covered yard. Hayes, former All-K. E. A. C. guard for Western and now head football coach at Rooseveltville, had his great undefeated team to face the "West World" Kentucky high school championship in Russellville's history to date against the 1-2-1-2 rule. He had his main motive to aid in directing the victor-ious West. Henry Parker, former coach at Louisville Shawnee high school, and Ralph Miller, former coach at

Veterans of Louisville

The State Department of Aeronautics conducted a flight over Warren county in connection with the air-age education conference held on the Western campus, June 20-21.

Approximately 130 Western students from the agriculture and geography departments took the flight sights. The six planes, carrying three persons each, took off from the local airport at 20 to 40 mile intervals.

The planes flew at 1,000 feet. The students observed aerial land forms and conservation practices.

The flights were also of value in determining the techniques and use of mapping might be helped by aerial reconnaissance.

Ashley L. Thibaud, class of 30, writes that he is now in Kansas. He has asked that we send the College Heights Herald to him there. You bet your life will visit it you, Ashley. Glad that you appreciate our paper enough to ask for it.

The opening game was played in the Western gym on the night of June 12. The Buckeyes sparked by 9-5 Deke Firkus' five-point effort in the final minutes edged the Kentuckians 55-50. Woody Preston, Franksville foreward, was named the “Star of Ohio” in this game. The award was presented by Rev. Lawrence Stinnett, Preston and his foot for high scoring honors with 15 each.

The next night the two squads tangled at Mayville. Again in the final seconds the Buckeyes moved out and the Kentuckians as Ken McCallum was down a shot from mid-court to give his team its second win, 48-41.

Charley Hadden, Lexington Lafayette, guard, scored 26 points in taking high scoring honors but was named the “Star of Stars” for the contest.

In the third and final game played at Mindonow, Ohio, on Saturday night, June 13, the Kentuckians bounced back to win 76-71. Jim Pryor, Careville 4-4 center, spark ed the last quarter drive which carried the Kentuckians to victory.

Bill Uth, Ohio 6-10 center, and Mayo Blevins, Ohio State 6-6 forward led a very hard fighting Kentucky guard, each scored 18 points in the victory.

Two guards, one from each team, were named the most valuable players, Jim Pryor from the Ohio team and Paul Overton, Fairdale, was the Kentucky winner.
