College Welcomes Music Festival Group

Gym Being Decorated For Big Talisman Ball Tonight

Western's gym is at present fast being transformed to house the mansion and landscape of a southern plantation. On the grounds of this plantation, tonight, will be held the spring's outstanding dance, the Talisman Ball.

Playing from the north colonnade of the mansion, from 9 p.m. to 1 a.m., will be the Beale Street Sidewalkers and his orchestra from Columbia, Tenn., playing good dance music in a well-rounded style pleased to suit everybody.

Western is TV Star

Beale's has won glowing fame for its unique presentation of numerous appearances of its band throughout the southern states. With his leadership and the muscular skill exhibited by each of the individual members, the band is all inclusive in talent.

Miss Pat Barlow, TV star on station, says there are no color barriers to be featured vocalist for the evening.

A special attraction of Western's is "The Dandilion Man." This, in reality, is a band within a band, whose performances are entirely unguilted by the band within the band, and just in the traditional New Orleans style. Thus, dalins, adds to the atmosphere of the theme of a southern plantation.

Simulated cypress trees hanging with moss, the southern blue lawns, the dance floor, and an inch the plantation, shall of dials, soft light of candles will be directed on the Talisman King and Queen.

Instead of a master and mistress of the mansion, there is to be a Talisman king and queen, the Talisman king and queen shall select several events ago by the student body.

No program will be announced, but attendance to the king and queen will be a Mr. and Mrs. Representative sent from each of the clash and four college organizations, who are to be chosen by the council of each organization. The程序 will not be announced.

The coronation ceremony will be held at 8:30 p.m. at the door of the campus in front of the Talisman Hall.

Presiding over the presentation of campus favors and class representatives will be members of the Talisman staff. Dr. and Mrs. Paul L. Garrett, Dr. and Mrs. J. G. Cruce, Mr. and Mrs. M. K. H. Condon.

All dances will be closed to the charge of James A. Young, with Dr. Joseph Bruce, Jr., editor of the "Talstrum.

Concessions are to be found in the gym, and a free agency will be sold under the supervision of the Campus Club.

TOM HENLEY

T. Play For Talisman

The students are expected to assist the Campus Club in the decoration of the gym.

Tom is expected to assist in the decoration of the gym.

Date Is Set
For Education Council Banquet

The Education Council Banquet will be held April 30, instead of April 23, because of a conflict with MKA. The meeting will be held at the main Methodist Church, with Dr. Ralph W. cherry as guest speaker.

All graduate students, education majors, and freshmen are urged to attend.

Tickets may be secured from officers of the Educational Club, and faculty members of the Education, and Psychology departments.

The deadline for buying tickets is Friday, April 1.

Concert Band Presents Annual Spring Concert

The Western Concert Band, under the direction of Thomas A. Adas, will present its annual spring concert at Van Meter Auditorium, at 8 p.m.

The concert includes a program of varied music from Bach to Leonard

Gould in the season 1944. Under the direction of Mr. Adler, Maidn

ballroom dances will be accompanied by the music of the western concert band, under the direction of Mr. Adler.

WIN'S SPEECH CONTEST

The Western Speech and Debate Society will hold its annual speech contest in the auditorium. The contest will be held on Thursday, May 1, at 8 p.m.

The contest will be open to any student enrolled in the speech and debate course.

Mims To Address English Club

Dr. Ralph Mims, retired English professor at Vanderbilt University, will speak at the English Club banquet Thursday night, April 30, at 8:30 p.m., at campus banquet hall.

Dr. Mims, a native of Richmond, Ark., received A.B. degrees from Cornell University, and was head of the English department at Vanderbilt from 1942 to 1944.

Dr. Mims is a specialist in the field of American literature, and his most well known book is "The English Language," written in 1937.

"Sing Out, Sweet Land," Players' Final Production Of School Year, Is Musical

The Western Players are busy at work for the production of this school year, "Sing Out, Sweet Land," which is to be produced in Van Meter Auditorium on May 4, 5, and 6.

"Sing Out, Sweet Land" was written by Walter Kerr as a good natured history in the form of the songs that recall the past and present visions of our program.

"Sing Out, Sweet Land"

Kerr tells the following: a musical blend of the concluding program and the final song, and develops his potential of the book.

In this month's issue, the central and surrounding character, representing American history, is portrayed through music, with the town of the past and the town of the present being told together with music.

The production is under the direction of Thomas A. Alford, and is of a combined production of the play and music. Assisting as director of the production is Mr. Alford, and various music directors.

The production of the play and music is under the direction of Mr. Alford, and is of a combined production of the play and music. Assisting as director of the production is Mr. Alford, and various music directors.

SOPHIE MILES is a member of the band, was steel drums, and "Sing Out, Sweet Land" was presented on Broadway by the Toepler.
College Heights Herald

The College Heights Herald is the official newspaper of the students of Kentucky State Teachers College. It is published every other Friday under the general management of Kelly Thomas. The staff is composed of journalism students taught by Miss Frances Hamilton.

The Same Old Story
Still A Tragic One

By EVELYN BAILEY

Let's take a few minutes from your preparation, you that are going to the dances this week, and take note of a few pointers which may be helpful in making an evening even bigger success than you are looking forward to.

Under the chapter heading "College Girls Ask" in Emily Post's "Etiquette" there is a question that every couple should ask themselves before they go to the gym tonight: "Is it necessary to go through the receiving line?"

It's not really necessary, as the literal meaning goes, to go through the receiving line, even though it is a custom. So it has become customary to go through the receiving line at college balls.

Therefore, why not stay away from the receiving line, as it seems to have become a habit of many to do at Western's dances. The receiving line is an important part of the Ball's organization and procedure from the formality and correctness standpoint. Therefore it should not be avoided.

All you have to do is shake hands and introduce your partner ("Mr. and Mrs. Smith") to the person in charge of the receiving line. Then shake hands with the others and merely say, "How do you do? Mr. and Mrs. Smith." It's that simple.

The receiving line tonight will consist of the editor and assistant editor of the College and some faculty and administrative members. Therefore you should feel at ease in introducing yourself, if you do not already know them.

Another question which needs answering before it comes up is the question of "Should you wear a jacket to the dance?" The answer is:

"What do you do when you get stuck at the end of a dance and there is no hope of your next partner's finding you?" "Then go back to the receiving line, and you know your present partner's jacket will help you out of the jam."

Whatever you do, you should try to take the situation light and don't get worked up. If you feel that you were terrified if you were to be left a few minutes alone on the veranda of a golf club.

If you wonder whether you should wear your corsage at the dance, here's the answer on the right side. Florists will tell you to pin it, with blossoms up, as they grow, but if you prefer it pinned at a different angle, you are at liberty to do so, and are perfectly correct in taking this liberty.

Should you wear a coat or evening wrap, it is best to carry it when you enter the room, or it is not strictly proper to carry it to the dance.

If you have any other problems, work them out sensibly, or forget them. Go with a happy determination to have a great evening. Here's wishing you a wonderful and enjoyable evening.

Musical Notes

By SEYMOUR SPITZMANN

Miss Claire Miller, music major from Bowling Green, cigarette smoker, and Robert R. Copeland, student at Western, met in one of the music classes taught by Miss Hamilton. Mr. Copeland asked Miss Miller to dance, and she accepted. They have continued to dance during these last six weeks, and now they are engaged to be married.

The reception was given in compliment to the bride and groom at the Heights Tavern, and was a combination dance party, and the bride and groom sang two songs in the variety show. They also had a "Dancing Casino" for the enjoyment of the guests.

The reception was attended by a large crowd, and was a great success. The bride and groom were very happy, and the guests were very much pleased with the reception.

The wedding will take place in Chicago, at the home of the bride's parents, on September 1st, 1952. The couple will then return to Bowling Green to continue their studies.

Ladies of the Bowling Green Music Club, under the leadership of Miss Hamilton, have been working on a highly artistic presentation of the program for next April meeting.

Dr. Hugo Sundvall, head of the Music and Drama Department at Western, was the main speaker at the annual high school orchestra concert held last Thursday, April 22.
Senior Receives National Science Foundation Fellowship

W. Wallace Hunt, Jr., senior chemistry and mathematics major, has been named as the only Kentucky student to receive a National Science Foundation fellowship in chemistry for 1952-53. He will go to Ohio State University this summer.

Campus Interviews on Cigarette Tests

No. 39...THE FLYCATCHER

"They had me backed up to the wall!"

H. S. Is fast—He's smart—he covers ground—He's a real varsity outfielder! The 'quick-trick' cigarette mildness tests were almost too hot to handle, but he didn't make an error. He realized that cigarette dust can't be judged in sham-hanging fashion.

Millions of smokers throughout America know, too, there's a thorough way to judge cigarette mildness!

It's the sensible test...the 50-Day Camel Mildness Test, which simply asks you to try Camels on a day-after-day, pack-after-pack basis. No snap judgments! Once you've tried Camels for 30 days in your "T-Zone" (T for Threat, T for Taste), you'll see why...

After all the Mildness Tests...

Camel leads all other brands by billions.
Grads At University Of Iowa

Western alumni may be found living from coast to coast. For instance, Miss Mildred N. Halsted, a 1922 graduate student, Versova, India, was granted a fellowship by the University of Iowa. She is studying English literature, a subject of special interest to her.

Edward B. Behn, B.S.'37, M.N. Vanderlucht, Ph. D. Columbia, is an assistant professor of physics. A native of Beaver Dam and a physics major on the Hill, he taught school in the Western physics department.

Behn was a research physicist for the Manhattan atomic project for two years, and since coming to Iowa in 1945, has continued nuclear research on light elements.

Victor Showalter, B.S.'41, university bond promoter, hopes to receive the Ph. D. in composition June 8, a more ambitious major on the Hill, the Byrnsce, Oberlin, received the M.A. in Iowa in 1945 and the major of fine arts degree in 1946.

Mrs. Showalter, formerly Miss Smith, B.S.'41, of Franklin, received the M.A. in music and musicology at Iowa in 1948. She majored in musicology at Western and is now teaching at Wittenberg, Ill., High school. Both Showalters have a year-old son, Sf
dy.

Another graduate student in music is Charles Smith, A.B.'41, of Bowling Green. He was granted the M.A. at Iowa in 1941 and is continuing advanced study in music. Smith, an intern with the Iowa band, conducts the Iowa war band for WUOW, Iowa City, has begun work on his thesis project—a content study of the three radio war bands. Smith is a member of the National Association of Radio News Directors and WHO, Des Moines.

Mr. and Mrs. Richard M. Taylor are presently teaching with the University of Illinois in Champaign. They were granted the B.S. in 1942 in education and are a brother-in-law of Anne Hart, also at Western.

Raymond Humphrey, S. grad student, visited the campus the weekend of March 29.

Raymond Humphrey surprised M. Penfield at Western and is the Research Assistant at Ohio State University where he is working on his Ph.D. degree in physical chemistry.

The title, "Fishing Men," is told in an interesting manner using colloquial dialogue. It concerns a backwoods boy who must go to war in his country, "The Minted States."

Ladie Bee Ross was recently elected Queen of the American Daughters of the NMA, order of the Republic of the Philippines, in Madisonville.

Mr. and Mrs. Joe W. Medlar, Western graduates, are in their 27th year at Emory, Ga., Medlar teaches the B.S. degree at Emory, and Mrs. Medlar teaches the B.S. degree at Emory.

Mrs. John W. Thomas, Jr., A.B.'33, wife of Le John W. Thomas, A.B.'33, is now teaching in 5th grade, at Warrenville, Ill. Mrs. Medlar teaches at Emory and Mrs. Thomas teaches at Emory.

Miss Betty J. Thomas, A.B.'35, wife of John Thomas, V.M.'35, is now studying for her B.S. degree at Illinois State University, Normal.

Mr. and Mrs. Preston R. Acree are now residing at 413 S. Cabrillo, Los Angeles, Calif. Mr. Acree is a letter of April 1960, and is a B.S. degree from Western in June, 1960, Mr.

Select Solist For Symphony Orchestra

Auditions were held April 9 to select students to perform with the Western Symphony Orchestra in their May 4 concerts. These chosen by a vote of the music faculty were Brian Aune, clarinet; Jane Skinner and Eugene Baird, violinists; Charles Wills, trombonist; and Catherine Win-

Attend AUAU Meet

Miss Beryl Stoenpeter, of the English language department, and Mrs. Easton Jones, of the library department, recently attended a state meeting of the Kentucky Branch of the American Association of University Women at the Hotel in Cincinnati. Miss Stoenpeter, second vice president, presided at the luncheon meeting on Saturday, March 3, at which Mrs. Owen Lee of Lexington, writer, was the speaker.

Dean Abbe Kincaid Hotel of the University of Pennsylvania, president of the National AUAU, was the speaker at the dinner meeting on Saturday night. Miss Kincaid, science director of Louisville is the new state president. Next year's meeting will be held at Kincaid hotel on Kentucky Lake with the Murphy branch as host.

In a cigarette, taste makes the difference—and Luckies taste better! The difference between "just smoking" and really enjoying your smoke is the taste of a cigarette. You can taste the difference in the smoother, mellower, more enjoyable taste of a Luck...for two important reasons. First, MS.M.T.—Luckies strike means fine tobacco...fine, mild tobacco that tastes better. Second, Luckies are made to taste better...proved best made of all five principal brands. So reach for a Luckie, Enjoy the cigarette that tastes better! Be Happy—Go Lucky! Buy a carton today!
Western ROTC Units Receive Satisfactory Ratings

Both Units Praised

During Annual Federal Inspection

Army and Air ROTC units were accorded "satisfactory" ratings on the basis of initial inspection and field inspections which was conducted at the College Heights on April 22.

There are only two types of ratings - satisfactory and unsatisfactory. On July 9, the Air Force ROTC also received "satisfactory" ratings.

Colonel John R. Crane Jr., head of the Inspection Unit, described the Air ROTC training program as "satisfactory." He said that there would be some improvements in order to raise the rating to "outstanding." The Army ROTC unit also received praise.

Classroom inspections were held on Monday and Tuesday, April 20 and 21, respectively. During the week, cadets received the awards and recognitions made by the inspection unit.

Outstanding Cadets

- Col. J. T. Peery received the highest rating in the cadet's air ROTC activities - Major John G. Janssen, highest academic in the senior ROTC class; Sen. J. S. G. Ladd, highest academic in the junior ROTC class; and Maj. George H. Schindler, professor of military science and tactics.

- Western students who are also ROTC cadets received the highest rating in this category. This includes John B. Ford, Fort Worth, Fort Worth, Fort Worth, and Richard W. Smith.

- Western students also received "outstanding" ratings in the ROTC program. These students received the highest rating in the ROTC program.

- Western students who are also ROTC cadets received the highest rating in the ROTC program.

- Western students who are also ROTC cadets received the highest rating in the ROTC program.

- Western students who are also ROTC cadets received the highest rating in the ROTC program.

- Western students who are also ROTC cadets received the highest rating in the ROTC program.

The Air ROTC program is conducted under the direction of Maj. J. T. Peery, head of the ROTC program, and Maj. F. J. Smith, head of the ROTC program.
NOTICE  
JUNE GRADUATES  

The Kentucky Personnel Council invites you to participate in a forum with a need for Social Workers in the Division of Public Assistance and Child Welfare, to acquaint them with the current services and training programs. Social workers, Adult and Child, are needed in the Bureau of Employment Security, starting salaries are $1500 per month in Public Assistance and $200 per month for Social Workers. The Personnel Examination Secretary will be available to explain the examination process. The forum will be held on the date and time announced by the Personnel Secretary in the coming weeks.

Eight Army ROTC  
Ceders Receive Commodations  

The professor of military science at the university presented letters of commendation to the following students, who have been designated by the monthly battalion drill April drill: 2nd Lieutenant Joel E. C.

ein hei 

Craig  

CELEBRATES 65TH BIRTHDAY  

Mary J. "Uncle Billy" Craig, a native of the Western Kentucky area, was given a surprise 65th birthday party by Mrs. Craig on Sunday afternoon, April 11, to celebrate her birthday which was on April 11.

The party was given at his home in the presence of numerous guests present. Refreshments were served around a yellow and white color scheme.

AGENTS OF MR. MILLER  

The members of the crew and staff of the Western newspaper, Mr. Russell H. Miller's adaptation of "The Lion" and Mr. W. F. "Venre" were Mr. Russell M. Miller, Mr. John W. Miller, Mr. Joel W. Miller, Mr. Joel W. Miller, Jr., Mr. Joel W. Miller, Sr., Mr. Joel W. Miller, Jr., and Mr. Joel W. Miller, Sr., who were all attending the party on Thursday night, April 11, following the party at the Miller residence.

The guests included Mr. and Mrs. Joseph Miller, Jr., Mr. John W. Miller, Mr. Joel W. Miller, Jr., Mr. Joel W. Miller, Sr., Mr. Joel W. Miller, Jr., Mr. Joel W. Miller, Sr., and Mr. Joel W. Miller, Jr. Joyce Brooks, Pattee Ritter, Dorcas Ritter, Beth Ritter, and Kathleen Smith, who made the second consecutive victory for the company.

MAY SULLIVAN RETURNS TO FORT CAMPBELL  

Miss Mary Sullivan has returned to Fort Campbell from her trip to Guam and the Marianas. She will be working in the government post office and will be back in the administrative section at the end of the month. Miss Sullivan returned on April 11 and one-half years in the military service. She is the daughter of Mr. and Mrs. John Sullivan, and Miss Sullivan, a graduate of the University of Kentucky, recently graduated from Fort Campbell University.

A 20-year-old woman who was charged with the murder of her husband, a retired army officer, was given a life sentence on April 11. The woman, who had been convicted of murder in 1964, was sentenced to life in prison.

FHA Meets Here  
Eds Electors  

The FHA met here on April 11 to elect officers for the organization. The new officers were as follows: President, John J. Smith; Vice-President, William H. Brown; Secretary-Treasurer, John J. Smith; and Auditor, William H. Brown.

Annual Western KEA Breakfast  

Reports from those who attended the Western KEA meeting were received and read at the meeting. Approximately 400 people attended the meeting, and they were all very pleased with the speakers and the meeting.

Marine Recruiter To Visit Campus  

Lieutenant Clifford Brose of Marine Corps Recruiting will be visiting the college on April 11. He will be giving a talk on the Marine Corps and will be available to answer any questions you may have.

Kirchner Replaces Turbotin in Army ROTC Unit  

Captain William Kirchner is the new instructor of the Army ROTC unit at the college. Kirchner, a native of Kentucky, graduated from the University of Kentucky and joined the Army in 1964. Kirchner was commissioned as a second lieutenant in the Army in 1965 and has been assigned to the Army ROTC unit at the college.

Kirchner is a recipient of the Bronze Star Medal and the Purple Heart. He is also a member of the Phi Beta Kappa Society and a graduate of the University of Kentucky with a degree in Business Administration.

Kirchner is currently serving in Europe as a member of the 10th Medical Brigade, 10th Air Force, in Germany. He served in the 10th Air Force in Germany and is currently serving in Europe as a member of the 10th Medical Brigade, 10th Air Force, in Germany.

He is a member of the 10th Medical Brigade, 10th Air Force, in Germany.

Baker  

Mr. and Mrs. Harold W. Baker. College Alumni, announce the birth of twin daughters, Marcia C. Baker, 1964, born to Mr. and Mrs. Baker. Mrs. Baker is a junior at Western.
The titles listed below were selected by the American Library Association as the "Notable Books" of the past year. The Western library has the following:

College To Be Represented In Invitational Drill Meet

Western Kentucky State College will again be represented by the drill platoon of Company B, National Society of Punishing Rifles in an invitational drill meet at Bloomington, Ind., May 3. This drill platoon also represented Western in the National Invitational Drill Meet at Charleston, Ill., March 14, in which it won second place trophy.

Indiana University, of Bloomington, will be host to teams representing Western Kentucky State College, University of Illinois, Ball State College, University of Michigan, Wayne University, and Loyola of Chicago. This completes a list of outstanding schools and drill teams. The University of Illinois won first place trophy at the National Invitational Drill Meet at Charleston this year and Ball State won second place.

**46 Students Take Selective Service Deferral Exams**

Forty-six students at Western State University have been granted deferral of military service. The 46 students are enrolled in the Western Kentucky State College, Green River University and are given Selective Service exemptions. A letter of request was received yesterday in connection with the presentation of draft deferment to students meeting certain educational qualifications. Twenty-five received the three-year deferral of service, provided by the Commonwealth of Kentucky. The other 21 have been granted two-year deferrals.

**Stansbury Returns To United States**

Col. Edgar Stansbury, Western Kentucky State College instructor in agriculture, health, physical education and athletics, left Chicago last week for Bloomington, Ill., at the Bowling Green Lions club banquet. Col. Stansbury has been on a three-month leave in Europe in connection with the drill platoon in Bloomington. Col. Stansbury is now in the U.S. Army and will soon be attending a post in the U.S. Army for a brief leave.

Eight To Enter Medical School

Western 8 MED STUDENTS—All of the above group of medical students at Western who filed applications for medical school this fall are students at the University of Louisville. The process, from left to right, first row, are George Bead, Charles Price, Keith Krider and Bob Price, from bottom to top, first row on the boards, Buddy Madison, Bill Chamley, Bill Ward, Keith Martin, Nelson Rose and Bill Hutton. Bill Hutton, Frank Reder, John Hart and Jim Call. (Denote those who will be in medical school fall.)

Dr. Smith Delivers Speech To Sunday School Class

Dr. Bert R. Smith, of the Education department at Western, gave a speech entitled “Education of the Servicemen” on Sunday, the 6th Sunday in the Liberty Men’s Bible Class at the Dallas Street Methodist Church.

The address has been published three times and distributed throughout the nation.

KENTUCKY BUILDING NEWS

By Seymour Spenghall

Among the numerous valuable libraries which the Kentucky library has received from the Louisville and New York libraries, are several journals, diaries and scrapbooks. Two of the journals contain personal accounts of trips through the Mammoth Cave, one in 1830 and the other in 1847. It is thought that the reading public might be interested in excerpts from the 1830 journal. Probably of special interest to those familiar with the Cave, will be the names given to its various streams and attractions at that time.

The following are excerpts from an “Account of Trip Through Mammoth Cave,” Saturday, June 11, 1830, by Robert W. Lucas:

“Entered the Mammoth Cave at 8 p.m., and came out at 9 p.m. Name of the different caves of cave’s name; Mr. Amsel WW. Virginia. Mr. M. J. White, Owingsville, Ky., Miss L. P. Trigil, Owingsville, Mr. White, Virginia, Wms. M. Oatman, Bowling Green, Ky., Dr. B. Wood, Bowling Green, W. C. Lucas, Bowling Green, Thomas W. Hilyard, Owingsville, and James H. Hagenbuch, Owingsville, Ky.”

Guides Mathews entered the cave and went east 300 yards and turned to the right, passed a subterranean passage which was 300 feet long and 300 feet wide. The passage was high, took the main cave route passed through a small tunnel and then caved the Church Pathway, which was designated as the “right hand of the God” by the New Church. The route led to the first entrance (here in 1832, and Thomas H. Hagenbuch, Owingsville, Ky., Miss L. P. Trigil, Owingsville, Mr. White, Virginia, Wms. M. Oatman, Bowling Green, Ky., Dr. B. Wood, Bowling Green, W. C. Lucas, Bowling Green, Thomas W. Hilyard, Owingsville, and James H. Hagenbuch, Owingsville, Ky.”

**Students Express Views On Current Campus Problems**

About half of the students of Western participated in the poll on current campus problems conducted recently by the junior class.

Results of the poll reveal that a large majority of the students have, an opinion, and (2) they express them frankly.

The poll reveals the following:

1. Should Western have a pep squad to urge athletic events? Yes ... 300
   No opinion ... 27

2. What are the most important and where students walk.
   a. National Council of selectedv studies and
   help students plan their curricula?

3. What is the most improved chapel?

4. Do you think students should keep the grass in better preserve campus beauty?
   Yes ... 50
   No ... 40

Some voters suggested that ide stripe.

**Terror Takes Survey For National Council**

A sampling survey of geography by the high schools of Kentucky was recently completed by Dr. R. Paul Terrill, head of the geography department at Western for a Committee of the American Council of Geography Teachers.

Results of the survey seem to justify some fairly optimistic statements with respect to the nature of geography.

On the free state training schools; only those at Western and Morehead State had any geography courses. Teacher interest in geography is re...

Students interested in competing for the awards may obtain applications from the Society, 7 West 6th St., New York 17, N. Y.

**Sentimental and Sensible Choice**

**Sisk Appointed Director Of State Publicity**

Appointment of Mack Sisk, administrative assistant to Governor Lawrence W. Withersby, as director of the Division of Publicity, was announced last week by Henry Ward, Commissioner of Conservation.

Sisk, co-editor of the Herald for the 1942-43 school year, has been co-publicist of the Dawson Springs Progress, Dawson Springs, Ky., since 1948 and has had considerable experience in promotional public service.

The appointment results from a reorganization of the state's publicity functions brought about earlier this year by Governor Wathier. The high school department's publicity program line was consolidated with the Division of Publicity in the Department of Conservation.

The division is being expanded to provide services for all state agencies. It handles the state's program of newspaper, radio and television advertising of its tourist attractions, publications in PICTURESque magazine, numerous brochures and pamphlets, and other advertising material. It also provides a news service, to radio and news radio stations.

**Sisk Appointed Director Of State Publicity**

Appointment of Mack Sisk, administrative assistant to Governor Lawrence W. Withersby, as director of the Division of Publicity, was announced last week by Henry Ward, Commissioner of Conservation.

Sisk, co-editor of the Herald for the 1942-43 school year, has been co-publicist of the Dawson Springs Progress, Dawson Springs, Ky., since 1948 and has had considerable experience in promotional public service.

The appointment results from a reorganization of the state's publicity functions brought about earlier this year by Governor Wathier. The high school department's publicity program line was consolidated with the Division of Publicity in the Department of Conservation.

The division is being expanded to provide services for all state agencies. It handles the state's program of newspaper, radio and television advertising of its tourist attractions, publications in PICTURESque magazine, numerous brochures and pamphlets, and other advertising material. It also provides a news service, to radio and news radio stations.

**3 Topper Teams Have Meets This Weekend**

Baseballers Win Opener; Use Two Pitchers In 3-2 Battle

The Hilltoppers nipped a ninth inning scuffling by visiting Michigan on April 15, to take the victory of the double-header appearance on the field this year.

Western Art Splitters looked exceptionally impressed on the mound today they blunted a total of 5 hits from the Michigan attack with the minimum. That one man single pitcher over their setup actuated frame.

Dick King came into the game to see what he could do, and although he didn’t feel as good as Splitters, he only allowed five hits and three unearned runs. An error in the ninth kept the Splitters from establishing a nine hit tie.

**North Almost Fatal**

In a third and final ninth inning down-up better Dick Gorman smacked a double-play ball to Edwin Hyatt with a runner on first. He handled it cleverly and time for King to throw out the second and third so the spoil who footed off the last hitter on second, but failed to provide a made hit to first base. A hit to first base by the next one would have given the ball down two runs across the plate and the ball was down, nine to seven!

King went to third on a wild pitch.

Dick then retired the last on the floor at hand and put across five straight straight away. Now, 3-2, and the next two men were and then himself along with baseball and Michigan scored a hit to hold the ball to the best and sent a sacrifice fly by King to second. Dick then went in on a wild pitch.

**Baseball Teams To See Action**

By Ted Gilre

The Topper spring sport team will be in for a rough time today with tennis, golf and baseball squads hit their Tulip.

David Lipman will terrible the Ball for a baseball game tomorrow afternoon at 2:00 on the baseball field. Although too much is not known about the visitors, the coaches are nothing of a rough job in.

As the price of the season’s older may be Sonny Vale, who in the first two cases hit his fourers five runs for an 180 average. He has scored one and played in two more off of his big hit. The next high at percentage of a player in the regular lineup is Eddie Box, who had a 125 average.

Golfers Have Win These

Western’s youthful golf tournament in all three of their stars this year to Darville today to take on Center. The golfers won their first match against Bravias 8-9, and turned by Tennessee Team on our own course by the same score.

Picking in Western in these two were President Robert Pickel with 19-stroke average per 18 holes. All the other members of the team are Tom Marshall, E. W. Johnson, and Charles Rawlings 94.8.

The Topper winning team, shut out victory over Bravias in their last match with a 16-3, and defeated Middle Tennessee State Tuesday at 210 on the Western courts. Pickel will open his campaign for an Olympic victory going after his 20th victory in 27 years.

After the games he will then take on the Tennessee and Tennessee, another Bobbi player, and the other player in the Tennessee team’s Christmas last year, was robbed of his Olympic honor on those last week when the match scheduled has now been canceled because of rain.

The first crack he will have at him will come next Tuesday when the Tennessee game is held in the O. O. G. tournament which is being held this year and 11.

***our spring season***

By Jack McGee, Spalding,ga.

Lead singer and Beverley Allen are band members giving your contest right ear in ear!"
Baseballers, Beat Milliken, Allow 1 Run

Two McIntoshes were the win-pitcher in the second win of the season for the Eastern Varsity baseball team. McIntosh looked like a catcher and centerfielder in Coach Chet's player this year, according to the coach, and both played, and the one run that was allowed received was unearned.

An error in the seventh and last inning of the game was the only thing that kept McIntosh from claiming a record.

Visitors Get Breaks

The College from Delaware, Ohio, who had run up victories over both Lahain, Illinois, and the University of Illinois, might have gotten hits through the game if they had not received breaks on every baseball opportunity.

McIntosh slipped, as he came off the mound in the second frame on a slow roller to first baseman Bill Mullen, and the batter Roy Schaefer beat McIntosh to the bag. In the sixth inning McIntosh found himself off balance as the drive went right, and a single hit on the second hit.

Dick Auger, for the Milliken, allowed two big hits to field in the seventh inning while the out- fielder, Auger, found himself in the lith- bodied batter. Auger then became the catcher, the batter Mark Light hit a wild pitch by Eddie Wayland, and a single hit by the second.

Auger Led Run Inning Standing

McIntosh then struck out Frazer and Pyle and got the fourth out in the inning and the first run on the base.

The single hit on the run came in the fifth inning on another pass ball, this time on a passed ball by Mullen, and a single hit by Dave King.

Buckley Hit Of Game

The title match to the run came in the fifth inning on another pass ball, this time on a passed ball by Mullen, and a single hit by Dave King.

Yates has been the hitter as far for the Milliken side as for the Mullen and the three singles in as many trips to the plate that have run the game, and got three more batters out of three times in the second frame, and got two runs in and scored a third person.

Mullen helped keep McIntosh out of the game, as the only two batters he plays turned in by the Topper's in-

McLean Hall Wins Volleyball Tourney

The girls from McLean Hall defeated the teams in the girls intramural volleyball tournament in the Western gym April 6, 5-32 was the score.

Tommy Wilson was a key member of the winning team, and a key player in the scoring.

West Hall were the consolation winners by a forfeit.

Wilson was the second in a series of intramural sports between the men's and women's teams.

Tommy Wilson was tournament winner and McLean Hall was declared the senior championship basketball basketball tournament held recently.

Diddle To Coach - Kentucky All-Stars

Coach Bill Diddle will again coach the Kentucky High School All-Stars this year. The game will be held May 14.

It will be the 11th year under Diddle has coached the Kentucky All-Star teams.

Augus Nissen, basketball coach at Vanderbilt, will coach the Indians boys.

Production Made Successful By Hard Work And Planning

BY DR. GORDON WILSON

The production of Shakespeare's "Romeo and Juliet" was presented by the Western Players under the direction of Russell H. Miller on Wednesday afternoon and Thursday evening, April 2 and 3.

The long planning by the players and the English club brought about an audience that had little time to spend in the theater. The performance was not only a pleasant surprise, but a well-rounded performance as well.

Shakespeare In New Light

The private lives of Shakespeare's were enhanced by modern decay as some of his characters were enhanced by the actors he employed for the audience. "Romeo and Juliet" would be dull or "Brave Boy" disheartened that Shakespeare is still alive, that he is alive as modern as one of our own contemporaries.

Through a long period of planning, the cast, Miller was able to make the set, and the set of the listening audience. My new generation audiences are well-balanced and the set is a fine addition to our modern set.

Miss Barbara Downing gave to Port downtown, whereas they are not universal. In no place did she copy from the play of "Romeo and Juliet," but she picked out the finest parts of the show and made them her own with dignity and unforced performance.

The supporting characters did well to copy from the show, particularly Alex Loomis and Lorenzo in the very poetic love scene. Loomis was the finest actor who had been a witness to the show, and he was."

"What's In A Name".

By EVELYN BAILEY

"What's in a name?" is scoffingly answered in many circles with "Nothing." But it meant much more to the Associated Press recently when an AP reporter picked up a copy of the University of Kentucky's student directory. It meant a feature story in the making.

When this story hit the press, a reader remarked that Western might have the material for an equally unusual feature, so the reporter's office set to work. The following are some of their findings:

Here, as at U. of K., the students have more than kept up with the Joneses. They are far ahead with 31 enrolled, as compared to only eight Joneses.

Numerous occupations are represented, and are well provided for. The Cook and the Baker have Rice, Wheat, and Ginger to work with, and there is a Head for the Hersey.

In a somewhat comodified fashion the Runner could be outfitted with Shields and Ship, but the Carpenter is quite properly furnished a Hammer, perhaps for a Newsom.

Other professionals are Turner, Flyer, Weaver, Hanamaker, Dorsey, and Johnson.

Nudler has an Almon and Chest to add to his collection, a mythologist would be interested in Evans, Holm and a Larch, while a florist would claim the Lillie, Pope and Rose.

Since Western is located in a prosperous rural district, it is fitting that we find logs not just Aches and a Fields, but a Goodspeed a week and a month. In this group being also Graves, Hedge, and a Lane.

Looking back a generation we find that our Pigg's Father is a bunch of Gay's Trainers and Farmers.

Names which suggest pairs are Duke and Blinting, Dolly and Janes, Rose and Lock, Long and Short, Link and Burt. If these pairs seem not to fit, they have only to look to Red.

It is pleasing to know that there is a Bond among Western's student body and that this is to be also a Bond.

Darks and Hope are both working for their place in the future, and Holksby is seeking a place, too.

Other oddities by registration that share the college registration list are Ditto, Coffey, Buckhower, Coke, Lipp, Magpie, Pickel, Pearl, Rainey, Dale, Vic, King, Thornburg and Weis.

On the celebrity list we find Disney, Dunbar, and Wimpy.

If we really want to get sorry, but truthful, we can say that we are here in sympathy with Dunn and Swall.

OFFERED SCHOLARSHIP

Mrs. Russell Allen, senior physics and mathematics major at Western, has accepted a teaching position in the physics department at the University of Kentucky in physics.

Mr. Allen plans to start work on his master's degree in September at U. of K., after completing his B.S. degree here in June.

Plans Being Made For Open Shop

Preparations are now underway for the annual open shop in Industrial Arts which will be held Wednesday and Thursday, May 20, 21.

Open shop, sponsored by the Arts and Crafts club, is an annual event held each year at the conclusion of the spring semester in the Industrial Arts building.

Open shop is just what the name implies—the doors are thrown open with an invitation to all students, faculty members, and alumni of Western Green and surrounding communities, to come for a visit with the Industrial Arts department—see what the department is and the work which goes on there.

Three door prizes will be given during open shop, now in the process of being assembled. The first place is a modernistic coffee table of maple wood; second prize is a mahogany end table. Third prize is a hand-painted leather portfolio. Souvenirs, in the form of notepads, will be given to all visitors.
