Dean Announces New Courses In Commerce Study

Western has organized a four-year bachelor of science degree in the general business field of business education for teaching commercial subjects in high schools. The new curriculum was first act at the state college and its development was made by Dr. F. H. Hessian.

In addition to Western's field of instruction in commerce, the currculum wiil meet the requirements for a general professional education at Western. The technical commercial courses will remain.

Students following this curriculum will be prepared to secure employment at Western and the degree will be available to them.

Kentucky students now have the opportunity of obtaining a business medical training at Alabama Polytechnic Institute or to attend Indiana University.

Students must complete the general commercial courses of the school. It is admitted, Kentucky students are doing that. They do not pay out-of-state tuition.

Western has recently organized a new department of commerce and education, the new department will require all educational requirements for admission to the School of Commerce and Industry at the University of Kentucky.

Heraldists, MacKinnon, Mary Deed, and Marian Lane are the executive editors. The executive editor of the Herald is Richard Marshin. English major Sanford Cox is the new class editor and club editor.

The reporting, all members of the journalism class are: Fred Smith, Wesley Blackwell, Franklin Bailey, Max Judlow, John Zimmerman, Thomas Cunningham, Sara Davis, Max Davis, Herbert Griner, Rodney Ginn, Jr., Kenneth Lindsey, William McCollum, Bill Miller, Billy Ogles, Hulon Pate, Thomas Florence, David Parker, Martha Wade, James Yoder.

Published every other Friday, the paper is a continuation of his high school work. The paper is published by the Heraldists, a group of students who are interested in journalism.

Religious Emphasis Week Will Start November 3

The Rev. King Vanham has been announced as the speaker for Religious Emphasis Week, which is scheduled for November 3-7. Mr. Vanham formerly of Nashville, has been the pastor of the First United Methodist Church in Louisville.

The theme for the week has not yet been chosen, but it has a definite emphasis of something in that direction. The program will consist of chapel programs, sermons, and individual conversations with the speaker.

Li. Col. Harry G. Peterson

In 1941 he returned to the United States as an instructor at Air Tactical School. Later he commanded a fighter squadron.

With the outbreak of the Korean War on June 28th, he returned to the Air Reserve in order to participate in the operations. This squadron has been assigned to the Second Fighter Command, based in the heart of the Far East. The 1st Air Reserve Squadron has never been so active.

From Korea, Colonel Peterson went to Japan, where he was in charge of a relative flight for more than a year.

In June of this year he returned to the U.S. and as his first assignment came to Western's A. B. O. T. C.

Colonel Peterson will make his home in Bowling Green with his wife Sally and two children, Claudia and Graham.

The Air Forces Reserve Officers Training Corps at Western operated under command of Air Force Reserve Command. Until this year, Commanding Officer was headquarters for all AFOC units.

Western Welcomes New Dept. Head

William C. Lawton

William C. Lawton, a native of Berwick, Pennsylvania, is the new head of the Department of Economics and Sociology according to an announcement by Dr. Paul J. Darrah.

Mr. Lawton succeeds Dr. Karl Ashburn, who resigned in order to accept a business connection with his brother in Ft. Worth, Texas.

Mr. Lawton obtained his undergraduate training from Rutgers University and the University of Texas. In 1938, with a major in economics and a minor in sociology, he received a Ph. D. degree from the University of Chicago. The subject of Mr. Lawton's Ph. D. degree dissertation, submitted to the latter university is "The De Fants: A Study of Kinship in the Business Organization."

A naval officer in the Pacific during World War II, Mr. Lawton commanded infantry landing craft in New Guinea, the Philippines, and the Solomon Islands, participating in seven combat landings. In the United States, he is the recipient of the Bronze Star.

In addition to his high school education, he has taught at Louisiana University, the University of Houston, Allegheny College and the University of Purdue. His wife is a native of Texas, and he is the father of a son, William D. Lawton, who received his M. A. degree in Business Administration from the University of Texas and is a graduate of Harvard College.

Western Players' 1952 Officers Recently Elected

Mr. Robert H. Miller has announced the names of the new officers in the direct control of the Western Players. For this season, Allen Allen, a junior from Brentwood, has been elected as President. The officers elected, in order of their election, were: President, Allen Allen; vice-president, Paul Kersnowski; secretary, David Mitchell; and treasurer, Shirley Ribber, a junior from Johnstown, Pa., and treasurer, David Mitchell; and treasurer, Johnstone, Pa., and treasurer, David Mitchell; and treasurer, Shirley Ribber, a junior from Johnstown, Pa.

These officers opened Western Players' first meeting of the season at an open house in the Faculty room on Wednesday, September 21. To the people who attended, all students were interested in any form of the theater.

Awards were given to the four outstanding Players during the past year at an Award's Dinner Dance held at the Armory Inn last year.

The people receiving the awards were Sarah Downey, a junior from Mount Saint Mary College; John Snow, a junior from Los Angeles; and David Allen, a sophomore from Los Angeles.

Mr. Miller and his staff plan to present "The Night of January 14th," a melodrama; "The Undesirable," a comedy; "The Merchant of Venice," a musical; and "Ring Out, Sweet Land!"

Mr. P. L. Sandifer made a trip through the Smokey mountains and down to Dekta, Ala. where he visited his daughter.

cation at Peabody College and a
noted author, it was disclosed that
more physics majors from each of
Western’s physics department go
to graduate school than from any other
physics department in the United
States.

Prof. George Page, head of West-
ern’s physics department, said to
a Herald reporter that the stu-
dents who have been doing grad-
uate studies are doing good work.

While on a trip this summer, Mr.
Page stopped at several colleges
and was asked at each if he had any
more boys to send them.

Marvin Russell, a Western gradu-
ate, who is studying, is a scholar-
ship at the University of Florida, has
been put on a research program. While
on this program he will be able in
very a few weeks to put for his work on the program. In this manner
he will continue his college work until
he receives his Ph. D.

Page also states that the
Western’s physics department
has been doing work for the
General Electric in Overbrook.

Among those working for George
at Electrical are Claire Hopper, Ral-
ward Flores, and Fred Lewis.

Mr. L. Smith, head of the Indus-
trial Arts Department, will
attend a meeting of the Midwest
Industrial Arts Teachers at Richmont, Ill., on the 26th.

The meeting will include teachers
from Western, Mattox, Murray, and Morehead.

This important young man is in AMERICA TODAY.

Who is he?

This chap represents thousands of young, red-blooded sons of
great American families. He’s ready to stand on his own, to
carry his share of responsibility. He’s preparing for a bright
future and desires to train further toward his success. He
wants peace, security, and a full life for his family and home. If
need be, he is ready to defend his rights and his country.
When called on to serve in defense of American liberties, he
will be fully trained and equipped to fly and fight with the
U.S. Air Force.

This is what he will do—

Today’s college man will plan to stay in school and graduate if it is all possible. If he is faced with the necessity to enter the
service and possess at least two years of college, he will enlist as an Aviation Cadet. And, if he is at least 16 years of age
and has earned at least two years of college credits, he will
enlist in the Air Force as an Aviation Cadet. He will enroll in the
Aviation Cadet Training Program and will receive immediate processing for his assignment to training. By enrolling
for an Aviation Cadet application now, this Most Important Young Man in America Today will help bring about a peaceful tomorrow.

James C. Cole, A. B. '37, and James Hult, A. B. '38, M. A. '39, former students of the Foreign Language department of Western, have spent the past summer traveling in Europe. Mr. Cole left the United States in June, and Mr. Hult reached France in July. They will not return to August to accept an invitation to take an automobile tour of Southern France and Italy and to visit Switzerland and a French exchange student who left last fall for Indiana University last year, remained in France for further study.

Former Westerners Head Association

It has come to the attention of the Herald that all of the new officers of the Westerners Association for Health, Physical Education, and Recreation are former Westerners. Mr. Bert Miller, Health Supervisor Davison County schools and now President of the organization, received his degree from Union College. Former faculty members here President-elect is Betty Laugel, an associate professor of Psychology at Michigan State University and former Secretary of the association, now with the State Department of Education, received the B.S. degree from Western in 1939.

Westerner Gets Award

(Editor's Note: The following article on Otis W. Allen, B.S., 1927, is excerpted from a story appearing in the Greenwood Commonwealth, Greenwood, Ind., July 23, 1932.)

The Fund for the Advancement of Education by established that the Fund Foundation has awarded Otis W. Allen, science instructor at the Greenwood High School, a $2,500.00 fellowship for the purpose of studying "The Status of Science Teaching," according to information received by correspondent of City Schools W.B. Drubbin. Allen was selected by a local committee as a candidate for the fellowship which has been offered to all public schools throughout the United States.

The fund was originally established by the Ford Foundation in 1931 for the purpose of improving formal education at all levels. It was first confined to teachers in colleges and universities, but suggestions from many quarters have urged that high school teachers be given a similar opportunity. The plan now designed to enable teachers of high school level and give the recipient a chance to devote an academic year away from the classroom to activities that will extend his liberal education, improve his teaching ability, and increase his effectiveness as a member of his school system and his community.

As specified by the fund officials, a local committee was appointed by Superintendent Drubbin for the purpose of selecting the candidate. The committee was composed of 10 men and women, and their selection was Otis W. Allen.

Candidate Allen was then required to make an outline of his qualifications, accomplishments, and his plans and activities under the fellowship should be accepted.

After compiling all the pertinent information and studying an outline of study, Allen submitted it to the board committee on High School Teacher Fellowships which is headed by L. Nelson, principal of the Board of Education High School Teachers Fellowship, in New York. The board committee for the fund studied the information and found the plan of study and forwarded the following recommendation to Drubbin.

"We are pleased to inform you that the National Committee on High School Teacher Fellowships of the Fund for the Advancement of Education has taken favorable action on the recommendation of your local selection Committee. A copy of the letter of notification, from the Funds for the Advancement of Education to the fellowship recipient is attached for your information and action with your local selection Committee.

Two Western Cadets Chosen Leaders

Jim Price and Curtin Logan were two of the five cadets chosen to make outstanding leaders among two-hundred prospective officers on July 29, 1932, the last day of one month's encampment at Maxwell Air Force, Montgomery, Ala. The two hundred cadets were divided into five flights at Gunter Field. Each flight was observed by specified Air Force Officers during the month's encampment, and one man was chosen from each flight upon his qualifications to lead men and to obey orders.

The two hundred cadets paraded into the air strip at Maxwell Field that hot Monday morning. The squadron was called to assemble, and those to be decorated were called forward. General Edwards personally awarded the citations to the five men in the presence of many high-ranking Air Force Officers.

Big Red Wins
Their First Game Of The Year

Led by the sparkling play of
several Buffalo Buccaneers, the
Big Red came from behind three
times to knock off the Blue Saints
Middle Tennessee State in the first
game of the season by the score of
38-18 before 3,000 excited fans, the
Westland Stadium.

After the Halider quarter
John B. Phillips picked off a touch
down pass in the first quarter
and passed it to the left. The
Big Red game is only the Big Red
for a total of 14 yards gained.

The Tennessee were back
Jiminy Peak.

In the game of the season
Against Middle Tennessee State it
was the year of the Boise of

over a third of the spectators had
left the field and third had a good

Buster Tandy, who had been
energizing the Hilltoppers. But little
did they think that they would

rally down the field and reach
the end zone. But when they did,

and the Maroon blockers picked
that pass out of the air as if he

aid Peak was going to win the
tail game just as Jimmy Peak was

just waiting for the right opportu

tunity. That tied it up; the extra point
split the points with each equal
and the game was over, 14-13.

This play, which is certainly a
once in a lifetime, is, perhaps, to
say, the highlight up to now

Jimmy's seven-year career as a

Football player. A career that has
drawn to an end when he was an
All-Baller at Barstol High School in Blythe

The lead being played off in
of the blue. The Boise couldn't

decide just why the references
called so many pressures against the

Big Red for delaying the game.

Thus, at this point it seems
filing that this was the line of

strike on the quarter-mile

white, and after the
time, a five yard penalty

is called for delaying the game.

Caswell's had used up all of their
time-outs before the end of the first
quarter.

Riders' spirit, and in the final period it showed as the Toppers marched again. This time 40 yards in the 30-yard line where Peak hit Hill Fournier with an aerial as he fought his way to the goal-line with the final score.

Jim Benford was another big gun in Western's attack as he carried off 25 yards in the try for a 3-3 average.

The Hilltoppers won't be seen in action again in the Western nation until October 18, when Southern Louisiana State College invades the campus. Next Saturday the Toppers play at Murray in an important conference game.

Speaker Stresses
Productive Age
That college graduates of 1932 are entering into an age which may prove to be one of the most productive from a cultural and physical standpoint that the world has ever known, was stressed by Dr. Drake W. McCall in the biographical addresses given to the 64 graduates of the College of Liberal Arts at Western on July 29.

Dr. McCall is also pastor of the Southwestern Presbyterian Church in Louisville, and people throughout the ages have come to realize that the greatest values in the world are found in the minds of the people. The world situation might appear, the attention is never hopeless. Wherever the future looks the more beautiful, there always follow greater accomplishments that have been known before. Dr. McCall declared.

Some 3,300 persons attended the summer program at Western.

English Dept. To Present Speech Contests

Continuing the tradition of which the student body and the college is so proud, West ern's English department again will present the national Oratorical contests under the supervision of Prof. R. H. Miller.

This year for the first time, all of the finalists will be the partially- or originally-told tales from ten to fifteen minutes in length.

On February 11, 1952, the American Association of University Women's Oratorical contest, which is open to all Western's entering young women in the freshman through the senior class, will be presented for the third consecutive year, and the winner of this year's contest will be awarded a beautiful trophy cup by the local representative of the A.A.A.W.

The junior and senior young men of the campus in an effort to win the coveted Orpen medal will enter their ideas of orations on March 6, in the Oplin Oratorical center.

The Oplin will be followed by April 1, by the Speaking and Dramatic contest in which the freshmen and sophomores young men of the college will participate in hopes of winning obedience.

The winners of the A.A.U.W. Oplin Oratorical, and the Speaking and Dramatic Declamation contests last year were Mrs. Edith L. Johnson, W. E. Benes, and Jerry Parker.

Entries For National Poetry Contest Now Being Accepted

Entries are now being accepted for possible publication in the Annual Anthology of Chicago Poetry. All college students are invited to submit original verse to be considered in this tenth year of college competition.

Sponsored by the National Poetry Association, this annual contest results in credit and recognition on the author as well as the college representing him.

Rules for entry are simple. All manuscripts must be typed or written in ink on one side of a sheet. Student's name, home address, name of college, and college address must appear on each manuscript.

Entries may submit as many entries as is desired. Themes and forms are left to the discretion of student. Shorter poems are preferred. Send all manuscripts to National Poetry Association, 325 Bel- hy Ave., Los Angeles 34, Cal.

Mrs. Frances Cheney To Be Speaker At TDEA Meeting

Both are much milder with than extraordinarily good taste and, from the report of a well-known research organization — no unpleasant after-taste.

Both are exactly the same in all respects. There is absolutely no difference except that king-size Chesterfield is larger — contains considerably more of the same tobaccos enough more to give you a 21% longer smoke, yet costs very little more.
