Western Meets Murray To Open Debate Season

Western's Intercollegiate Debate team has action for the first time this year when they meet Murray State College at chapel in Van Meter Auditorium last Wednesday. This exchange of ideas in debate form opened Western's season of eight intercollegiate debates. In the coming weeks, Western plans to meet Murray, Centre College, the University of Louisville, and the University of Kentucky in their annual series of exchange debates.

The national Intercollegiate 1952-3 debate topic: "Resolved: That the Congress of the United States should enact a compulsory Fair Employment Practices Act," will be used throughout the series.

At the A.M. Wednesday impromptu session in Van Meter Auditorium, Western's affirmative team, composed of William E. Wright, Plungian, and Thomas T. Pogue, Bowling Green, engaged Murray's negative team, composed of Charles N. Cooper, President; Edward F. Pogue, Bowling Green; and William F. Wilson, President, in a series of 15 minutes of debate. The affirmative team scored 20 points in favor, while the negative team scored 5 points against the resolution. Murray's team won the debate, and will meet Western again next week.

At his American debate in Cullum Hall, 1944, he was hailed by the New York Times as "one of the greatest American debaters of the day." Since then, audiences throughout the United States and Canada have had the opportunity to judge him as a debater, and they have found him to be a highly skilled debater. His records show that he has scored a total of 25 points in favor, while his opponents have scored 15 points against the resolution. **Charles Shields Returns From Trip Abroad**

By Nancy Atkinson

January 21, Wednesday, 1953 - Shields, a former student of Mr. and Mrs. Vinyon Shields of Creston, will return from his foreign trip and continue his education here at College Heights. He will enter the English major and graduate in the spring.

Mr. Shields, who went to England on a Fulbright Exchange student scholarship, arrived in England in July and arrived back in that country in August.

He was employed at the University of London and six weeks, then went to Wales for a month. On October 30, he went to Scotland for five days and then to France for a similar period.

On October 30, he crossed the English Channel to Germany and later went up the Rhine river to Cologne, Germany, Paris to Brussels, Belgium. Returning through England, he returned to France, the return trip to the United States.

Mr. Shields confirmed that he was not disappointed with his English study, a case with which he could converse on the street. To him the study had experienced some difficulty in understanding the language. Little English is spoken in Wales.

Mr. Shields is a student to a large extent in attendance in Britain. Teachers should report them to the Dean of the Study for adjustment and how to make the class if possible.

He believes that church attendance is necessary in their lives. He finds his foreign trip enjoyable, not only is it enjoyable to him, but it is enjoyable to all the students.

**Grizzly Bears And Big Talk Are Just The Thing in "Alaska"**

By Berry Price

Berkeley, CA - California students are immediately sucked the reader.

The Midnight Sun is a small serpents of lectures on sections of the pot, which was steeped in the original poem, and, at the same time, the original story in writing it. Here is a synopsis of the story of June 1896. Space and limps grew the green gold.

Mr. Halton wrote the poem in a few minutes. The Sections on lectures of sections of the poem, which was a clipping from the newspaper "Alaska," was an excerpt from a ten-verse poem entitled "In Alaska."

Mr. Halton was not a student of the poem, but he wanted to write something about his experience in Alaska. He decided to write a short story about his trip to Alaska. However, his poem is not without merit, but it was just an attempt to give the reader an idea of the majesty of Alaska. His poem is not without merit, but it was just an attempt to give the reader an idea of the majesty of Alaska.

Western Edges Murray Quintet In OVC Tilt

The Murray Thoroughbreds threw a mighty scare of the Western Mustangs Tuesday night by playing them a tight ball game for four quarters before bowing out respectfully in the final minutes. The Toppers still just managed to beat their old rivals, five points to four, as they held them off to the wire on 36-31.

A more-than-crowd of 500 fans filed into the venue of seeing another good game in the one played in Ohio by Coach Doddie called down to the end of the bench for "Beverd." Moj raftly ripped his jocks off as he rushed up to the coach for last minute instructions. But Coach Doddie never took his eyes off the players on the court as he calmly said, "Beverd, keep on eye on the scorer, I think he's cheating us."

Coach Ed Diddle

Friends of Coach Ed Diddle will be glad to hear of his continued improvement following a heart ail-

improving his arm last week.

Since the last few days, Coach Diddle has been seen frequently making his usual rounds of the

campus. He has been conducting some

seamlessly with a speaking engagement

for the Bowling Green Lions Club.

Western opened fast to lead by so many as twelve points early in the game, but the Bonnies came

back to the second quarter to take a brief lead to their own. The Toppers maintained with three

quick baskets just before the half made a 29-18 margin at the interval.

It was in the second half that the Toppers literally exploded to outdistance the bewildered Bisons by 35 points in the final 30 minutes of play. The last-breaking Toppers solved the Bonnie offense and fas-

hioned a positioning attack of their own to completely dominate play in those last two quarters.

Almost every member of the Western squad broke into the scor-

ing column in the great team victory. Dan King contributed a game high 36 points, with Marshall, Speledra, Cole, and White follow-

ing the big red-head in the scor-

ing column.

The important victory cemented Western's position as one of the leading ten teams in the nation, and

marked the end of a string of eight straight games on the road.
