Evaluation Board Visits Western Students, Faculty

Western has been host to six visitors from three different states. As a member of the American Association of Colleges for Teacher Education, we have two representatives with us this week. They are Dr. Harold Prue, Professor of Student Teaching, Austin Peay State College; and Mrs. Louise Cole, in charge of certification in the State Board of Education, Frankfort, and also a Western graduate.

Last spring the faculty of the Training School and of Western were invited to investigate and report on the work of the college, the student personnel services, the teaching loads of the faculty, the physical plant, the laboratories, the advanced professional programs, the library, and the student activities. From each of the various committees representing the student body and faculty.

After months of investigation by the faculty and the student representatives, reports were completed. This week all of the results, in the form of reports, were given to the visitors and committee.

From Monday through Wednesday, the visitors were in residence with the faculty and students in classes, laboratories, the library, dormitories, the student union, other buildings, and on the various campuses.

We feel that we have learned and improved through the joint evaluation program. We also believe that we have given the visitors some helpful ideas that they can take back to their respective colleges.

Western To Meet Morehead Tomorrow Night

Western takes on Morehead tomorrow night in a final warm-up game before their regular season. Morehead will come to the hills with a fine football team which has already beaten Murray.

Last year the Yagers trounced Morehead in both meetings of these two teams. Morehead in the Sugar Bowl Tournament last year 56-8 for third place.

Another highlight of the Wildcat season last year was when they whipped the Dayton Flyers 56-8 in the season.

The Easter Musketeers will bring a team to the tournament that won 11 and lost 12 last year. They played at the University of Louisville twice in the 1955-56 season, winning one and losing one. The Catamounts also split with Eastern and lost once to Villanova on the latter floor.

The manager of this year's Musketeer team is Bob Heins, a forward who last year scored 20 points in 28 games for a 13-point average. Coach Reed Woolwine is bringing an experienced outfit to the tournament for the season, and that would not leave anything better than to defeat a Kentucky team.

Although the University of Houston won't have the best record in the tournament, that has a losing season, they ended their schedule in a blaze of glory with victories this years tenth ranked team. Oakwood A & M, Texas A & M, and Wyoming to take out the good place in the tough Missouri Valley Conference.

They also defeated Murray last year in the Tournament which as Western knows is quite an accomplishment.

Houston's first five players are all back from last year, and with two years experience together they should be quite a team to conquer this season.

College's biggest threat this year, according to their 1955-56 schedule is 300-pound, six foot nine inch giant Frank King. King last year for Western at the University of Chicago scored 20 points last year, and should make an athletes in yesterday's games.

Stevens, Eastern last year's first player, will get to Villanova, the only games played against participating teams in the conference are those of the University of Louisville.

Diddlemen Start Season With 5 Wins; No Loses

Now that the fall sports season has been completed, the work has been a bit in the hill is basketball. And it's not any wonder, as the nation's number seven cage team has taken the floor five times scheduled engagements, and has been victorious in a seven outings.

The wins so far have been impressive, none at that, as they roll up an average of 83 points per game. The squad of seventeen includes: Delaware College, Kentucky Wesleyan, Westmoreland Ad

Diddles will travel to Cincinnati Tuesday to clash with the University of Cincinnati, the first leg of their eastern swing. The Bearcats of Cincinnati will be out to revenge the two defeats handed them by the Yagers last year. College Hi Cardinals Win Opener, Lose Next Three

A flashy and slick "College" High basketball team passed and shot its way to a season's record.

Leslie, 22, in the Westover game Friday night November 30. Billingsley and Franklin were stand-outs with their quickness and de-            nce.

Dick Peters led the "Card" scoring with 12 points. Three others all were in double figure; Billingsley with 19, Jack Norman with 18 and Franklin with 11. Coach Oklah-            omen's other starter was Sophomore Guard David Denison.

The "Card" held Leslie's top scorer, 6-3 Frank Davis, to four points in the first half and ten in the last half.

The final score, Cardinals 96, Lemonaires 56.

In the Cards' second outing of the season they were defeated by the fifth regional champs, Allen Coun-            ty, Allen County with its patented "deep-freer" and the brilliant play of guard Keith Grant and Ten-            ncy Long made the Cards 65-51 Tuesday November 30.

One of the region's most accurate shooters, Billingsley, scored 12 points on a remarkable 6-for-11 from the field. Without him the game would have been a rout.

Allen Grant and Long tagged 16 points scoring all but 2 of the total points. Jackson, Devecak and Ke-            inback folder scored 7.

College High lost their second straight to Camp-            belleville Tuesday, December 1. The Cardinals now own a 2-2 record.

Howard Grant's field goal with five seconds to play handed Camp-            belleville High a 45-42 victory over the Cards. College High had mov-            ed in a lead lead of five seconds be-            fore on Sophomore David Deni-            son's two free throws. College Hi-

The Cards' Jack Norman then blocked a Campbelleville shot and the Cards were able to gain the ball out of bounds with five seconds to play. The Cardinals missed on their de-            fensive signals and Rice canned his shot with no time to spare.

Stand out for College High was Dick Peters with 16 points on 12 fielders and four free-            tes.

College High lost to a tough Morgan-            town hall club last Tuesday night 60-45. The Morganatown boys, coached by Western graduate Bill Warren hit on a good percentage from the floor while the Cards hit a low 26 per cent.

High scorer for the Cards was Grant with 12, followed by Miller, Williams, and Denison with 7 each.
