Your Advantage

In addition to providing each prospective Western teacher with the necessary background to instruct, Western and the community have those students who may secure employment in positions suited to their fields. This is possible in a number of years and its advantages are often overlooked.

All Take Part

In order for anyone to be a success it is necessary that everyone concerned pull into the same boat in an equal amount to that which they expect to receive. This is true in a particular case hand in hand.

Well Done

Two weeks from today Western's Air Force ROTC Group will be undergoing Federal Inspection. This day marks the end of the unit to maintain the high degree of proficiency that has been attained.

IT'S ALL A MATTER OF TASTE

When you come right down to it, you smoke for one simple reason... enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco... light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better... always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

Western Closes Season With Single Defeat

Western finished its regular season with a 7-7-1 record, one loss, and one tie. The Western players were picketed for the tournament tickets. Art Gifford was the first to walk out to receive his All-Tournament award, and his selection was largely based on the first-half performance he turned in against Evans in the tournament. The Maroon's coach, Paul McGroarty, saw through different men at 34 points for the night.

...so full of action that you'll be on the edge of your seat. The story is about a man who has a beautiful wife, but is also interested in another woman. The wife finds out and tries to stop him. The plot is well written and the acting is good. The costumes are also very nice, especially the wedding dress of the main character. The set design is also very well done, with a beautiful garden and a large clock. The music is also very good, with a catchy theme song. Overall, this is a very enjoyable movie that I would recommend to anyone who likes romantic comedies.
