Dr. Harmon Talks At Founders Day
November 16

Dr. J. L. Harmon, past president of the College Heights Herald and six-term member of the Board of Trustees, delivered the dedicatory remarks at the Founders Day Chapel on Wednesday, November 16. Chapel was preceded by President Thompson.

Founder’s Day is observed each year as nearly as possible the birthday of the late Dr. J. L. Hurley, founder of Western and President of the institution until his death in 1897.

Eight members of the Western Board of Trustees, administrative staff, and the College Heights Herald Association for twenty-five years or more were present.

Those receiving plaques this year were: Dr. J. H. Martin, late Dean of Geography department; Mrs. Her- rington Martin; Miss Hettie Taylor; student instr.-sor, Miss Sara Tay- lor, 1925-1939; Assistant Professor Andrew, 1926-1929; Professor Anderson, 1925-1935; History de- partment head; Dr. Earl A. Moore, 1926-1930; President Thompson, 1927-1928; and President Thompson, 1925-1950, former education department head, 1920-1923, Placement Officer, and Trustee, 1943-1949.

President L. C. Curry, president of the Western Alumni Association, made the presentation.

Miss Elizabeth McWhorter and Dr. Earl A. Moore were present.

The program, the Western Alumni Association acclaim, and the Alumni Pledge were presented in a song titled "College Heights.”

Clinic Clinic will be held the same at Western as in previous years, and the last two years as the Lexington Music Festival.

The features attractions include the Western Alumni Association Clinic, the Music Clinic, the Kentucky Chamber Orchestra and various clinics for music majors.

Two clinics of the Western Alumni Association Clinic will be held for the same at Western as in previous years, and the last two years as the Lexington Music Festival.

The features attractions include the Western Alumni Association Clinic, the Music Clinic, the Kentucky Chamber Orchestra and various clinics for music majors. The Western Alumni Association Clinic will be held November 1 and 2 at 9 a.m., and the Music Clinic will be held November 2 at 9 a.m.

President Thompson Honored At Dinner

Residents of Bowling Green and Warren-County, joined by numerous friends and associates, gathered Saturday evening at the Hotel to honor Dr. J. L. Harmon on his 60th birthday. The party was filled to the brim with guests, and the evening was a success.

The occasion was a banquet at the Hotel, attended by some of the persons communicating the proclamation: "Renowned as "Katelyn Thompson Day.”

Governor Wallerfield said, "We wish for him and his wife a happy birthday and we pray that he may continue to lead us in the right direction.

In answer to the governor’s remarks, Thompson said, "I pledge to you that we shall seek to develop as a national society dedicated to certain specific things.

"Western is truly one of the great institutions of our nation, it must remain so. It is our duty to help it become a national institution, and I am doing the best I can to help it.

"I am happy to see the progress that has been made in recent years, and I am proud to be associated with the college in every way.

"I am confident that Western will continue to grow and to prosper, and I am looking forward to the future.

"The city is in a great period of growth, and I am proud to be a part of it."

The banquet concluded with a toast to the college, and the evening was a success.

Our Obligation To Western Alumni

Homecoming weekend is here, and most of us are ready for the football games, bonfires, dances, football bands and all the things that go into making a homecoming.

But, homecoming is not primarily a big holiday for the residents of the Hill, but it is what it names implies, a homecoming for the Western alumni. This is the time of one of our most enjoyable rallies, when alumni return to the Hill to see what it is like when we have a duty to perform.

At a poorly attended pep rally, held before the Western Alumni Basketball game, President H.W. Smith brought out this problem by stating that we are "playing the part of hosts this weekend, and it is our obligation for a proper reception for our alumni." He said that our smiles and greetings would mean more than the most elaborately conceived and colorful publicity program.

Today and tomorrow hundreds of returns will come to the Hill. These alumni are a vital part of Western, for without them the Hill could no longer exist. They are not ordinary people, they are leaders who we can justly be proud of. "We fill" of leaders in all walks of life and in all fields. It is our obligation to let the alumni know what they can expect from their beloved Western and that we are interested in them. In the rush of activities of today and tomorrow, let us take time out to do this small but necessary thing.

KENTUCKY BUILDING NEWS

October had been a busy month in the Kentucky library. In addition to the usual activities of study, the library regularly picnics, has its annual dinner, and goes on a trip. Working on historical and genealogical research, they find a great many books in the libraries of Columbus, Florida, and California. The library of the Kentucky Historical Society, which has the greatest amount of material on the state, has a large number of books on the state, and is the only place where a state library has its own collection.

October 1st was the last day of the fall quarter. October 1st, 1931, is now the preliminary work on a history of Logan county which he hopes to complete within the year.

One of the most important activities is the book sale, which is expected to bring in nearly $500. The books are carefully selected, and the money is used to purchase new volumes.

Carver, curator of the library, will help you make a selection. Contact him any time the Kentucky Building is open. The library is open Monday through Friday, 9 to 12, and 1 to 4. Saturday hours are 9 to 11 a.m. and 1 to 4.

The museum is open Sunday afternoon from 1 to 4 p.m.

Debate Squad Begins Action

Western's Inter-collegiate Debate squad went into action this week with its first try-out round of debates. The debates were held at 4 p.m. in the Paul L. Garrett Student Center on Tuesday, Wednesday, and Thursday. From the panel of judges who were present, the Western debates will be judged. The judges will be the basis for determining which students will represent the college in tournament debate.

Debate Coach Russell M. Miller has accepted invitations to the Kentucky Debate Tournament to be held at the University of Kentucky on December 3, as the first trip for the Western debaters. On December 8, Western will inaugurate a tournament of its own to be held annually on the campus. Invitations to this tournament have been accepted by Vanderbilt, Tennessee Tech, Middle Tennessee, Murray and David Lipscomb.

The original drawings for the first round pairings were: for Tuesday afternoon, Affirmative-Adair J. Maloney and George Rocket; Negative-Nell Hays and Jim Cryer, for Wednesday afternoon, Affirmative-Bob Stroh and James C. Gash, Negative-Herman Lane and Boyd Thomas, for Thursday afternoon, Affirmative-Bob M. Curley and James Johnson, Negative-Ellis Johnson.

The national collegiate topic "RESOLUTION: That the non-agricultural industries of the United States should guarantee their employees an annual wage" will be the subject of the tournament as well as the inter-collegiate match.

Beta Club Elects New Member

The Beta club, honorary society of College High, elected new members yesterday. The following were voted in as members for membership in this organization as a "B" rank: Ralph Amos, William O'Connell, Frank Mesler, A. M. Pennington, Dave Bird, Mary Davenport, Joe Terry Ray, Henry McNeely, Bill Lee, Tom Lackey, Bette Brown, Mike Spaulding, Essie Ladan, William Stewart, John Porter, Lucy Schow, Miriam Byars, and Betty Blair. Miss Pam Holland is sponsor of the Beta Club.

Raymond Ward Has Valuable Document

Raymond T. Ward, a senior from Park Hill, has in his possession a land grant signed by Gen. Washington at Valley Forge in 1783. The deed, written in a cursive, eighteenth-century hand, bears the property of Raymond's aunt, Miss Margaret von Albrecht. Miss Von Albrecht received the deed from her father, Hamilton Stock, who was a surveyor in Ohio and Butler counties. Mr. Stock obtained the deed in connection with his surveying duties, and it has been transferred by his daughter for many years. She has kept it carefully wrapped in a leather case.

In this deed, Patrick Henry, Governor of Virginia, granted Samuel Madison and William May a tract of land containing 2400 acres. At this time Kentucky was still a part of the Commonwealth of Virginia and contained only three counties, Louisa, Fayette, and Jefferson. The deed expresses the faith that the Colony of Virginia has in this Valley of the Ohio, which is held for the benefit of the people of the Commonwealth.

College High Debaters Give Program At Congress Debate Club

"That the Federal Government Should Guarantee Higher Education to Qualified High School Graduates through Grants to Colleges and Universities," was the resolution of question presented by the College High Debate team at the Congress Debate Club. Mary Frady and Roger Simmons presented the affirmative side of the question, and Domenic Fawcett and Lorraine Curry gave the negative side.

The Congress Debate club served as hosts to the debate, but no single decision was made.

Faculty Works On "In Service" Training Unit

Several faculty members have reported that they considered consultants at conferences held in the Psychology Department.

Dr. W. S. G. Moore, head of the Education department, and Mrs. A. McNaughton, head of the Psychology department, were consultants at a conference held by the Canadian Psychological Association.

The conference was sponsored by the College in a "Twelve Grade Program" called "The Twelve Grade Program in Education".

Dr. C. S. J. Jones, head of the Psychology Department, and Miss M. R. Taylor, of the Training Department, were selected to be consultants at the conference in Princeton, New Jersey on October 31. The T. T. S. Program was discussed at each of these meetings.

Fred Ball, head of the Psychology Department, served as a consultant at the conference in London, Ontario on November 3. The conference was held by the College of Education.

Dr. W. S. G. Moore was at Lebanon to discuss a graduate seminar on emotional records.

Chairman's Leads Discussion At Geography Meeting

Dr. Paul B. E. T. Russell, head of the Geography Department, chairman of the Committee on Geography Education, gave an informal panel discussion on "Learning in the University" at the Board of Education meeting. The first annual meeting of the national council of Geography Educators will be held at the College next year.

The panel discussion included topics on "Learning in the University" and "Learning in the Community".

Smith Attends Industrial Arts Conference

Mr. L. T. Smith, head of the Industrial Arts department, attended the 40th Annual Industrial Arts Conference held in Chicago at the Laddie Hotel, Nov. 21-22. The conference is sponsored by the Illinois Department of Industrial Arts and by the organization of Illinois State College of Education.

He attended a session on "The Future of Industrial Arts Education in Illinois" and "The Future of Industrial Arts Education in the United States".

Mr. Smith also visited a well known furniture company to look at furniture for the new dormitories.

Mr. Ralph Whipple, head of Industrial Arts Department at Eastern High School, also attended the conference.

Danforth Grants Available Now

Danforth grants are now being offered to young women interested in campus religious work and in human service graduate work in the field of college teaching. The Danforth Foundation offers appointments to a limited number of young women who have graduated from college and who are interested in the experience of Christian work on a college campus. These are not study fellowships because the Danforth graduate becomes a student by experience. The award covers the period of July 1, 1966 to May 31, 1967. The grant includes $1000 to be used in ten installments to cover living expenses and other costs on the campus of her appointment. She also receives travel allowance. Five weeks are spent in training at Camp Miniwauke, Stony Lake, Michigan, during the summer.

The qualifications sought in the Danforth graduate are a good religious background, good character, personality and ability. Danforth graduate fellowships are given annually to approximately 50 young women preparing for college teaching who, at the time of application, have not had previous teaching experience.

Applicants as a Danforth Pilgrim should submit a 10-page address which is written in the student's own words and contains a description of his personal and social background, his interests and his philosophy of education. The application should be submitted to the Danforth Foundation, 10 East 53rd St., New York, N.Y. 10022.

Danforth Foundation offers financial assistance to Fellows according to individual need, limiting the grant to $1000 for the single man and $1500 for the married man.

Applications must be completed by February 15, 1966.

Why do more college men and women smoke Viceroy
than any other filter cigarette?

Because only Viceroy gives you 20,000 filter traps in every filter tip, made from a pure natural substance—cellulose—found in delicious fruits and other edible!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.

2. The Viceroy filter wasn’t just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.

3. Smokers en masse report that filtered Viceroy have a richer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.

4. Viceroy draws so easily that you wouldn’t know, without looking, that it even had a filter tip, and Viceroy costs only a penny or two more than cigarettes without filter tips. That’s why your college men and women smoke VICEROY than any other filter cigarette. . . that’s why VICEROY is the largest-selling filter cigarette in the world!

Toppers Form Boys Club

Through the efforts of Mrs. Steil, Grace Transfeld, of the music department, and services of three Western students, David Davoe, Curtis Weitman and Gene Eisenmenger, a boys’ club has been organized at Defields.

This club was organized October 11 as an extension of the Bowling Green Boys club which was formed in 1924.

Early last summer, a group headed by Mr. Transfeld formed the Defields Improvement League in an effort to bring young people of the area and college together.

This league served as a model in

minimum requirements for a charter from Boys Club of America, it will be open two evenings a week on a 40-week basis. The charter will be sought for immediately.

Eighty boys were enrolled the first day and membership potential is more than twice that number.

Shirley Guthrie Prefers Continental Culture

By Jim Wilson

Shirley Guthrie is quite an asset in her class and to Western. "Pinkky" as she is called, admires her best friends, has gained a wealth of knowledge from her four year stay in Europe.

From 1940 to 1943, Shirley lived in Frankfurt, Germany with her parents. Her father, a Captain in the United States Army, was stationed there with the occupation forces. During this four year visit, Shirley became familiar with the language, customs, and people of Germany. She spent three years there.

Travel through Europe stands out in her memories as an experience never to be forgotten. Paris, Norway, Vienna, and many other places Americans dream of seeing, became a reality to her.

Three Hilltoppers Play Last College Grid Game

By John Lyon

The final showdown among the Homecoming game Saturday will be a blue and gold invasion of the playing field. This will be the third time in three years that Jerry Wilson, Bulova, and Dave Paton will lead the Topper grid against a major college.

Jerry, a Math major from Newp- ort, B.C., is an eighth-year varsity quarterback. He has a lifetime of experience in grid, he says, and now that he's back on the gridiron, he's come to understand that there's a lot more to it than he ever dreamed of doing at Western uniforms. "I don't think I've got the same sort of kick off," he said. "It's much more exciting the men you'll face, but it's a lot more exciting the men you'll face, but, you know, it's a lot more exciting the men you'll face, but..."

YOU ALWAYS COME OUT ON TOP when you light up a Lucky, because Luckies are tops for taste. Luckies taste better because Lucky Strike means fine tobacco... mellow tobacco that's been fought to taste even better. The men in the Droodle above have come out on top, too — in more ways than one. The Droodle is titled: Convention of baleheaded men smoking Luckies. Follow their shining example: light up a Lucky yourself. You'll say it's the best-tasting cigarette you ever smoked!

Hilltoppers Swamp Aces

**46-6 In November 12 Clash**

The Hilltoppers scored a major upset over the University College Aces as they snapped over them 46 to 6 today Saturday afternoon, November 12.

It seemed that Toppers could do nothing right and everything that Aces touched turned to gold. They quickly dominated on every play against the Aces offense, which scored only six points in four quarters.

Almost 5,000 spectators, including members of the University high school band, were on hand to watch the Toppers put on their greatest offensive show in several seasons. The Hilltoppers were victorious in every quarter.

The coaching staff was extolled by Head Coach Jack Clendenin after the game in the official who watched the team from an open window on the second floor of the gym. Coach Clendenin is recovering from a major surgery last March in Rochester, Minnesota.

The colorful Western grid team was accorded somewhat through the leadership of Ed McElroy, a prominent football and baseball official, who headed a broken shoulder from when he was entombed in a pileup of Western and Evansville players on the sidelines.

McElroy’s shoulder blade was set at Bowling Green hospital and he returned to the stadium as a spectator in the fourth period. The referee, umpire and field judge completed the game.

Western’s first four touchdowns came on 80-yard scrambles of quarterback Jack Clendenin, who is a first-string fullback. The Hilltoppers took advantage of Evansville’s interception of a pass and a 40-yard return by him.

Evansville’s only touchdown came on the Western enter, the Aces took the ball after the Evansville fumble in the first quarter, and marched 46 yards for a touchdown. Quarterback Jack Finlay completed a pass to Doug Berry, who then gained 15 yards on a Western setup set up the scoring play from nine yards out.

Evansville used the Evansville defense for the rest of the game for their season finale against their rival. Murray had no Saturday afternoon in their Homecoming game.

All of Western’s touchdowns were scored by junior halfbacks from Evansville. The only touchdown from Evansville was kicked in the third quarter after being set up by a 60-yard dash.

Western’s halfback, Ellis Price, was held to a 15-yard gain in the fourth quarter, and the Hilltoppers scored a 24-yard field goal by Doug Berry.

**Eastern Edges Toppers 7-6**

Eastern’s bailed football team slapped off the last minute rally by Western to win a 9-0 homecoming victory at McMurry, Saturday afternoon, November 8.

The Toppers defeated Eastern by a 7-0 decision, and then dominated the game until the final period.

Western smashed the McMurry 12, 14, 16 and 21 points only to be stopped by the power of the Eastern line.

Eastern’s playoff game came after the season and in fourth place in the series during the season, which dates back to 1914, in which the Hilltoppers.

“Male Animal” Termed As Smash Hit

A DRAMATIC CLIMAX, given as his successors in the climax of the College Heights Herald’s 50th year, was the presentation of the production titled “Male Animal” which was performed in the college auditorium at 8 p.m. last Saturday night. It was composed of eight scenes, each one an outstanding production in itself, with the final scene being the most impressive of all. The play closed with a discussion of the production by the cast and crew members.

The production was directed by Ivan Wilson, who also served as the stage manager. The cast included several members of the college community, including students and faculty. The play was well received by the audience, who gave it a standing ovation at the end.

President

Ivan Wilson

Ivan Wilson, the college’s new president, addressed the audience during the performance of “Male Animal.” He spoke about the importance of the theatre arts and the role they play in the college’s mission to provide a well-rounded education for its students. Wilson highlighted the importance of the arts in promoting creativity, critical thinking, and social responsibility.
