Debate Squad Is Organized

On Thursday afternoon, September 27, students interested in participating in inter-collegiate debate this season answered the initial call for debaters. The purpose of the meeting was to announce the current college topic - RESOLVED: That the United States should discontinue direct economic aid to foreign countries. Mr. Russell M. Miller, Director of Forensics at Western, had set up a debate reserve in the library and suggested all students start reading on the topic and start collecting information. Two veterans of last season's successful team, Jim Owens and Bill Nagele, were among the prospects for this year. Others who last expressed the desire to work with the squad (although some of them could not be present for the Thursday meeting) included Harald Moe, James G. Gillard, Kenneth Williams, Clay Shannon, Ed Hender, John Chambers, Henry Smith, Vernuno Mason, and Bob Ruben.

In the first semester of this school year, two debate tournaments are scheduled to be held on Western campus. The Western Thespians plays host this fall to the State of Kentucky Annual Debate Tournament. It is set for December 1, the first Saturday in December. The second annual meeting of the Western Kentucky Debate Tournament is tentatively set for early November. Other matches will be scheduled in addition to the tournaments.

**Stuck for Money? Do A Sticker!**

STICKERS are tickers and a mighty soft way to make money!

Just write down a simple riddle and a two-word rhyming answer. For example: What’s a ball player who gets a raise? (Answer: Richer pitcher.) Note: both words must have the same number of syllables - black cheek, jolly dollop, visery finery. Send your Stickers, with your name, address, college, and class, to Happy-Joe-Lucky, Box 67A, M. Varnum, N. Y. Don't be late! We'll pay $2 for every Sticker we use in our advertisements — and for hundreds that never see print. And remember — you're bound to Sticker better when you're enjoying a Lucky, because Lucky's smile better. Luckin' 's mild, good-tasting tobacco is TOASTED to taste even better. Fact is, you'll say Luckies are the best-tasting cigarette you ever smoked!
Hilltoppers Win Opener 12-7

Booed once again the Red and Gray have struck fear into the hearts of the Buccaneers from East Tennessee State by eking out a 12-7 victory in Western's season opener. The Bucs' new coach, Chris Brown, has only one victory over a Clayton coach in five attempts, the victory coming last year.

After spotting East Tennessee a quick first quarter score, the Toppers pushed deep into the Buccaneers' territory five times in the next two quarters only to be denied by penalties as the ball ended up near Brown's end zone.

With the Toppers forward wall, handshaking the Buccaneers on the victorious moment, the Bucs' offensive unit went into its own, the second half.

Midway of the fourth quarter the Toppers were driving for a touchdown drive with "shifty" Griffiss calling the plays. Griffiss was out over from the four yard line. The Toppers were stopped at the seven yard line, and the Buccaneers were driving for a field goal.

Less than three minutes remained on the clock when Western regained possession of the ball 61 yards from pay-dirt. Van Hooser's leadership and passing, plus the running of Riggs and Simpson provided the difference of brilliance to an otherwise poorly executed drive. The Toppers were stopped over from the one with less than 30 seconds remaining to give the Hilltoppers their victory margin.

Western defense showed fine speed and durability as they held the Buccaneers backs to a scant 170 in rushing. The Toppers' ground game was headed by Van Hooser, Griffith, Cooper, Riddles and co-captain Jim Ciambrinla.

Raiders Edge Western 7-6

Western's bruising forward wall proved five times from the Highly-touted Middle Tennessee backs, and kept the Blue Raiders in deep water most of the night before bowing out in the OVG opener for both teams.

The Blue Raiders labored their late score in the second quarter on a fourth down pass play covering 26 yards. Prior to the first TD, the game had been largely an exchange of beautiful punts and bruising line play with the Toppers getting the edge. The Toppers visually botched up the Raider's Big Sweep in the first half, forcing them to take to the air on a 17 yard march downwards for their first score. Middle Tennessee's Jerry Brown, a 6-1, 220lb. basketball transfer, booted the extra point in what proved the winning margin for the Buccaneers.

Coach Clayton's charges came out in the opening drive in the third quarter when Joe Cunningham nabbed a Middle Tennessee pass and swung-tipped his way 28 yards back to the Raider's 50 yard line. Nine plays later, after shipping their way through the line, they scored from the two yard line. The all important touchdowns by Branchley was wide on a low pass from center which forced a fanny kick. That ended the Topper scoring in their OVG opener for the season.
