Plan Has Western's Endorsement

Western has pledged its cooperation in a proposed building venture which could have far reaching effect on both the college and the city of Bowling Green. The City Council is currently considering a proposal that a recreation youth center and sports complex be built on the Western campus. President Kelly Thompson appeared before the Council in November to pledge 100 percent support for the project. He pledged to work out such a plan. The Council will be asked to pledge cooperation and endorsement of the city administration. President Thompson issued the following statement:

"Last Monday night an appearance before the Bowling Green City Council to pledge the 100 percent support for the project. We pledge our support with the City of Bowling Green to City Council to help develop the South Center and Sports Arena on Western Kentucky State College premises."

Talisman King And Queen Nominees

The election of Talisman King and Queen and the eight Campus Favorites will be made in Chapel on November 30. In the respective class meetings held last Friday, the nominations for Campus Favorites were made. From those nominations the two boys and two girls receiving the highest number of votes for each class were selected, except in the senior class where four each were selected. In the case of a tie, the names were placed on the ballot. Those candidates according to class standing in the junior and senior class will be: For Talisman King, Shirley Shields, Mildred Harp, Tom Lycett, and Virginia Higdon; for Queen, Phyllis Robinson, Marilyn Nollette, Arlene Crowder, and Clarence Barker, Sophomore; Jane Lowell, Betty Spalding, Jeanne Davis, and Carol Vanlunen; Junior, Emily Smith, James John, Eva Williams, Jeanette Yoho, Ben Bador, Earl Wilmes, John Champion, and Richard Kuehler, Seniors.

From the senior class nominations for Talisman King and Queen these students were selected as the top candidates: for Talisman King, Gary Pitts, Billy Reed, Bobby Gayle Jones, Dave Duncan, and Betty Lassiter; for Talisman Queen, Lynn Hayhawk, Joe Chastain, Hal F我就和, and Dewey Bratcher.

The senior class representatives as Mr. and Miss was made at the respective class meetings also.

The name of the Talisman King and Queen will be announced publically at a later date at the Talisman banquet game at the South Center. The names of the campus favorites and the class representatives will be announced also at the Talisman King and Queen and Western State College Banquet.

Tickets on Sale

Talisman Banquet tickets will be available at the Administration Building and the Bowling Green Coliseum Dec. 1 and will be sold in the Business Office beginning Dec. 2. Also, tickets may be obtained from the Talisman King and Queen. The price of the ticket will be $1 each.

Make-up of the Talisman Banquet will be done on December 20 at the South Center. The Talisman King, Queen and eight Campus Favorites will be held at this time.

Nine Colleges Debate

Colleges Today

The annual Western Kentucky Debate Tournament will be held in the second annual Western Kentucky Intercollegiate Debate Tournament for the first time on campus. The tournament is being sponsored by the Second District Intercollegiate Association and the Western Department of Speech and Drama. The tournament will be held at the Western State College on December 15. The tournament isRESOLVED: That the United States should extend economic assistance to foreign nations - will be used in all the debates.

For the second year in a row the topic of the debate will be presented in a round "table discussion on the President's message to Congress for the State of the Union." The second day of the tournament will feature a "debate on the resolution of the State of the Union." The debate will be held at the Western State College on December 15. The debate will be presented in a round "table discussion on the President's message to Congress for the State of the Union." The second day of the tournament will feature a "debate on the resolution of the State of the Union." The debate will be held at the Western State College on December 15. The debate will be presented in a round "table discussion on the President's message to Congress for the State of the Union." The second day of the tournament will feature a "debate on the resolution of the State of the Union." The debate will be held at the Western State College on December 15. The debate will be presented in a round "table discussion on the President's message to Congress for the State of the Union."
The College Heights Herald is the official newspaper of The Western Kentucky State College. It is published every Thursday evening by The Western Kentucky State College Student Council, under the supervision of Robert Clifton. The staff is composed of students of the College of Science, managed by Miss Frances MacAlpin.

**Kentucky Bowling Green**

*By Don Allen*

Miss Fannie Winans of Bowling Green has given the Kentucky Li- brary Building in the University of Kentucky a rare, autographed, facsimile of the print of the Ritter House, one of the oldest and most historic homes which was the property of her grandfather, J. W. Allen. Miss Winans, who was born in Hillsboro, Kentucky, in 1869, is a member of the Allen family.

The Ritter house was a well-known landmark to those who lived in the area. A large house with large windows, it was used as a boarding house during the Civil War. It was later destroyed by a fire in 1900. From the building material of the house, Miss Winans created a series of watercolor paintings on Clay Street, near Rens. The house is said to still be living in one of these cottages.

Students in two classes of the Biology Department have recently made use of the Kentucky Library's Library of Science and Technology. Pupils in Dr. L. B. Lanham's Entomology class, studying the University's collection of insects, have been provided with the aid of the Ritter House and other related items. A new laboratory has been set up for these students, the collection of insects has greatly increased.

Mr. H. Whitley has recently made use of the Ritter House and has created a series of sections of his class in Physiology and Zoology for use in the study of the insects in the collection. Most of these is given to the Ritter House, which was found in the collection. The collection of insects has greatly increased. It is hoped to have some new specimens for the students in the future.

After Mr. Ritter's death in 1881, the house was sold and leased to a number of tenants. It was sold to Mr. J. W. Allen in 1890. From the building material of the house, Miss Winans created a series of watercolor paintings on Clay Street, near Rens. The house is said to still be living in one of these cottages.

Training School Delegates At MUNAT

Two delegations from the Training School were among representatives from 36 countries participating in the MUNAT held at Transylvania College in Lexington on Friday, November 3. Guided by their faculty advisor and head of the school, representatives from College High were Phil Abear, John Brown, Jim Clark, Bill Clements, Bob Conley, Lance Dion, Don Goddard, Martha Garcia, David Lawson, David Owens, Barbara Sheets, Jack Webb and Leighton Wilson. A total of 37 countries were represented by the high school delegations at the assembly, officially known as MUNAT. Principal topics for discussion at the meeting were the current issues in Canal politics and atomic power control, although other matters such as the Hungarian and Italian-Jewish crises also were taken up from the floor.

Resolutions were circulated to various delegations and voted upon by the General Assembly of the United Nations procedure. Delegations from the various schools had sufficient background about the country they represented and were able to sustain that country point of view effectively.

The B'nai B'rith Student Congress represented India and Lebanon. The first general session opened with a welcome from the Transylvania student body to the 800 students and teachers in attendance by Homer Lollar, president of the Transylvania student body. The session was followed by a welcoming address by Dr. Irvin Lunger, Transylvania Dean of Students. The program included an explanation of the technical and procedural arrangements for the MUNAT under the leadership of the Transylvania International Relations Club, sponsor of the program.

Dr. John Young, Transylvania History professor, was president of the General Assembly and served as presiding officer.

Dr. William James, head of the political science department at the University of Kentucky, United Nations authority, was the principal speaker during the luncheon for the MUNAT delegates and students held at 11:30 a.m. at Hamilton Hall. He was the guest of the Transylvania President Frank A. Reed.

Miss Verda Evans Chief Speaker At KCTE Meet

By John Logan

Important people in the field of English were sitting on the cam- pus last Saturday for a meeting of the Kentucky Council of Teachers of English. Presenting over the meeting was Mrs. Ruby Burch Allen, president who opened the meeting with "Languages Are Tools for Competent Living," and following Mrs. Allen was Dr. N. A. Ward of the University of Kentucky who gave a short talk in the Kentucky English Bulletin included in the bulletin are some five-thousand words written by teachers.

The keynote speech of the meeting was delivered by Miss Verda Evans, Assistant Supervisor of English, Cleveland City schools, Cleveland, Ohio. Miss Evans was journalism instructor for thirteen years, a Chairwoman of the English Department for a year last time some book reviewer, she has spent a year at Columbia University last summer as a student and the second semester serving teaching and classroom observations, and is also a co-author of a workbook published by the McGraw-Hill Book Company, Inc., entitled "Using Your Languages." Commenting on the principles and instructions in the classroom, she said "Johnny" reads grade school because of memorizing, he later on he reads for success. Miss further stated that the only way "Johnny"s reading habits were not improved were to try to improve the teachers.

Following the talk the group was broken down into four small groups which dealt with specific fields of English. They are as follows: Reading, a development process, under the leadership of the chairman, Miss Grace Cunningham and the consultant, Miss Mildred Young, spelling, vocabulary, and dictation, headed by the chairman Dr. Marsha Hatch and the consultant Miss Gladys DeLassus, written composition, under the direction of Mrs. Ruth Carpenter, chairman and Dr. William Wood, consultant, and the teaching of literature, led by Mr. A. J. Bonher, chairman and Miss Viola Morris, consultant.

Daniels Speaks To Biology Club

Fielding Daniels, presented the program at the Biology Club, Wednesday evening at the biology class, with Mr. Daniels in the position of Assistant Professor of Biology. He introduced the program with the comment that the club is the second Wednesday night in every month. All biology majors and minors should attend these meetings.

J. Paul Shadley* Was A Scarily Cat Till Wildroot Cream-Oil Gave Him Confidence

"J. Paul Shadley," said Mr. Shadley, "was a scarily cat till Wildroot Cream-Oil gave him confidence."

Paul J. Paul was laut to ask for a date—he just lacked confidence because of his messy hair. Den one day his roommates said: "J. Paul, get Wildroot Cream-Oil. It'll keep your hair handsome and healthy looking, and I'll bet it will make your hair more manageable and shiny, too." So I. Paul put the hair on for some money and put up with the store for a bottle. Now he's the pride of the campus, mainly because his hair looks so good...but not greasy. Wildroot has no alcohol to dry your hair, instead it contains lanolin, Nature's finest hair and scalp conditioner. So buy a bottle or hardy roll of Wildroot Cream-Oil yourself. It's guaranteed to make you a roaring success on campus."

Wildroot Cream-Oil gives you confidence

ROTC News

A marching contingent of approximately forty men and the Pershing Rifles color guard participated in Veteran’s Day parades in Dawson Springs and Bowling Green last Sunday and Monday, respectively. The unit, under the command of cadet major Lloyd Young, left Bowling Green at 10 a.m. Sunday morning and returned late that afternoon. Box lunches were served to the participants by Western. On the following day, a similar parade was held here in Bowling Green and the same unit was a participant in the military ceremonies.

CITYWIDE DELIVERY

DEEMER'S FLOWERS VI 3-3201

On Fairview

It’s that new V8 in the ‘57 Chevrolet. It’s as quiet as a contented cat and as smooth as cream... and it’s cat-quick in response when you call for action!

No household tabby sitting in a sunny window ever purred more softly than Chevy’s new V8 engine. You can scarcely tell when it’s idling.

But when you pudge the accelerator, you know it’s there, all right! Its right-now response keeps you out of highway emergencies. It overpowers steep hills with such ease they seem like level landscape.

This new Chevrolet V8 puts up to 245 high-compression horsepower* under your command! It’s saucy, sure—but as tame to your touch as a purring pussycat. Come try the smoothest V8 you ever put a toe to.

Chevrolet 1 USA

265-h.p. V8 also available in extra-cost Aux. Ranger high-compression engines with up to 265 h.p.

Hilltoppers Win By 14-0 Over Mississippi College

The Western Hilltoppers will invade the backfield of the vaunted Mississippi College tomorrow afternoon in the season finale for the two CVC arch rivals. A highly sought-after win for the Hilltoppers against Murray, currently the second team in the conference standings, would insure the Hilltoppers of a second place deadlock with Murray. Looking at the game from a Murray partisan view, a victory for the Hilltoppers would greatly enhance their chances for an appearance on top for the season. The Hilltoppers will charge on the field tomorrow with a 12 conference slate holding victories over Eastern 14-6 and Morehead, 4-7, Middle Tennessee, 4-7, and Memphis State, 4-7.

Coach Clayston will be pointing his charges toward victory number 3 in his year tenure at Western. Offensive threats: In total offense this season the Hilltoppers have run up 1180 yards in 24 carries for a 4.9 yard average. Jim Chambria has 194 yards in 46 carries for a 4.2 yard average, Jack Johnson 172 yards in 36 attempts for 4.8 yard average; Jerry Brewe 197 yards in 39 carries for 4.3 yard average; Ward Overton 181 yards in 36 attempts for 4.9 yard average; and Bink Jones 128 yards in 24 carries for a 5.3 yard average. This versatility in the backfield could prove to be the big weapon in tomorrow's encounter with Murray.

In the passing department, Carroll Van Hooper has completed 22 of 39 throws for 378 yards allowing seven interceptions. Ken "Shifty" Griffith has connected on 7 of 14 passes for 150 yards against allowing one interception.

The Hilltoppers, who have 12 men in the scoring column thus far this season are led by End Murray Hooper, Hilltopper and Chambria with two touchdowns each.

Plan Has Continued From Page 1

The outline of time and details will have been worked out so that everybody would know the purpose of the entire event.

Anita Badly Needed

"I stated to the city council that Western was happy to make the effort to bring about two bad needed community events."

"The city administration has been most gracious about all of the events and the approval of this plan. The plan is in an embryonic stage, and all of the people, the mayor, the city council, the recreation committee and others are still working on the details. Western, of course, will make every effort to carry out their part of the load which would be in keeping with good business judgement, and college and community pride.

I am confident that numerous technicalities and details can be worked out by the City and Western so that the voters in deciding the matter would have a completely spirited plan."

W. L. Matthews

Continued From Page 1

1943 will deliver the address. The normal march will be played by the color guard. The choir will close the program by giving the song, "Lead On!

Mr. Matthews received his Bache- lor of Arts degree at Western in 1934. He then received his Master of Arts degree at Pennsylvania College in 1937. He completed the Commercial Science program at the Business University in 1934. Mr. Matthews attended Harvard University dur- ing the summers of 1934 and 1936.

He was made superintendent of Livermore Public Schools in 1927 and served as president of the Franklin city schools from 1927 to 1930. He was director of the Training School from 1936 to 1938. He is a director of the Children's National Bank, and a charter member of Phi Delta Kappa. Mr. Matthews is presently the vice- president of the Western Business University, an office he has held since 1935.

Social Service Club Has Various Duties

The regular meeting of the So- cial Service club was held on No- vember 2 in the Student Center. Program reports were presented on what the members had accom- plished toward an idea for a youth center for the city. Three plans, however, were later dropped after a vote of the youth center was rejected from the city council.

The club is still working hard in hand in hand with the parents of the city. In their weekly dances at the junior high gym, Don Hodkins and Fred Dow, Social Service club members, are on the advisory board. This board, made up of students from various high schools in Warren County, advises the students on different rules, regulations etc. The students themselves actually run the organization.

The Social Service club is the largest and most progressive club on the Hill. Anyone interested in its work is cordially invited to atten- dance at any of its meetings, which are held on the first and third Monday of each month in the Gar- rison Student Center at 8:30 P.M.

SULTRY SCENE WITH THE HOUSE-PARTY QUEEN

"She sat next to me on the train that day And a wave of perfume wafted my way --- A danger that is called "Tea Bad!"

Deliberately made to drive men mad, I tried to think thoughts that were pure and good But alas, that perfume was stronger than I I gave her a kiss and got a black eye!

If kissing strangers has its dangers, in smoking at least enjoy the real thing, the big, big pleasure of a Chesterfield King Big size, big flavor, smoother all the way because it's packed more smoothly by A. & S.

Like your pleasure big? A Chesterfield King has everything!

three cheers for BAN-LON
