"In the Spring..."...where do one's thoughts turn? Fun? Beauty? Success? Why not all three? Street and college life are in full swing now. An early spring is like a playground awakened from a long sleep. One immediately begins looking around for the numerous things to do for which the weather is just right. Long walks or strolls through the walks, whatever you prefer; many of the classes or clubs meet on the lawn at the College. Each one tries to do something new and different and everyone begins to catch the eye of the athletic. For example, George Knizov, Fred Dow, Allen Bankston, and many others have been seen on the tennis court; Don Wood, Jimmy Gilbert, Ray Law, and Bill Davis have been playing pool. In fact, for the first day the temperature hit 60 degrees; Coach Dennis and Coach Dickinson and the baseball team will try to make a new season's round-ball record; and if it should be in the weather, the campus activities will extend into a multitude of bloom. Thanks to the faithful work of Mrs. Paul L. Warren, the yard work is coming through her efforts last fall at which time additional shrubbery and trees were planted. The new plantings will have to be put in place and the flowers chosen to fill the spaces between the new buildings and projects recently completed.

Book Marks

One of the most useful parts of campus life is the Reading Room. Most instructors give extensive reading assignments during the semester. When these readings are grouped together, they add up to a considerable amount of reading. In an effort to help you with this chore, the Reserve Room has been opened. The Reserve Room is the only one of its kind on the campus. In fact, it is the only one of its kind in the state. The Reserve Room is a collection of books that have been requested by instructors for an extended period of time for a particular course. These books may be kept out of the library for a period of two weeks. The Reserve Room also contains a collection of textbooks. These books may be kept out of the library for a period of two weeks. **Chevy is America's "hot" car — officially**

Chevrolet Wins coveted Manufacturers' Trophy at Daytona Beach as "best performance car of U. S. autos, comfortably"!!

Want facts about performance?

Then look at the official figures from NASCAR's internationally famous Daytona Beach competition for stock cars. Here's what you'll find: Chevy, in two weeks of grueling competition, proved itself as America's Number One performance car. Nothing in the low-price field could touch it.

No other car, regardless of price, scored such a sweep. And Chevy walked away with the famous Manufacturers' Trophy, hands down!

The 1957 Chevy in, by all odds, the most astonishing performer ever produced in the low-price field. Best of all, this superiority isn't limited to just a few extra-cost high-performance models. Every model of Chevy—from the six-cylinder models right up to the 265-horsepower "Super Turbo-Fire" V8s, from the single-cylinder V8s with Powerglide to the stick-shift "DININ"—is a championship car.

The other day our vice president in charge of good news announced that someone, somewhere, enjoys Coca-Cola at any time of the day. You can look at this 2 ways:

Either we've got an incredibly thrifty individual on our hands. Or Coca-Cola is the best-loved sparkling drink in the world.

We lean to the latter interpretation.

Western will have a visitor with a unique distinction March 22. Mrs. W. T. Cogswell, Margaret J. Hetterson of Lexington — who can lay claim to being the only woman Marine officer stationed in Kentucky.

Her visit to Bowling Green is to tell students of Western about a woman officer's life in the Marine Corps.

She will also explain how commissions can be earned during summer vacation.

Mrs. Cogswell is head of the Marine Women officer selection in Kentucky and West Virginia.

Federal inspection for the Army R.O.T.C. Department of Western will be held the latter part of April. The inspection team will check on student performance, and condition of Army equipment, as well as the appearance of the cadets.

Western's Rifle Team was defeated by 10 points in a shoot out shoulder rifle match with the University of Kentucky. The match was held in the indoor rifle range at Western Saturday, March 16.

James D. Breck was born for Western with a score of 176 out of a possible 200 and Donald Coulter was second with a score of 174 points.

Approximately 26 members of the Pernhagen Rifles will make up the drill platoon that will attend the National Invitational Drill Meet held at the campus of the University of Illinois in Champaign on Saturday, March 30. The group will be sponsored by Lt. Col. A. E. Cissel. They will leave Bowling Green on Friday and travel by bus.

While there the group will attend a dance on Friday night, participate in the meet beginning at 11 a.m. Saturday, and attend the presentation ceremonies at 11:30 a.m., to which they will return. In the past Western teams have placed first, second and third.

The Army R.O.T.C. Summer Camp will be held at Fort Campbell, Ky., beginning in June and ending in August. Approximately thirty-five cadets from Western will attend.
