To help make your stay here at Western a most pleasant and profitable experience, we ask that you join with us in observing the following dormitory regulations.

**HOURS**

All students must be in the dormitory by 12:00 midnight, Monday through Thursday, and by 1:00 a.m., Sunday. There are no hour requirements on Friday or Saturday nights.

**Office Hours:** The office will be open daily from 12:00 to 10:00 p.m.

**Television:** The television set may be turned on between the hours of 2:00 p.m. and 10:00 p.m., Sunday through Thursday. There are no hour requirements on Friday or Saturday.

**Quiet Hours:** Quiet hours are observed in the dormitory beginning at 7:30 p.m., daily. If you wish to visit in one another's rooms, do so quietly and only if your friends are not studying. Please do not visit in the halls or on the stairs. You are requested to be reasonably quiet in the dormitories at all times.

**GUESTS**

You may have overnight guests in your room on Friday and Saturday nights with the permission of the hall director. All guests must register at the office upon arrival and sign out upon departure. Guests are expected to observe the same regulations as the residents.

There will be a charge of 50 cents per night per guest payable upon checking in at the office.

There are to be no charges for students who are visiting overnight from other men's dormitories on the campus.

A resident who has guests and who does not register them with the director at the office will jeopardize his status as a resident of the hall.

**SICKNESS**

You may obtain first aid supplies from the office located on the first floor of the dormitory. The school maintains a full-time nurse, who resides in West Hall, and a full-time doctor, whose services are free of charge to the students.
The nurse is on duty at the college clinic from 8:30 a.m. to 4:30 p.m. and at the college infirmary at all other times. The college clinic is located in the College Training School.

If you become ill during the night, send for the hall director. If you are seriously ill, a doctor will be called at your expense. To be excused from classes because of illness, you must have the necessary report from the infirmary, or a written statement from the attending physician.
