MINUTES OF A CALLED FACULTY ATHLETIC COMMITTEE
September 29, 1967 - 10:20 a.m.
Student Center - Room 101

Members:
Mr. Dero G. Downing
Dr. John A. Scarborough
Dr. Ronald H. Nash
Mr. Owen Lawson, Jr.

Dr. John D. Minton, Chairman
Dr. H. L. Stephens, Vice-Chairman
Mr. Bennie P. Beach
Mr. Robert G. Cochran

A called meeting of the Athletic Committee was held on September 29, at 12:20 a.m. in the Paul L. Garrett Student Center. The meeting was called to order by the chairman, Dr. John Minton. Members of the committee present were Mr. Owen Lawson, Mr. Robert Cochran, Dr. John Scarborough, and Mr. Dero Downing. Members of the coaching staff present were Mr. Ted Hornback, Mr. Frank Griffin, Mr. Jim Pickens, Mr. Gerald Oglesby, Mr. Turner Elrod, Mr. Joe Bugel, and Mr. Gene Rhodes.

The first item discussed was a regular meeting time. The first Monday in each month at 10:20 a.m. seemed to be satisfactory with everyone, and this was set as a regular meeting time for the Committee.

Other items on the agenda were taken up, and Dean Cochran made the motion that the minutes of the last meeting be approved. The minutes were not read inasmuch as each member had been given a copy. The motion was seconded by Mr. Owen Lawson. The motion carried.

The cross-country schedule was discussed. The date of November 12 was changed to November 11. This was a typographical error. Following discussion, Dr. Scarborough made the motion that the cross-country schedule be adopted. The motion was seconded by Mr. Cochran, and the motion carried.

The freshman basketball schedule was discussed. The schedule has 17 games listed. Dean Downing suggested that in the past we were to play only 15 games. Mr. Cochran made the motion that the minutes be checked to see if this schedule is in keeping with the past regulations. If so, the schedule will be approved; if not, the schedule should be brought in line so that it may be approved. Mr. Lawson seconded the motion. The minutes were checked by the secretary, and the July 20, 1965, minutes showed that the rule was to play 15 games plus one tournament. In line with this, Mr. Cochran withdrew his motion, and Mr. Lawson withdrew his second to the motion.
After much discussion, Dean Downing made the following motion: Cancel the Sullivan Business College game on January 11 so that should a tournament arise that we would be interested in, it will leave flexibility to accept without any action by the committee, but if a tournament in which they desire to play is not brought up by November 1, that they arrange for a home game with the freshmen the night we play Morehead, in place of the Sullivan Business College game—this arrangement to be made for this year. Mr. Cochran seconded this motion. The vote was taken and the motion carried.

Another item of business presented by Coach Griffin was the fact that he no longer has a place to play golf, and it is impossible for him to make a golf schedule. They have played free at the Country Club in the past; however, this is no longer possible. Dean Downing suggested that the chairman appoint a committee to make an immediate study of this matter. Dr. Minton will meet with Mr. Hornback and Mr. Griffin and appoint a committee to discuss this further. Dean Downing assured Mr. Griffin that some arrangement will be made for his golf schedule.

Dr. Minton informed the committee that Mr. Hornback has received a letter from Davidson College, Davidson, North Carolina, concerning Western's interest in the Charlotte Invitational Basketball Tournament for the 1970-71 season.

As there was no further business, the motion was made by Dean Downing that the meeting adjourn; seconded by Dean Cochran; and carried.

Respectfully submitted,

Marcella C. Brashear
Secretary

cc: President Kelly Thompson

Copies of the Spring Sports Awards were given to each member of the Committee. The chairman had previously had these approved by a telephone call to each committee member.

Dear Ted:

Coach Driesell has handed me your letter expressing a possible interest in the Charlotte Invitational Basketball Tournament for the 1970-71 season. The dates of the tournament are December 29 and 30, 1970. We guarantee transportation, housing and meals, present each participant with a wrist watch and give each team a trophy for this tournament. In addition, the participating teams share the net proceeds which should be between $7,500 and $11,000.

Would you please check with Asa Bushnell and find out if these dates conflict with the ECAC Holiday Tournament in New York during that year. If they do not, we would be delighted to have you as a participant.

Sincerely,

Tom Scott  
Director of Athletics
