FACULTY ATHLETIC COMMITTEE  
November 6, 1967 - 10:20 a.m.  
Student Center - Room 105

Members:

Dr. John D. Minton, Chairman  
Mr. Dero G. Downing  
Dr. H. L. Stephens, Vice Chairman  
Dr. John A. Scarborough  
Mr. Bennie P. Beach  
Dr. Ronald H. Nash  
Mr. Robert G. Cochran  
Mr. Owen Lawson, Jr.

The regular monthly meeting of the Faculty Athletic Committee was called to order by Dr. John Minton, the chairman. All members were present with the exception of Mr. Downing and Mr. Lawson. Members of the coaching staff present were Messrs. Hornback, Griffin, Sydnor, and Burch Oglesby.

The first item of business was approval of the minutes of the previous meeting. As each member had previously received a copy and there were no additions or corrections, the minutes were approved without being read.

Mr. Hornback made a statement concerning permission to play the freshman basketball game scheduled with Sullivan Business College in Louisville. The coach and the people there are very happy that this game will be played. There is a possibility that the game will be played in the Armory or Freedom Hall.

The next item of business was a report of the committee on golf facilities. Mr. Beach, chairman of the committee, reported that the Bowling Green Country Club had considered Western's request to use the golf course; and the Club stipulated, along with other conditions, that half of the practice sessions and three matches may be held on the Country Club Golf Course.

Mr. Griffin also said that he had written the Indian Hills Country Club, requesting use of their golf facilities; but he had not received a reply to his letter.

After discussion, Dr. Stephens made the motion that the invitation from the Bowling Green Country Club be accepted and that thanks be extended for the privilege of using the golf facilities of the Club. The motion was seconded by Dr. Scarborough.

After further discussion, Mr. Cochran moved that Dr. Stephens' motion be tabled for the time being for further study. This motion was seconded by Dr. Nash. The motion carried unanimously.
Dr. Scarborough made a motion that the chairman appoint a small committee to study this situation further. The motion was not seconded and thus died because of the lack of a second.

Mr. Griffin reported that he had discussed with some of the University officials the need for a golf course and the feasibility of purchasing one.

Mr. Cochran made the motion that Mr. Hornback be encouraged to pursue through all legitimate channels the possibility of securing land for a golf course. The motion was seconded by Dr. Nash and carried.

Mr. Hornback reported that he had received a letter from Mr. Asa Bushnell and that he would send complete instructions from the Eastern Collegiate Athletic Conference in New York for the 1970 Invitational Tournament to be played in Madison Square Garden.

As there was no further business, Dr. Scarborough made a motion that the meeting be adjourned. The motion was seconded by Dr. Stephens and carried.

Respectfully submitted,

Marcella C. Brashear
Secretary
