Cartwright and Sutton Are Main Speakers

Famous Archeologist Is Classifying

Dr. William S. Webb, head of the Archeology Department, spoke in Bowling Green for the purpose of giving the students a brief picture of the archeology of the United States. While the lecture was brief, it has been described by Dr. William S. Halsey, University of Kentucky, as being one of the most interesting and informative programs ever given by Dr. Webb, and has been described as a most interesting and informative program by Dr. Webb himself.

ANDERSON MUST BUILD TEAM WITH YOUNG MATERIAL

Tough Schedule Awaits Youngest Team in Years

Western will be represented by a strong football team in the football season of 1943. The team will be coached by the dynamic Mr. Anderson, who has been working with young men on the football team for several years. The team consists of a large number of young men, many of whom have never played football before. However, they are determined to learn and develop their skills under the guidance of Mr. Anderson.

Agriculture School Here August 13-14

Western Will Sponsor a Two-day Course in Livestock Judging

The Agriculture School will sponsor a two-day course in livestock judging at Western on August 13-14. The course will be taught by Mr. Anderson, and is open to all interested persons. The course will cover the various breeds of livestock, and will include hands-on judging exercises.

College May Have Senior R. O. T. C. Unit

Military Training Will Not Be Compulsory to Students

Although the present time is a time of war, the College is considering the possibility of having a Senior R. O. T. C. Unit on its campus. However, it is expected that plans for this unit will not be finalized until next year.

NOTE SCULPTOR LECTURES Here

The Sculptor, Mr. Anderson, will be giving a series of lectures on sculpture at the College. The lectures will cover the history and techniques of sculpture, and will be open to all students. Mr. Anderson is a well-known sculptor, and has won many awards for his work.

Le Roi Est Mort, Vive Le Roi" Cries a Professor

A New Spoonholder, Like The Phoenix, Has Sprung from the Depths of the Old

Dr. Lindsley, professor of English, has invented a new spoonholder which he calls "Le Roi Est Mort, Vive Le Roi." The new spoonholder is a departure from the old one, which was called "Le Roi Est Mort, Vive Le Roi." The new spoonholder is designed to be used in place of the old one, and is expected to last longer. The new spoonholder is made of a durable material, and is designed to be easy to use.

To Give Commencement Address

Dr. Webb will be the commencement speaker for the fall semester.

CARE
The Vital Compound

In making up prescriptions we use only fresh, full-strength
cure drugs - but the most important ingredient that goes
in to make a compound is the care put into it. We follow your
doctor's orders explicitly - but the medicines he orders
are worthless without the care given when filling
prescriptions.
