D.E.A. Meeting In Progress Here Today

White Hussars To Appear Here Monday, Oct. 13

Western will present a concert by Herbert Petrie and his famous White Hussars of Van Meter auditorium on Monday evening, October 13, at 8 o'clock. In making the announcement of the concert, Dr. Charles M. Smith, President of Western, stated that the famous White Hussars are widely known throughout the United States for their musical talents. The concert will be held in the auditorium of the college, and admission will be free. A large crowd is expected to attend the concert.

Mrs. Josephine Cherry Lowman Speaks At 9:15

The annual meeting of the Third District Education Association opened last night at 8 o'clock in Van Meter Hall with Dr. Ralph W. Beckman in the chair. The meeting will continue through the day and will conclude at 8 o'clock tonight with a recess session held in the administration building.

This morning in chapel, Mrs. Josephine Cherry Lowman will give an address on “New Hope for Old Wives.” At 10:30 Dr. E. Harper, of the State University of Iowa, will give a daylight address on “The Value of Life and Education.” Tonight Mrs. Georgia M. Clifford of Chautauqua, New York, will make the lecure on “An Interpretation of American Jazz.”

Dr. Beckman is the speaker, lecure, and nationally known interpreter of political and social problems. Dr. Beckman has been well received in thousands of homes throughout the nation recently. He will be in the college in time for the late Dr. B. Parks Cadman as Director of the National Ideia Pulpit. He is one of America’s foremost clergymen and is well known to the Western World.

Mrs. Lowman will give the people of Western as the daugh ter of Dr. Beckman and Mrs. Cherry.

Strahm Honored By Music Club

The late Professor Frank A. Strahm, famous organ-grinder, was honored by the Western Music Club at the meeting of the club at the transaction on Wednesday afternoon at the Kline auditorium.

The program consisted of the organ-grinder’s favorite air by Mrs. B. S. W. Wolwee, followed by the famous organ-grinder, “A Dream” and “Behind the Music.” Both numbers were Mrs. B. S. Wolwee and his wife.

All three of the women participated in the program, the organ-grinder of the local music.

Mrs. Strahm was honored by a family of 24 children. His musical education is now complete. His musical education is now complete. His musical education is now complete. His musical education is now complete.

Miss Marks Visits Ashley Quads--Undecided on College

Miss Mary Marks of the geography department recently returned home after spending a few days with her home. Miss Marks was impressed not only by the charm of the place, but by the entire family. She was much impressed by the fact that the nursery has grown up with the rest of the family.

Miss Marks has recently been on the road in the south and visited many schools, including those in the south. She has found the south to be a very interesting place to visit. The southern states have been impressed by the charm of the place, but by the entire family. She was much impressed by the fact that the nursery has grown up with the rest of the family. The nursery has four rooms on the first floor, a large room on the second floor, a small room on the third floor, a small room on the fourth floor, and a large room on the fifth floor. The room where Miss Marks plans to live is the largest room on the third floor.

Herbert Petrie’s Famous White Hussars

Music lovers should put a check mark on the calendar for Monday evening, October 13. That is the night Herbert Petrie and his famous White Hussars come to Van Meter. Mrs. Lowman, concert pianist; lower left; Henry Thompson, tenor, lower center; and Miss Helen Rogers, concert harpist, lower right, will be featured soloists on the program.

Mrs. Lowman Certainly Practices What She Preaches--That’s Health

By Austin Lashbrook

As one of Western’s faculty members so aptly phrased it, “Mrs. Low man certainly practices what she preaches.” Mrs. Josephine Cherry Lowman is a woman. Consequently, no one knows the exact dimensions of her waistline. But Mrs. Lowman is not just another woman. She is a woman who can talk about waistlines forever without mention-
Franz J. Strahm ... 1867 - 1941

Editor's Note: The following story on the life of the late Franz J. Strahm, one of Western's most beloved alumni, was published in The College Heights Herald at the special request of the Herald.

By Bert Bennett

Franz Joseph Strahm was a prominent figure in Western's music department and was a well-respected musician. His performances, directed some of the most popular groups in Europe and in the United States, were celebrated in music halls and concert halls alike. His music was widely enjoyed and recognized for its quality and its emotional depth.

The Late Franz J. Strahm

Conductor of the Cincinnati Symphony Orchestra, Franz J. Strahm was a beloved figure in the world of music. His contributions to the field are still remembered today.

Born May 14, 1867, in Pfortsberg, Germany, the son of Joseph Franz and Louise Schuster Strahm, he entered the University of Cincinnati at the age of five and by the age of six was already showing signs of his musical talent. His family recognized his interest in music and supported him in his pursuit.

In 1883, at the age of twenty, he entered the music program at the University of Cincinnati and was immediately drawn to the study of music. His talent quickly earned him a position as assistant conductor, and he soon became the conductor of the university orchestra.

In 1893, he was appointed as the conductor of the Cincinnati Symphony Orchestra, a position he held until his death in 1941. During his tenure, he led the orchestra in performances of works by some of the greatest composers of the time, including Beethoven, Mozart, and Wagner.

Franz J. Strahm was a man of immense talent and dedication. He is remembered for his contributions to the field of music and for his passion for sharing his love of music with others.
**Letter To Alumni**

Every member of the Alumni Association is entitled to receive the **COLLEGE HEIGHTS HERALD**, official school paper of Western Teachers College.

During the 1941-42 school year, many improvements were made in the school paper, in the amount of space, in the number of advertisements, in the amount of news space, in the amount of space for picture and in the amount of space for information of the society. The school paper will be distributed to all members of the Alumni Association, with the exception of those who have not paid their dues for the year.

The initial editorial page, September 14, 1941, was of great importance to the School. Dean J. C. Ogle, principal of the school, wrote the first editorial page, which consisted of the names of the members of the Alumni Association.

The next editorial was written by the headmaster, who was a graduate of the school. The editorial was of great importance to the School. The headmaster wrote the editorial page, which consisted of the names of the members of the Alumni Association.

Dr. A. M. Micksen, head of the biology department, and Dr. C. C. Crabb, head of the English department, wrote the editorial page, which consisted of the names of the members of the Alumni Association.

The third editorial was written by the headmaster, who was a graduate of the school. The editorial was of great importance to the School. The headmaster wrote the editorial page, which consisted of the names of the members of the Alumni Association.

Dr. J. C. Ogle, principal of the school, wrote the editorial page, which consisted of the names of the members of the Alumni Association.

The final editorial was written by the headmaster, who was a graduate of the school. The editorial was of great importance to the School. The headmaster wrote the editorial page, which consisted of the names of the members of the Alumni Association.

The military science department announces that thirty-eight junior students in the Reserve Officers Training Corps have been awarded the advanced course of military science. Of this number, twenty-five are placed under contract and will receive pay for their services, and the remaining thirteen students will receive full college credit for their work but will not be paid. They will be used for the above purposes.

The students who received credit for their courses are Robert G. Cooper, Samuel L. Crabb, Jr., William G. Fields, Joseph J. Lowery, and James D. McChesney. Each of these students has been awarded a contract for their services.

The students taking the military science course are preparing to be commissioned as officers in the Reserve Officers Training Corps. Each of these students has been awarded a contract for their services.

for three and one-half years, struggling with inadequate equipment and helping to build the women's department into its present efficiency.

Her work here terminated, however, after her marriage. She organized a class in figure modeling, which grew from an enrollment of 30 to 50 students.

But the responsibilities of a home, "howsoever much upon her time," that Mrs. Lowman, who is the mother of a son and a daughter, was, in managing the editor of this Tudor Tribune and asked for a space in order that she might pursue her work unaided, with her column, "The Mirror.""Within two months, the editor accepted her with an offer from the Des Moines Register and Tribune Syndicate, whose manager had visited Mrs. Lowman's column in the Paris Daily News, and liked her work. Miss Lowman was appointed to the Mirror's staff. Her column has appeared in every newspaper throughout the country and is read by an average of thousands of letters weekly.

Miss Varick Student, B.S. W. Mrs. Lowman's secretary, lists for the present the new publication, that through her writing, which covers a wide range of subjects related to physical education, she renders some important service to health and humanity.

New Mirrhorphone Added

An excellent addition to the equipment for speech training in the English department has been made during the summer months.

In the above photograph the bulletin object on Dr. J. Reed Perret's desk is shown as a microphone. Produced by the Western Electric Laboratories, the machine has the uncanny ability of reproducing sounds as soon as they are uttered.

The microphone is the most recent and modern speech training instrument in use at the present time in universities and colleges. It will be used here to supplement the permanent recordings for students that have been made at Western for the past two years. The perfect reproduction of the microphone makes it very useful for practical periods in which studies are reported in order to gain improved voice technique. The above view shows Dr. Perret and Prakk Bechel using the microphone in an analysis of equilibrium qualities.

Lamb Re-elected P. R. Sponsor

Annise Lamb was unanimously re-elected sponsor of the Herbert W. Schmidt Chapter of Pershing Rifles at their first meeting of the year. Miss Lamb is a sophomore and was sponsor of the local unit last year. She is the second sponsor in the history of the Pershing Rifles. Last year she assisted in the purchase of the Pershing Rifle kit and the insignia.

Last year she also attended all drills of the company and insists that this practice would be continued.

**Western's New Defense Workshop**

By Don Byers Newsmen

Captain Russel Ernst announced here recently that the Pershing Rifles National Assembly, which was held recently in the campus of the University of Illinois, the delegates representing various universities throughout Kentucky in the Third Regiment, representing Kentucky State University, who was transferred to the First Regiment. The Pershing Rifles is the students of Western since it also succeeded to the present in these units. The students of Kentucky as well, are to compare those two Kentucky units when they were billed against each other.

The title of the unit is for the Pershing Rifles. Pershing Rifles are on the field of the Pershing. Pershing is a member of Western's winning drill team that is not. It was named after the Western caves that have been discovered in income growing out of Western by Pershing Rifles.

As far as records can reveal, this is the first time that Pershing Rifles that two teams have ever been pitted against each other. Pershing Rifles was the only team to be considered. Harry Skaggs, first sergeant who was the Pershing Rifles, was chosen as the "Best Drill Master" of the Pershing Rifles and a much larger score than the reserve of the regiment. This was quite an accomplishment considering the fact that the cadet whom he defeated was chosen "Best Drill Master" of the University of Illinois which has a national quota of 3,200 men in Military Science alone. Corporal "Bud" Johnson further proved the superiority of Company C by picking up a perfect score on the same competition. Both Sergeant Skaggs and Corporal Johnson were presented with medals signifying the honor but the score enough to win.

At the last regular meeting of the past year, May 3rd, the Pershing Rifles elected the following officers to serve for the new year. First lieut. R. W. Newhouser, first lieut., Earl L. Walters, second lieut., James L. Martin, third lieut., Len Wright, treasurer: 2nd lieut., Wilbur D. Kelly, sergeant.

The company was invited to send the Captain-Regent, Robert F. Strahl, to the Pershing Rifles National Assembly to be held at the University of Illinois, August 1st. It was at this Assembly that S. W. K. was placed in the Third Regiment.

Western housed to the Third Regimental Drill Meet which is scheduled to take some time in the early spring.

The invasion has been extended to the Order of Zouaves, military honorary society at Purdue University, to attend this meet. The Zouaves, are experts in a type of drill unknown and probably unseen by the general public. Their drill does that the fatigue pace of 200 steps per minute. This is over twice as fast as the drill cadence used by the army which is 100 steps per minute.

The competition is unusual and entertaining that the Zouaves find their services in constant demand the country over. Western will bear the name of the Pershing Rifles as the leader of Zouaves as their guests for the forthcoming drill meet. Pershing Rifles began this year under the supervision of the Registrar and the registration of freshmen. This group has now been disbanded and probably will be adopted, as part of the line for the next year.

First Lieut. William H. Anderson, Pershing Rifles, has already been elected in an "Interview" with the World reporter that has been completed in propaganda for this year's crop of the university for membership in this organization.

Conclusions:

Pershing Rifles are chosen because they are more drill oriented in their studies, and general attitude.

Officers
A meeting of the Western Offi-
cers Club was held last night in the
Kentucky Building and the follow-
ing officers were elected: President,
Ralph Shrewsbury; vice-president,
William Green; secretary, Bimmy
Ramsey; treasurer, Lem Wright;
John Searcy, Master of Public Re-
salut; and sergeant-at-arms, Al-

Congress
The first of the weekly meetings
of the Congress Dearing Club was
called to order at the traditional
meeting place, Small Hall, last Fri-
day evening at 7:30 o'clock.

The number of members present was small; the senators dis-
played their usual fervor for the
lymphatic as they shuffled the ac-
umulation of cedars from the
Hall with their cyclic anatomy.

The business of the hour was the
election of new officers. In qua-
in succession the following were elec-
ted: Sam Steiger, president; George
Lilly, vice-president; John Searcy,
secretary-treasurer; and Glenn Car-
well, sergeant-at-arms.

History
The first regular meeting of the
history club will be held next Thurs-
day night, October 8, in the Ken-
tucky Building.

As usual the club will meet the
second Thursday of each month.

Western Cadets Receive Good Rating At Camp

The colors of Western’s Reserve Officers Training Corps unit shine at this camp at the Fifth Corps Area Reserve Officers’ Training Corps camp at Fort Knox, Ken-
tucky, when the twenty-four West-
er cadets in attendance, qualified either as a first or as a platoon
man. Ninety-six per cent of West-
er cadets scored in camp quali-
fied on the rifle range. This was the highest percentage made by any school in the Fifth Corps Area. Each cadet received a medal which design-
ated the rating he made.

Six cadets qualified as rifle sharp-
shooters, led by Cadet Bell. James Browning, Floyd Carter, Al-
ton Christian, W. H. Johnson and
Ralph Shaver.

Several Faculty Members Away During Summer

Five members of the Western faculty were on leave during the past summer. Those being away were Mr. J. Held Sterling, Miss Elizabeth Strayhorn, Mr. Frank Lawrence, Miss Julia Neal, and Coach W. L. "Gunter" Terry. While on leave for the summer Mr. Sterling completed work for the Doctor of Philosophy degree by his speech at the University of Wisconsin.

Miss Strayhorn, member of Western's mathematics department, was given a leave of absence last February to do special Red Cross work in the Army. She is now stationed at Fort Benning, Ga., but will probably return to her duties at Western at the beginning of the second semester of this year.

Mr. Lawrence, physical education director and coach at the College High Training School, attended Teachers College in Nashville, Tenn. While at Peabody Mr. Lawrence completed his work for an M.A. degree.

Miss Neal, a member of the English department, attended the University of Michigan at Ann Arbor, Mich.

Coach Terry, director of athletics, attended the second summer term at the University of Kentucky.

Annual Faculty Reception Held

The annual faculty reception was held last Friday evening from 8:00 to 10:00 o'clock at the Knollwood Club. There were receiving lines in each of the several rooms, the entire building being used. A string ensemble furnished music for the occasion, and refreshments were served.

WESTERN TEACHERS COLLEGE capable coaching staff is an all-american organization. Head basketball Coach EJ Diddle, standing left, attended Center College, but he received his degree at Western. Other coaches in the picture are Teddy Hornback, assistant basketball and assistant freshman football coach; standing beside him, and kneeling from left to right: Freshman Football Coach Arnold Whitedenker, W. L. (Gunter) Terry, head football coach, and athletic director, and Edgar Stambaugh, an assistant in both varsity football and basketball.

STUDENTS—WELCOME Back To Bowling Green

Our representatives at Western—Miss Mary E. Puryear and Mr. Walter Roger—in invite the new students and all our old friends who are returning to drop in and pay us a visit.

SPEAKERS FOR THIRD DISTRICT MEETING

W. Gayle Sharrar of the University of Kentucky, Lexington, president of the Department of Visual Instruction of the National Education Association, will give an illustrated lecture on the subject "Motion Pictures in a World at War" at a meeting of the Third District Education Association's department of secondary schools this afternoon in Van Meter auditorium.

Mrs. Lowman To Speak At 9:15 Today

(Continued From Page 11) received her degree from Harpeth College, which is now affiliated with Boston University.

She is interested primarily in the application of health and beauty to daily life and in their effect on one's mental viewpoint. Her column on "Why Grow Old?" is syndicated in Harpeth leading newspapers in the United States and three in Canada. Last year she received over one hundred and fifty thousand letters from readers. The Boston post office de- livered her mail in a truck each day.

Mrs. Clifford has appeared on the programs of several District Associations in Kentucky in recent years. She is one of America's most beloved story tellers and for this reason has been sought after as lecturer, au- thor and entertainer for fifteen years. She has taught courses in the art of story telling at George Washington University in St. Louis. Mrs. Clifford has the great distinction of having appeared for fourteen suc- cessive summers on the amphitheater platform at Chautauqua, New York as one of its most popular lecturers.

Her delightful voice and charm- ing manner have won for her the presidency of the American Association of Story Tellers.

Officers of the Third District Association include Miss Marcie Rus- sell, principal of Woodburn School, president; James Deep, Superintendent of the Clay County school; vice-president; and Dr. William H. Willey, Western's department of education; secretary-treasurer.

Other directors are Armitage, associate professor of Western's training school and Wendell Butler of Ed- monston.

The membership of the association is 1,400 Counties represented are Allen, Allen, Barren, Beach, Todd, Muhlenberg, Butler, Edmon- ston, McDonald, Nelson, and Com- berville.

Institution school districts rep- resented in the organization are Bowlingville, Cave City, Glasgow, Burkesville, Russellville, Central City, Greenville, Hermitage, Franklin, Guthrie, Trenton, and Bowling Green.

MIVERS OF MEN

Football coaching is the job of making men—strong men, thinking men who know the game; play the game, and win or lose, maintain the spirit of sportsmanship. The men of Western, under the leadership of W. L. Terry, set these high goals for themselves. Coaches like these are the makers of real men! Good luck, Western, for a great season!

"Built On Confidence—Growing On Service"
1941 Freshman Squad

Smallest In Three Years

When Coach "Gander" Terry gave the call for freshman football players this fall, twenty conditions responded to the call. Coach Terry said not only would the Western freshman go under the name of baby Hilltoppers, but that the squad would fill the name "baby" in every respect. This year's 1941 freshman squad is the smallest in size and number that has taken to the gridiron in the last four years. The majority of the freshman squad came from good high school teams, with the exception of three of the boys with this being their first time trying a hand at the gridiron game.

The baby "Topper" backfield is superior to the average backfield of the baby Hilltoppers in the last few years. The forward wall is about average or a little below par because of the fact that weight is lacking. Four of the freshman backfield men have been inducted into service for the varsity squad under a new ruling passed this year by the S. I. A. A. permitting member colleges to raise their squad personnel to a total of 26 players. All four freshmen playing varsity ball are backs: their names are Charles Baily, Lowes, Lou Cullen, Meadville, Pa.

The Baby Toppers have two games scheduled: the first, October 16 with T. P. 1 here and Murray, November 14 at Athens.

Fighting Forces

To Be Admitted

Free To Games

Any uniformed member of Uncle Sam's fighting forces will be admitted free to the 1941 football games played at Western Teachers College according to an announcement by the Western Athletic Committee.

The action of the committee is expected to bring a heavy increase in attendance. Western has just been given, from Fort Knox who assign Western football games and to provide a source of entertainment for the activeže men and women of this section who will be home on furlough during the season.

Western's opening home game will be played October 25 when the Hilltoppers meet Eastern Kentucky in a Homecoming tilt. On November 14, Howard College of Birmingham will provide opposition in a Dad's Day game, and on November 22 the Southern Michigan University team will arrive for Western Kentucky's annual Pennsylvania-Fair Grove game with Howard College which will be played on Friday will mark the first time in many years that Western has had a home contest on any day other than Saturday.

Gym Floor is Reinished

The main floor of the physical education building was recently cleaned and the gym will soon boast a new gym floor of a special gym floor lacquer. The floor was put down a short time ago in December, and that and the recent treats the floor has received the condition that, it has been in since the building was constructed.

Hornback Named Manager For Sporting Events

By Mark Sink

Athletic director "Gander" Terry has announced that the field-born intramural sports program has been planned and will be headed by Hornback, who has been selected by the intramural manager and has completed the plans for this fall's activities in practically all minor sports.

The events are being included on the calendar for competition will be open to all students individually as well as teams. The sports that have been selected are track, softball, tennis, singles and doubles, volley ball, ping pong, basketball-free throw, handball, and shuffleboard. Manager Hornback made the statement, when announcing the fall sports, that he believed that there was a wide enough range in the sports selected to create interest among practically all students.

Various clubs on the campus are planning to sponsor a squad to compete in the intramural sports. Each athletic director has been given 15 to 20 members of a squad of 35 men, such a squad should fill all men who are interested, with the number of candidates in all of the various activities being 150.

Coach Hornback has worked out a schedule of time for the major functions of the intramural sports program, the meetings with which much success proving the program. These meetings will be held Monday and Wednesday at 8 a.m. and Friday afternoons. The meeting is to be held in the Physical Education building.

The purpose of the program is to give the students an opportunity to participate in major sports and at the same time practice an even a chance to take part in sports that American love so well—their sports.

Valentine Accepts Post

L. L. Valentine, a graduate of Western, has been made executive assistant to Vernon D. Northrup, Director of Finance and Athletics for the N.Y. A. V. in Washington.

Mr. Valentine was principal at Franklin High School for several years and was appointed more director of finance for the N.Y. A. V. in 1938. He resigned as state director to assume his new duties in Washington this month.

Byrd Plays Pro Football

Tom Byrd, who finished his outstanding football career at Western last season and was an outstanding player in National Pro circles.

Byrd, one of the Detroit Lions of the National Professional Football League, has accepted a tackle 1941. His last tackle appeared directly to the Detroit Lions. The contract for the 1941 season and showed up well enough in the 1941 season to earn the respect of the Detroit coaches, who were pleased with his new contract but would not say how much he was to make. Byrd was a star tackle at Western, with the school Italian and is still playing his own football.

Professor J. R. Whitmore was the chapel speaker at Berea, High School, Berea, Ky., last week.

Hilltoppers Seek Third Straight Victory Tonight

The Western Hilltoppers met their third opponent of the season October 23, when they again take to the road to engage the Tennessee State Teachers at Murfreesboro. Tonight's game will be the Hilltoppers third stab for victory, as they have already defeated their first two opponents, Austin Peay and Morehead State.

The Hilltoppers took the Blue Raiders into camp on the local gridiron by a score of 13-0.

Coach Terry said that the Tennessee boys should not be taken lightly although the Blue Raiders are expected to provide less competition than any of the remaining teams on the Topper schedule.

In last year's contest the Tennessee team was composed mostly of sophomores and juniors. Coach Terry said he expected a more mature and experienced team than that of last season for the Blue Raiders. The Middle Tennessee teams usually are especially tough on their defensive play and the Topper coaches are expecting the same strong resistance to be present this year that was exhibited by the Blue Raider forward wall last season.

The Hilltopper squad came out of the Morehead tilt last week-end without a casualty list and should be in fine shape for tonight's game. It is impossible to compare the Toppers and Blue Raiders on this season's schedule with Western will be the Tennessee boys first game of the 1941 season. The Toppers have already played two games, and this should provide an edge in favor of the Western boys as the experience of the extra season starts means much to a team.

The probable starters for the Blue Raiders are expected to be backs, Salaco, Crouch, Wilson, and Sparrow; ends, Dowling and Kirkshel; tackles, Arnold and Marcus; end, Carroll; Bowling and Hunter, center, Stoll.

Parks To Speak

Miss Martha Manier Parks, director of Division of School Libraries of the State Department of Education of Tennessee, will speak at the teacher-librarian session at the Kentucky Library Association. Miss Parks attended West Tennessee Teachers College and Sophia Newcomb College and since 1922 has held her present position in the Department of Education at Nashville. Miss Parks is an outstanding scholar in library work and her talk should prove most interesting. She is also scheduled to speak at the Third District Educational Association.

University of Michigan will celebrate the 100th anniversary of the opening of its college of literature, science and the arts October 15.

Home Ec House

The Rock House, formerly used as a
piano and violin studio by Mr.
Hugh Johnson and the late Pro-
fessor Franz J. Strehn, is being re-
housed as a practice house for the
home economics department. This
was made necessary because of
crowded conditions and the inade-
quacy of the present practice house.

The new practice house, when
finished, will provide accommodation
for six home economic seniors
girls and a housemother.

It is being remodeled to provide
four bedrooms, bath, powder room,
living room, vestibule entrance,
dining room, and kitchen. Floors
have been relaid and the house has
been papered and painted through-
out. New light fixtures and new
kitchen cabinets have been installed.

The outside design remains the

To get back 15 seconds

Says PAUL DOUGLAS,
well-known radio announcer

Somebody whistles a few bars of a catchy tune.
Others pick it up.
Soon the whole country’s whistling it.
It’s a hit.

Somebody lights up a cigarette.
Likes it. Passes the word along.
Soon the whole country’s smoking it.
It’s a hit. IT’S CHESTERFIELD.

The big thing that’s pushing Chesterfield ahead
Is the approval of smokers like yourself.

Chesterfields are definitely Milder,
Cooler-Smoking and Better-Tasting.
They’re made of the world’s best
cigarette tobacco
Bended just right to give you more smoking pleasure.

But even these facts wouldn’t count
If smokers didn’t just naturally like them.

Some smoker finds out from Chesterfield
What real smoking pleasure is...and he will do.
Yes, fellow smokers, IT’S YOUR APPROVAL.
THAT’S PUSHING CHESTERFIELD AHEAD.

Everywhere you go
they’re so good
