New Mark Tops 1964 Tally By 1,021
For Regular Student Registration

Enrollment at Western Kentucky State College totals a record 7,824 regularly enrolled college students for the 1963-64 fall semester, according to figures released today by Registrar Theo P. Lazarrre.

A total of 4,063 students were enrolled last year for the fall semester, making an increase of 351 students this year.

Candidates Only

The total of 7,824 students enrolled in college classes at Western for the fall semester, for this year, is

New Facilities

The new Margie-Helm Library, which has almost 300,000 square feet of floor space, and the new Paul L. Garrett Student Center, which has trebled the campus space for student activities, were opened for student use at the beginning of the fall semester.

These new dominations are a new under construction — two for men at the corner of Seventeenth and Normal and a student center on the grounds of the administration building.

The new construction plans for the new Administration Building and a new science complex are now being completed.

In the coming minutes, under construction, will be a new athletic complex.

Thanksgiving holidays will begin at 12:00 p.m. Wednesday, Nov. 24. Classes will resume Monday, Nov. 29. Christmas holidays will start at 12:45 p.m. Saturday, Dec. 18.

SOPHOMORES, JUNIORS, SENIORS MEET TODAY

Class organizations will meet as scheduled below for the purpose of nominating candidates for class officers for the 1965-66 school year.

SOPHOMORES, JUNIORS, SENIORS will meet today in the advertising department of the Park City Daily News in Bowling Green.

English Majors

A senior from Louisville, Miss Nelson is an English major with mass media and French minors. She is employed as a country writer with WILTY in Bowling-Green.

Miss Cattell is a senior from Louisville with a major in English and a minor in mass media. She was a Greek co-editor of the Herald last year.

Staff members were appointed

Experts To Tell Foreign Policy On Campus

A four-man team of officials from the U.S. State Department will be on campus Monday for a series of discussions designed to inform the public about United States foreign policy.

Scheduled to end the day, an 
program, is a "Co mmittance Meeting on Foreign Policy," set for 8:30 p.m. in the Garrett Student Center-Ballroom.

This session will be moderated by Dr. William Jenkins Jr., dean of the College of Commerce, and will feature a question and answer period open to the public.

The state department team, comprised of Justus Fennell, Dennis Cheney, David H. McKillop, and Tom Noonan—will answer questions on current foreign policy, Viet Nam, and the U.S. foreign aid program.

The foreign policy team's appearance here is being sponsored by Western, in cooperation with the Bowling Green and Warren County school districts, city civic clubs, and the Department of State.

The discussions will be held in the computing center of the University and in the Garrett Student Center during the discussion period.

The team is conducting programs similar to the one here in other Kentucky cities.

Here is the schedule of un-
campuses, according to the

The College Heights Post Office has moved its facilities from Cherry Hall into the new Fred D. Darrell Student Center. Opening Aug. 31, with a skeleton crew, the post office is now in complete operation with a full-strength student crew of part-time workers.

"With the population of the school including students, faculty and staff, the volume of mail handled through the College Heights station is comparable to the volume handled by a town the size of Franklin," Log Slaughter, one of post office supervisors, commented.

He pointed out that incoming freshmen will write home more often than an average person living in a town. "It is the first time freshmen have been away from home in many cases, so they write more often," he added, "and they write quite a bit.

An increase in the number of postal boxes from 250 to 750, a larger floor space and the specially planned layout is expected to facilitate handling of mail. Deliveries to the dormitories will be made each day as they have been in the past.

The post office-window will be open from 8 a.m. to 12 noon, with access to the mail boxes and letter drop from 1 a.m. until 6 p.m. Mail comes into the station at 11 a.m. and 3 p.m. and is picked up at 10:30 a.m. and 3:30 p.m.

The college post office must sort incoming and outgoing mail. It also handles money orders, stamps and C.O.D. transactions — everything, in fact, just as a regular post office does.

Group To Tour Kentucky Building

A tour group from Louisville will visit the Kentucky Building, Sunday.

The tour is sponsored by the Railroad Museum of Louisville which has chartered a train for scenic tours of historical places. Western was chosen for this tour because of the historical background of articles in the Kentucky Building.

Nursing Profession Draws Men

The Department of Nursing is beginning its second fall "take-overs" with a total enrollment of 33 students, eight of whom are male. And "taking" the requirements of the two-year curriculum, students obtain an Associate Degree in Nursing.

Thirty-one students were admitted into the freshman class this fall. Six are men students.

Of the twelve-five women students, five are married, and four of the men are married.

Students in the second-year class are presently studying Maternity Nursing with laboratory experiences in the Bowling Green-Warren County Hospital, Warren County Health Department, and local obstetricians' offices.

Applications for the class of 1966 will be available October 4th (in the Nursing Department in the Kentucky Building).

Applications must be received prior to March 1, 1966.
**Players Slate Drama Duo Next Week**

Western Players will present "Modern Duo: Extrangement" at the Bowling Green Alley Playhouse Oct. 7, 8 and 9. The evening will consist of Tennessee Williams' "This Property Is Condemned" and Murray Schisgal's "Theyspie.

"This Property Is Condemned" takes place near a railroad track in the 1920's and is "poetic and symbolic in nature. The 'Theyspie' is set in an office. Essentially, the play poses fun at today's Theatre of the Absurd.

The plays offer an interesting contrast to each other in that they have basically the same theme, but the authors have approached it from different directions.

Dr. Mildred Howard, Coordinating Chairman of the Experimental Theatre program, is the director. Western art department members Hill Weaver and Michael Jung are designing and building the sets. Horace Kelly, drama coach at College High, is the stage manager.

The actors in the production are Linda Allen and Tony Bruns. Linda is a drama major; Tony Bruns was the last year's "Bye Bye Birdie."
Regulations Designed To Ease Parking Problem

It has been stated that "The most difficult thing about attending an American college or university is finding a parking place."

Many Western students may agree, but although the parking problem cannot be completely solved, it can be eased through adherence to the regulations governing students owning and operating automobiles.

Freshmen, sophomores, and all students who are on academic or disciplinary probation, regardless of classification, are forbidden to possess and/or operate cars at Western. However, sophomores who have an overall academic standing of "B" or above are excluded from this ruling.

Exceptions to these regulations may be granted only with special permission of the dean of students in order to avoid hardship based on physical incapacity, commuting to classes, use of an automobile for essential work, and other proved need.

Register Cars
Registration of motor vehicles was a part of the regular academic registration. Students who may bring a car to campus must register it with the dean of students within 24 hours.

Failure to register the motor vehicle and use the proper decal will subject the violator to a $5 fine and disciplinary action.

Disciplinary action will be taken against anyone found possessing a permit to which he is not entitled and using it for driving and parking privileges and against anyone transferring an identification decal from one motor vehicle to another.

Regulations Stated
Those obtaining permission to have a car on campus must comply with all city and state regulations and rules and with all directive signs.

The maximum speed limit on campus is 15 miles per hour, and vehicles must stop at intersections where signs direct same.

Pedestrians have the right-of-way at all designated cross walks.

Motor vehicles must be parked within the markers, if provided, in all-campus parking areas. Unnecessary noise from horns and motorcycles is strictly forbidden.

Penalties Listed
Violation of parking and traffic regulations will subject the violator to the following penalties: first violation, $2; second, $5; and third, $10.

Each violation ticket must be taken to the business office within three days (Monday and legal holidays excepted) after the ticket has been issued. Payment of the fine must be made at that time. Failure to do so will constitute an additional violation for each three-day period of delay thereafter.

Illegal parked cars that require towing will be removed at the risk and expense of the owner. Parking by students is strictly forbidden in all faculty parking areas between 7 a.m. and 6 p.m. weekdays.

Any student with more than three violations during one semester jeopardizes his status as a student and automatically forfeits the privilege of operating a car at Western. He may lose the privilege of operating a car on campus for three years if the situation warrants the action.

NOTE
Federal Service Entrance Examinations will be given in the Paul L. Garrett Student Center Nov. 29.

All students interested in taking this examination must have, on application on file in the Placement Office, at least three years of high school or college study before Saturday, October 16th. Applications for the test can be picked up in the Placement Office at any time.

The WELCOME MAT Is Out At
Your Favorite Store!

Hundreds, yes, thousands of students are coming into our community this year. Some of them for the first time, but many are returning to continue their education.

We, at Norman's, are ready to greet the new ones as well as our old faithful friends. Ready with a modern store filled to capacity with the "in" fashions as soon in popular style magazines... we know what the student likes and we have it in a marvelous selection. The "Fatal Look"... the new colors... the labels you love to wear... all at very reasonable prices... that let you "live with" your budget.

We extend to each student a warm welcome to make our store headquarters... a home away from home! Come in, get acquainted... we'll cash your checks... open an account for you... help you with community information and directions... Visit us soon.
BIRTHS

Dr. and Mrs. H. B. Wood Jr. proudly announce the birth of their first child, Mariann Lee, on Sept. 8. Dr. Wood is Chief of Drug Development Research of the National Cancer Institute. Mrs. Wood, who has B.A. and M.D. in physical chemistry, is pathologist at the Harry Diamond Laboratories in Washington, D.C. She is the daughter of Mrs. M. L. Billings of Bowling Green and the former Marilyn Layley Billings—head of Western’s psychology department from 1934-1962.

The first Herald issue of the year is also the twentieth issue of the college newspaper in Western's history. It happens last year's second 26-page by four students in taking on the title, "Biggest Ever."

The new edition of the staff assumes the same attitude that every Herald crew in the past must have had — we want it to be your, the students', paper.

With this in mind, we have assigned reporters to every major phase of campus life on the Hill. So if we have overlooked your particular group through an error, please let us know. We want to print the news — but we can't if we don't know it.

College Major Depends On Many Thing$$$$

By FRAN NELSON

And so you can obtain an education at school, you must first of all be told that there is not one right way to go about it. There are many different ways to think about, to worry about, to run around in circles about. Perhaps you have yet to even begin your elementary majoring, then there is a lot to consider: interest, ability, prospective income.

Always ask if that is your vocation, and who doesn't think of money now and then, take head of National income-producing occupations, as compiled by the Labor Department.

From the report little physicists, aeronautical engineers, veterinarians, chemical engineers, and the 4,410 men listed in 1920 in income, 195,700 in income.

And we are again the old adage, become an architect, though it may be, is bolstered: success and education go hand in hand. In the era, there are more "successful" than chemists, if success is measured by income. For pre-medical, the income is the 13th, the 22nd.

Here are the top 10 and their median incomes.

1. Physicians
   - 10,128
2. Managers (chief-employer)
   - 6,704
3. Engineers (self-employed), in insurance and
   - 9,140
4. Engineers (self-employed), in engineering and
   - 9,110
5. Lawyers and judges
   - 7,106
6. Secondary-school teachers and
   - 9,000
7. Managers (supervisors)
   - 8,900
8. College professors
   - 8,900
9. College professors
   - 8,900
10. College professors
    - 8,900

College professors beware: Another year has started and the staff, for your convenience, has killed the main danger points to be on the lookout for.

1. BEWILFUL and selected tales from CHAUCER.
2. RING: 14 equations for Chemistry.
3. CUFF: 26 verb conjugations for French.
4. BELL: 202 text of U.S. Presidents.
5. PACE: Pimples.

For Fresh Only

It's What's Happening

Hey man, this is it, the famous leads are going to lay the words on you.

"High school Harry" has just spoken and now we are going to make our move. First of all we are going to make sure that everyone knows what is going on.

The INCREASE has class (in and out of class), and to get away with this, sharp, is well-versed and society detached academically.

College Major Depends On Many Thing

The College Heights Herald is the official newspaper of Western Kentucky State College. It is published every Thursday during the school year under the general management of the staff who is composed of students of the journalism department, taught by Mrs. Judy Chastain and Walter D. Richards.

Welcome Students

I am pleased to have this opportunity to extend a personal greeting to the faculty, staff, students, friends and others through the first issue of the 1960-61 College Heights Herald. It is with great pleasure to use this issue also to welcome each one of you who will be on the campus engaged in the daily activities of this College during this school year.

You know experience a genuine thrill, just as I do, to be starting this year with improved and expanded facilities such as the new Library and the new Student Center, the new dormitories beside the beautiful. These two outstanding structures are a part of our continuing efforts at development and physical expansion that are a part of the master campus plan which is scheduled for completion in the near future.

To each student, regardless of classification or age of educational experience, I extend best wishes for a happy and successful year. To the faculty and staff, regardless of position or length of servive, at least we can offer the hope for a year of success, study and high aims.

This College, as you know, has a history, the obligation to this institution, we pass on to you and to those that are coming after us.

We are students and are expected, on the campus, to rise to the heights of educational excellence and institutional greatness.

KELLY THOMPSON

President
Girls' Dorms Initiate Fall Program

Activities to the women's dormitory program are expected this year to be more extensive than in previous years. The students have organized an officers and the following activities are planned: Friday evening, the students will be initiated into full membership, and Saturday evening, they will participate in a variety of social and cultural events.

Sophos May Apply For Commission

College sophomores with no prior military training can obtain an Army commission under ROTC program, which is responsible for implementing the program. Any college sophomore may apply for commission. Students who positioned themselves for in the Army undergo a physical examination and a thorough background check. Those who meet the requirements are selected to serve in the Army.

Alumni Win Recognition
In Widely Varying Fields

Dr. Glenn Kendall, A.B. ’72, announced plans recently to retire as president of Cherry
Trees College, Cherry, Conn., next July. He became the
eleventh president of the 15-year-old college in 1960.
During his 15-year tenure the college will have attained its most rapid percentage
growth in history. Since 1960 the faculty has grown from 18 to 260; total enrollment has in-
creased from 1,528 to nearly 6,000, and 12 major buildings have been added to the cam-
pus.
He received his master’s degree from the University of Kentucky and the doctorate of
education at Teachers College, Columbia University.
For 16 years he was teacher and principal in towns and
rural schools in Kentucky.
Dr. Kendall has served as president of the nationwide As-
sociation of State Colleges and Universities; and is now a
member of its governing com-
mitee. He is also a member of
the committee on National
Education of the Ameri-
can Association of Colleges of
Teachers Education.

Dr. Harry S. Gray, B.S. ’56, is
a professor of chemistry at Co-
lumbia University.
He has written a new book,
“Electrical and Chemical Bond-
ing,” and this summer he was a
visiting professor at California
Technological Institute. Next
year he and his family will go
to Bradford-on-Avon, England,
where Dr. Gray has been in-
nvited to lecture.
He is married to the former
Miss Shirley Barnes, also a
Western graduate and former
campus majorette.

William F. Fleisher, B.S. ’44, has completed a second
liberty in the U.S. Air Force upon graduation
from Officer Training School at
Sheppard AFB, Tex. Lieutenant
Fleisher is from Hampton, Va. He is
being assigned to an Air
Training Command unit at
Sheppard AFB, Tex.

Capt. Gary E. Little, B.S. ’57, is
now serving at Randolph
AFB, Tex. He previously
served at Robins AFB, Ga.
Captain Little is from Frank,
S.C.

Capt. Paul G. Johnston, B.A.
’54, has completed the Air
Corps Command and Staff
School correspondence course.
He is a navigator at Sheppard AFB,
Tex., and is a native of Louis-
vile. His wife, the former Toni
Sull of Scottsdale, is also a
Western graduate.

Linda Lively, B.S. ’54, has
been commissioned as one of
the first of Southern Baptist’s
newsly formed IGC missions
Corps. She is from Critten-
den County, Miss. Miss Lively will serve
two years in the area of social
work at the Lincoln Place Mis-
ion in Granite City, Ill.

Dr. Harvey J. Dodd, A.B.
’56, has recently published a
book entitled “Elements — An
Analysis of Principles and Pol-
lites.” The book was written in
collaboration with Dr. Thomas J.
Halsted.

Ward Elliott, B.S. ’54, has
been granted the National In-
stitute of Public Affairs Career
Foundation’s Young People’s
Regional Representatives

Fortune and Fame is Western’s Claim
Western Grad Featured

In Readers: Digest Story

For his participation in liberating several hundred hostages held by the Sinhalese at Stanlyville, a Western graduate, Brig. Gen. Russell Doughty, has been honored in the September issue of Readers Digest.

Beginning on Page 200, the story by David Head recounts the Sinhalese massacre and how the Air Force general helped plan the rescue of hostages in the bloody Congo war of a year ago.

General Doughty was gradated from Glasgow High School before attending West Point, where he was elected president of the freshman class in 1944. He served as an officer of the Georgia Institute of Technology in 1944 and was elected to Who's Who in American College and Universities that same year.

Doughty received an AB degree from Western. After joining the Air Force, he continued PX formal education and obtained a law degree. He received his promotion to the rank of general in February, 1966.

Worked with Belgians

The general began his mission in Brussels, Belgium, November 1st with Col. Charles Laurent, commander of the Paramarine Regiment of the Belgian Army.

The two officers and their aides decided that Belgian troops and American civilians would be better served by using the assault on Stanlyville to rescue nearly 400 hostages held by the Sinhalese massacre, known as "Dragon Rouge," which means Red Dragon.

The United States supplied a dozen C-130 transport planes, a maintenance plant, a communications, aircraft and one spare transport. The Belgians supplied 75 paratroops from their elite force. These Paramarine and 364 British- owned Azorean Island, and then transported to Kamina, only three hours from Stanley ville. Early in the morning of November 27 Red Dragon was underway.

As a thousand mercenaries, led by retired British Army officer Michael Henske, approached of Stanlyville, the paratroopers were dropped near the trouble city.

The frightened Sinhalese suddenly opened fire on their hostages, massacring 30 Belgians and two Americans, including American missionary-in surgeon Dr. Paul Carmine, and wounding 40 others. But the rescue troops were able to save 35 hostages and fly them immediately to safety in Leopoldville.

The basic rescue plan set up by Doughty and Laurent was utilized throughout the following week. The Belgian Para commands suffered two casualties and two thousand lives.

Doughty now resides in St. Petersburg, Fla., with his wife, daughter, and two sons.

President's World Trip Nets Intern

By Margaret Ann Ganey

Not everyone can bring back a trip around the world, but one of the students at the University of the State of New York, Albany, who did, was Mrs. Thompson, a full-time student in the College of Education at Western. Mrs. Thompson returned to Albany just a few weeks ago carrying a trip around the world in her mind, and a heart full of ideas.

The trip was a part of her European tour, which included visits to many countries, and Mrs. Thompson was able to observe and learn about the different cultures and ways of life in each country.

In the Philippines, Mrs. Thompson had ample opportunity to observe the traditional way of life and the customs of the people. She was able to see and experience the rich culture and history of the country, and was impressed by the beauty and warmth of the people.

In Japan, Mrs. Thompson was able to witness the modernization of the country and the advancements being made in technology and education. She was able to see the contrast between traditional and modern lifestyles, and was fascinated by the blend of the old and new.

In Italy, Mrs. Thompson was able to experience the rich cultural heritage of the country, and was able to visit many famous landmarks and historic sites. She was able to see the beauty of the art and architecture, and was impressed by the passion and dedication of the people.

In Portugal, Mrs. Thompson was able to learn about the history and culture of the country, and was able to experience the beauty of the landscape and the hospitality of the people. She was able to see the influence of the past on the present, and was able to appreciate the unique characteristics of the country.

In Austria, Mrs. Thompson was able to experience the rich history and culture of the country, and was able to see the beauty of the landscapes and the diversity of the people. She was able to see the influence of the past on the present, and was able to appreciate the unique characteristics of the country.

In Switzerland, Mrs. Thompson was able to experience the beauty of the landscape and the hospitality of the people. She was able to see the influence of the past on the present, and was able to appreciate the unique characteristics of the country.

In England, Mrs. Thompson was able to experience the rich history and culture of the country, and was able to see the beauty of the landscapes and the diversity of the people. She was able to see the influence of the past on the present, and was able to appreciate the unique characteristics of the country.

In France, Mrs. Thompson was able to experience the beauty of the landscape and the hospitality of the people. She was able to see the influence of the past on the present, and was able to appreciate the unique characteristics of the country.

In Germany, Mrs. Thompson was able to experience the beauty of the landscape and the hospitality of the people. She was able to see the influence of the past on the present, and was able to appreciate the unique characteristics of the country.

In the United States, Mrs. Thompson was able to experience the beauty of the landscape and the hospitality of the people. She was able to see the influence of the past on the present, and was able to appreciate the unique characteristics of the country.

In summary, Mrs. Thompson's trip around the world was a wonderful opportunity to observe and learn about the different cultures and ways of life in each country. She was able to see and experience the beauty and warmth of the people, and was impressed by the contrast between the old and the new.

The trip was a wonderful experience for Mrs. Thompson, and she was able to bring back a wealth of ideas and experiences to share with her students and colleagues at Western. She is now ready to put her experiences to good use, and is eager to share her knowledge with others.

PHILLIPINE EDUCATOR Dr. Pat Gomez Blama discusses plans for her internship at Western with Dr. Kenneth Barker, left, and President Kelly Thompson.

country and most middle-class homes have three or four servants. Though many families are poor, few are hungry. "As the natives say, the coconut is a wonderful tree," Mrs. Thompson explained. There is great economic distinction in the country with 90% of the people living off the land.

This is largely due to the effects of World War II and the Japanese occupation. They remember the action of the United States and feel a great fondness for our country, Mrs. Thompson observed. Though the country is developing colleges and universities, many are privately owned. Free public schools extend only through the first six grades, though efforts are being made to include the seventh grade this year. Much of the United States aid assistance will be used in education.

Mrs. Thompson completed her tour through the Orient, Mediterranean countries and a part of Europe.

For four years prior to coming to Millersville, he taught at the Millersville College (Pa.). Reed and his wife, Barbara, are from 10 years. Their children are Cathy, 4, and Robert Jr., 2.

Mrs. Dorathy White Harkins - College Park, English

Harkins, who is a native of College Park, Md., received the B.S. degree from Murray in 1948 and the M.A. degree from Southern Illinois University in 1953. She has been a teacher in the Ellicott City High School for 10 years, and the school where her husband, Howard, has three children, Howard Jr., John, and 15.

Harvey Zimmerman - Economics

Zimmerman was born in Denver, Colo., in 1930. He attended Marquette University in Milwaukee, Wis., and the University of Chicago in Illinois. He graduated at the University of Birmingham, England. He comes to WSC from Modesto Junior College, California. He and his wife Kathleen have two children.

John G. Nickson - Biology

Nickson is a native of Minnesota and received the B.S. degree from Marquette College in 1937. He was awarded the M.A. degree by the University of South Dakota in 1941 and the Ph.D. degree from Southern Illinois University this year. Nickson is a native of Waukesha, Wis., and has held teaching positions in two Minnesota high schools and in James College and Governor College, both in Pakistan. From 1953 to 1956, he served as a vocational technician in the U.S. Army Medical Corps. Nickson holds memberships in the National Council of Teachers of English, Conference on College Composition and Communication, Modern Language Association, and Phi Delta Kappa.

Dr. William H. Solley - Physical Education

Dr. Solley received the B.A. degree (1947) and the M.A. degree (1949) at the University of Western Pennsylvania, and the Ph.D. degree (1954) from Indiana University. He comes from the faculty of the University of Florida, where he has held several positions concerning various phases of physical education in professional journals. He and his wife Nancy (A.B. 1948) have five children: George, 18; Elizabeth, 16; Robert, 15; and Bruce, 13.

Mrs. Dorothy Evelyn McMahon - English

McMahon received the B.A. degree from the University of Michigan and the M.A. degree from the University of Minnesota. She attended the University of Iowa in 1953, and received the B.A. degree from the University of Wisconsin. She and her husband have one child, Catherine, 5.

David M. Dill - English

A native of West Allis, Wis., Dill attended Marquette University, and received the B.S. and the M.A. degrees. He is at work on his graduate study at the Shakespeare Institute at the University of Birmingham, England. He comes to WSC from Modesto Junior College, California. He and his wife Kathleen have two children.

Philipp Gordon Duff - Mathematics

Duff, who was awarded both the B.A. degree (1945) and the M.A. degree from the University of Oklahoma, will receive the B.A. degree in October. For the past three years the Oklahoma State University has been his home as a special assistant at the University. His wife, Eunice, has two children, Michael, 6, and Shawn Catherine, born in June.

John W. Reeser - Mathematics

Dr. Reeser has been a graduate assistant at Iowa State University. The Wisconsin native is a member of a NSF Summer Assistance (1961) Fellowship (1952-53). The B.S. degree was awarded him by Northeast Missouri State College in 1951. He has been a member of several chemical and biological societies. He and his wife Sandie are the parents of a 1-year-old daughter,2.

Miss Carol Walls - Mathematics

Miss Walls, a native of Rockford, Ill., has six years' active military service and is presently a cadet in the USAFR. Academic degrees include the B.S. degree (1959) from the University of Pennsylvania State College and the M.S. degree from the University of Illinois. She held a NSF Fellowship during the 1956-57 and a teaching fellowship at U.S.A.F. (1958). Miss Walls is the assistant mathematics departmental chair in the Department of Mathematics.

Dr. Mordecai See Girdge - Mathematics

Girdge comes to Western from the University of California, where he was a senior teacher in the Cairo High School since 1961. He was awarded a fellowship by the University of Missouri, and the A.B. degree, where he received the B.A. degree in 1955. In the University, he was awarded the B.A. degree with high honors in 1948. He has been married twice, and has two daughters.

Robert L. Whitton - Sociology

Whitton, born in Memphis for the past two years has worked as a social science analyst in Estonia. He received the B.A. degree in 1960 and the M.A. degree from the University of Massachusetts in 1962. The new associate professor has been married for one year. His wife, the former Miss Jean Parker, is a native of California.

Faculty Facts

Six extension courses are being offered by the department of education this semester, three in Owensboro and three in Louisville. Dr. Carl Krider, Dr. Paul Power, and Robert Stenaker participated in a drive-in workshop at Bowling Green High School Sept. 30. A drive-in workshop at Madisonburg Central high school Sept. 30 included John Lee, Jim Moore and Dr. Henry Hardin among the participants.

Correlating a new approach in teaching, mathematics between junior and senior high school was the subject of an address by Dr. Paul Power of the education department, Tuesday, Sept. 21, at an In-Service Institute for Community Colleges at Madisonburg Central high school outside of Madisonville.

Dr. William W. Jenkins, dean of the College of Commerce, and Mrs. Margaret Mitchell of the education department attended a meeting at Frankfurt, Aug. 12, regarding federal grants for the training of vocational business education teachers under the Vocational Education Act of 1962.

Several "get acquainted" parties were given during the past few weeks for the 62 wives of new faculty members. Those included afternoon teas and evening coffee at the homes of members of the Faculty Wives Club.

Realty Offerings

Two additional courses have been added to the expanding real estate curriculum. The business department is offering Real Estate Finance and Real Estate Law this semester to the community college on Tuesdays and Thursdays.

Besides offering the two new courses, the business department also offers Real Estate Principles and Practice, which is the basic course in real estate and has been offered at all three schools in the fall semester, 1962. In addition, Real Estate Marketing has been added in the spring semester. Both, and Real Estate Appraisal will be offered in the spring.

These courses are not designed specifically toward preparing students to take the State Real Estate Commission Examination. However, many members of the classes have incipiently passed the examination.

Along with the students taking these real estate courses for immediate use, others are taking the courses for general information to help them in their work and businesses.

Teacher Tours

Soviet Union

In Summer

Mrs. Bertha Jones of the home management department spent this past summer on a Family Life Abroad Study Tour sponsored by the American Home Economics Association. The tour covered the Scandinavian countries and the Soviet Union.

Homes, schools, and colleges were visited, and entertainment was provided for the travelers in Stockholm, Sweden, the ambassador sponsored a party, and in Russia activities which culminated and closed by the Soviet Women's Committee.

Among interesting aspects of the tour Mrs. Jones noted, "In the Soviet Union approximately 10 per cent of the work was done by women," she added. "For everywhere we visited, the people were cooperative and friendly."

S.A.W. Says...

Watch That Car -- It May Be A Deano!

By TED PORTER

Have you ever glanced out your apartment window and wondered if that was the dean parking his car just as the classes began in the morning? Have you become frustrated with the last parking space reserved for some unknown individual in a irish machine? Were you almost eradicated by a stair enter a the facility parking area? Or will you be interested in some of the facts that the Herald staff and members of the S.A.W. (Student Automobile Watchmen) have compiled in their comprehensive report: "What Students Should Know About Faculty and Staff Vehicles."

Both amusement and shock were recorded by those on-look as faculty and staff members drive their autos in open daylight, list under the cover of darkness. But in the specifics: --

Joe Bredel (FE) and Larry Bybee (Public Relations) were observed in Mustangs, burgundy and navy blue, respectively. Since both are bachelors, and are classified M a girls file as young and eligible.

It was Dr. J. A. B. Lane of the psychology department. Dr. Lane is a member of Space Researchers' a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,a,
FOUR STORIES of offices will be contained in the new Administration Building to be constructed soon on the Hill. Office space will total 46,000 square feet, in addition to a 7,300 square-foot basement. Exposed-aggregate prismatic concrete will form the exterior walls of the rectangular structure, accented with windows of solar-bronze plate glass framed in aluminum.

Club Activities Already Underway

Striving to broaden the educational knowledge and interests of its members and other interested persons, the Newman club will begin a new semester on Oct. 4. The sessions are as follows:

Monday, Oct. 7, 11:30 a.m. "Philosophy" conducted by Dr. David Doll, Tuesdays at 11:30 a.m. "Modern Moral Problems" conducted by Father William Allain beginning at 11:40 a.m. and weekly from 11:40 a.m. "Parting Points in Catholicism" conducted by Mr. M. A. Smith. Wednesdays at 10:30 a.m. "Protestantism" conducted by Protestant ministers of the community.

An organizational meeting is scheduled in the Student Center Thursday, Oct. 14, at 6:30 p.m. for the Gamma Beta Phi Society. The educational objectives of the group is open to all former Beta members. The group is under the direction of the Student government and sociological departments.

The Baptist Student Union is getting its regular schedule of activities at the Baptist Student Center under way. The meetings scheduled for Monday and Tuesday evenings at 7:30 p.m. will meet on Wednesday at 6:30 p.m. and Thursday from 7:30 to 8:30 p.m. Activities of the group will be announced later in this issue.

Fraternities Receive Good News

While most of us were working this summer, Delta Rho Nu was busy, too. They were given a unanimous vote of approval from every chapter in the nation in establishing the Kentucky Beta Chapter of Sigma Alpha Emulion on the Western campus. They have been working towards this goal for the past year and a half and are now preparing for their installation Saturday.

Approximately 90 to 100 DRI’s will be installed at this time. During the evening a banquet will be held at the Bowling Green Country Club in honor of the national officers of SAE who will all be present. The following afternoon, a tea will be held for the installation in the Ballroom of the new student center.

This year there are 30 DRI’s returning to the campus and all are looking forward to a prosperous year.

The Delta man of Sigma Phi Alpha fraternity became official pledge of Sigma Chi International Fraternity, Thursday evening.

Mr. Q. William and Grand President Charles Cissell gave him the pledge each at the Student Center.

Saturday night, Sept. 29, the Sigma Phi Alpha Chapter held a welcome back party for all the brothers at Beech Bend Park.

Norm Richile, assistant executive secretary of Alpha Tau Omega fraternity, visited Western’s campus last week and held a meeting with the local ATO’s.

He met with club officers for this year; Bill Kirby, president; Henry Shonthell, vice-president; and Rodman Thomas, secretary; Duncan Curtis, treasurer; Mike Eubanks, historian, and John Haif, referendary and archon. Together, they planned the program for this coming year.

Richtel spoke to the ATO’s concerning rush procedures, housing, and national charter petition.

Bill Kirby and Duncan Curtis attended the annual meeting of ATO’s Centennial Congress. All of the 123 chapters of the fraternity were represented at the congress, which is celebrating its one-hundredth year.

Delta Sigma Pi, professional business fraternity, met Sept. 28 in the Student Center. Larry Garrett, president, gave a tentative schedule for coming events concerning fraternity activities.

Plans were discussed for the upcoming smokers and rush parties. The first smoker is scheduled Oct. 4.

There is a meeting tonight at 7, in the Student Center.

ANNOUNCEMENT

Anyone wishing to be Lambda Chi Alpha Commonwealth Club member should contact Beverly Westferfield at Terrace Hall.

Go, Topper!”

The young bucks of America go clean-white-sock in the new crew Adler calls Adlastic

Meet the revolutionary crew of 65% lambland wool plus 35% nylon with spandex for 100% stretch. Up and down. This way and that. That’s Adlastic with the give to take on all sides 10 to 15 and last far longer and fit far better. Size up Adlastic in 28 clean-white-sock colors. Clean-white-sock? The now notion with it even without the whereverball. Whatever, get Adlastic at stores where clean-white-sock is all yours for just one young buck and a quarter.
Go Toppers; Defeat M.T.S.U.

Herald Staff
Continued from page 1 of the recommendation of the newspaper’s co-owners, Mrs. Judy Sickle and Walter D. Richards, journalism instructor; Robert G. Condran, director of public relations of the College and general manager of the paper; and Head of the Department of English Dr. William K. Wood, under whose direction the mass media division is administered.

Staff Notices:
Three staff members are returning to the posts they held last year on the Herald. They are Al Gillitt, sports editor; Mason Ploch, cartoonist; and Jay Collier, society editor.

Other staff members are Lea Hamilton, editor; and Anthony Mystedes, faculty editor; and Joseph Goard, religious news editor.

Staff Assistant Named
Staff assistant this year is Margaret Ann Green, Todd Offer, Robert Adams, George Wolfe, Reed Morgan, Bob Newsome, Mrs. La Verne Murphy, Finley Willis Jr., James Peden, Tom Graham, Bill Herro, Joe Jenkins, Don Logan, and Larry Thompson.

Reporters are members of the beginning journalism classes.

Barnes A. Woodward, Jr., has been promoted to captain in the U.S. Army, according to an announcement from the Headmaster of the United States Military Academy, Senator, New Hampshire.

Capable of speeds better than 5,000 mph, the YF-12A is the hottest aircraft around. Now Maj. Walter M. Daniel, test pilot for the YF-12A, answers the questions about the world’s fastest manned airplane and America’s Aerospace Team.

Air Force officer. The new two-year Air Force ROTC program makes this method available to men who have already completed a year or two of their college education. For college graduates, if you did not take advantage of ROTC, you can still get started through Air Force Officer Training School (OTS), a three-month course open to both men and women.

Can I keep up my studies while
I’m in the Air Force?
The Air Force encourages its men and women to continue their education. For instance, you may qualify to study for a graduate degree during off-duty hours, with the Air Force paying a substantial part of the tuition.

What kind of future do I have in the Air Force?A bright one. As we move further into the Aerospace Age, the Air Force is going to grow even more important. And you can grow with it.

Eager, Sassy Toppers To Test Middle Tennessee State Saturday

Frosh-Paced Western Will Be First OVC Opponent For Raiders

By DAVE WEST
Assistant Sports Editor

Fresh from a 13-14 trimming of East Tennessee, Western is out to extend its winning streak to two in a row.

The Hilltoppers tackle the spirited OVC challenger, Middle Tennessee, at Jones Field in Murfreesboro Saturday at 7 p.m.

The Blue Raiders of C.K. Cherry (Nashville) Murphy are inured in OVC competition that far but are 2-4 for the season, having narrowly twiced two close games.

Host Of Touts

With 3800 enthusiastic players returning, the Raiders should be tough. The Raiders have the league's best passer for the past two years in John P. Morris. He connected 6 of 11 passes last fall for seven touchdowns.

In the preceding and will be Bob Holden, a speedy halfback, who is expected to take up the slack left by the graduation of Jonny Pfeiffer, who set an OVC record with 37 receptions last year.

Others bidding for all-loop honors are guard Keith Atchley, tackle John Mathews, guard Larry Dobson and tackle Frank Prick.

If the performance of OVC "tops" Bob Holden, Middle Tennessee in Western's opening OVC intrastate last week is any indication of things to come, Middle TENneseans will be enchanting in its hands fall.

Bob Holden

More Self-Record

More managed a whopping 15 yards on four carries during the scrimmage — an all-time Western rushing record. In Western's two games this season he has 40 yards on 22 carries for 1.8 yards per carry. This makes him almost a sure bet for the all-OVC team.

An assistant to his running skills is his 3 yard 100-yard rushing record in 1971.

Assistant Coach Jimmy Feli, who recruited More, said, "He's not only a superb runner but he's a tremendous receiver.

He can get three more yards after being tackled.""OU C STANDINGS

His First Catch

Hilltopper junior Roy Bomberry is stopped after catching his first collegiate pass. The left-handed kickoff picker up key yardage after catching 15 yards. Last kickoff John Burt in the second half of Western's first OVC contest of the season against East Tennessee. Western's first OVC contest of the season against East Tennessee.

Cross Country Hilltoppers

Hope To Extend Tradition

In Western's brief three-year cross country program, the Hilltoppers have produced an amazing winning tradition. And Coach Tom Ecker hopes for another season in which Western will produce one of the top cross country teams in the nation.

Ecker's Elite

After a three-year, p.s.a. absence, Ecker's elite remain undefeated in dual meet competition and have earned four first-team All-OVC honors.

The Hilltoppers have turned their attention to the upcoming meet at the University of Kentucky on Oct. 22. Western will produce one of the top cross country teams in the nation.

Title Defense

Coach Ecker, who foresees a continuation of Western's phenomenal success, said, "We have the nucleus that will enable us to proudly and successfully defend our conference championship." The three-time "OVC Track Coach of the Year" has a talented contingent of six returnees and five outstanding freshmen, runners.

Capitol Oliver

Senior cross country captain Mike Oliver leads the returners. OVC championships, seniors Ed Searns, Stan O'Connell and Alan "Butch" Bollin will return for another season. Peter Sullivan and Rich Harper.

Ecker, whose grandfather attended in the 1900s and 1910s, graduated from the University of Illinois, 1967.

CROSS COUNTRY Captain MIKE OLIVER
INTRAMURAL CORNER

By Maurice Parker

By Joan Chese

Western's young and eager

"An Activity for Everyone, and Everyone in Its Activity" in the nation of Western's Intramural program.

The time has come again for the Intramural activities at Western to begin in a new season. All students are eligible to represent their club, dorm, or dormitory in this after-school activity.

The first meeting of the Women's Athletic Association, sponsor of women's intramurals, is Oct. 5 in the AAB. All organizational representatives should attend.

If you have an interest in tennis, bowling, or volleyball, please contact your individual representative of the Women's Athletic Association.

Further information of these up-coming activities will be posted on the bulletin boards in the dorms and the AAB within the next two weeks.

America's newest sport casuals

ADAMS Shoes on the Square

Entering Third Week

Cincinnati, Gray. Marshall's quarterback Mike Gestuld and Kent 7-0 in the Big Seven. Gray will attempt to offset the offensive punch of Tech's Don Wares who scored four touchdowns in last week's game at Chattanooga.

Rogers and his Austin Peay teammates will return to the court in basketball. Western will face East Tennessee at 2 p.m. today.

Cold weather and snow have turned into a dry spell for Tech, where the November snow has melted away and the fields are ready for the first league game on Friday.

"Everything For The Man"
In Year Of Explosiveness

Wide Open Title Chase Appears

Certain In Race For OVC Crown

By AL STIELLY
Herald Sports Editor

Millipopper head football coach Nick Donen sees a "wide-open race" for the Ohio Valley Conference championship.

Prior to Western's opening conference game, the colorful mentor said, "I can't foresee anything but another wide-open race for the OVC championship. It wasn't decided until the final game of the season and it probably won't be any different this time around.

OVC's Explosiveness

If anything, the OVC race appears to be filled with explosive packages, as is evident in the conference.

A rule change allowing all playing fields to be marked with numbers, should benefit players, fans and coaches. It will allow offensive and defensive specialization.

Over 150 lettermen return to the eight OVC football camps. The offenses will range from the straight T formation to the pro set, split end and halfback options, while the defenses will see all the formations.

Non-League Fans

The rectangles will see Butler University and Evansville University in the Indiana Coliseum Conference, Drake University in the Missouri Valley, Marshall, Youngstown and Findlay.

The Top Ten

Here's a brief glance at the conference teams:

WESTERN KENTUCKY returns with 26 lettermen and six key transfers as the Millipoppers search for their third straight title. The Topper's lost 16 lettermen including Cleveslai Brown's rookie linebacker Jake Lindsey and Topper graduate assistant Pat Courten and dear son Miller.

"We may have more question marks than at any time in the past three years," claims coach Denen, "There are depth problems at certain important positions."

MIDDLE TENNESSEE's defending OVC and Rice Bowl champions appear to be tough to deffense. The Tigers are expected to win league titles.

TENNESSEE...Wood's Buccaneers, including Anderson, are the top team in the league, followed by Western Kentucky, Kentucky-Western and Austin Peay, which won its conference opener at East Tennessee State.

BOBBING BACK

A rule change allowing four down totals for the season in only their second year in the OVC. Quarterback Eddie Hartwell, who completed 31 of 59 passes in the best of the 25 returning lettermen.

EASTERN KENTUCKY appears to be the most explosive team in the league. The Maroons bounced back from a narrow loss to score four TDs in the final period in their opener. With veteran quarterback Larry McDaniel, the Maroons plan on opening up with a pro-type offense.

Continued on page 38, column 3

Allen Proctor

The best defense in the league will play non-league foes Butler University and Evansville University in the Indiana Coliseum Conference, Drake University in the Missouri Valley, Marshall, Youngstown and Findlay.

Twenty-six lettermen return, including the league's best passer for the past two years Teddy Morris, who connected on 84 of 165 passes last year for seven touchdowns.

EAST TENNESSEE should bounce back from a rebuilding year which saw coach Fish Wood's Buccaneers finish third overall. Co-captains Dave Hollis, an offensive OVC team halfback, and tackle Jim Anderson are the top lettermen, who number 20 strong.

AUSTIN PEAY, which won its conference opener at Eastern, is still a troublesome ball club. Much of the Governors' lineup is gone, following a winning 4-1 season in only their second year in the OVC. Quarterback Eddie Hartwell, who completed 31 of 59 passes in the best of the 25 returning lettermen.

EASTERN KENTUCKY appears to be the most explosive team in the league. The Maroons bounced back from a narrow loss to score four TDs in the final period in their opener. With veteran quarterback Larry McDaniel, the Maroons plan on opening up with a pro-type offense.
New Walking IBM Machine Results From Recent Split Of Administration

DARK-HAIRED BAUCH OGLISNYI peered into the newly appointed director of athletics' office and said, "You must have been a walking IBM machine, Coach Hornback. I don't see how you did it."

And sometimes, Ted Hornback wonders how he served as Western's physical education department head, assistant basketball coach, head tennis coach and acting athletic director while serving for 27 years on the athletic staff.

In 1967, Hornback was appointed head of the physical education, health and athletics department. He has relinquished that post to Western graduate Dr. William Solley.

Solley and Hornback have goals that will provide Western with the best possible physical education instruction with an equal achievement in inter-collegiate athletic scheduling.

From his new office, Solley launched his program of growth in the physical education department by saying, "There are three basic programs I am interested in."

"The fields are intramurals, activity courses and sports, club activities and free play activities in our intramural program," said the bespectacled Solley.

"I would also like to establish a program that would enable all freshmen to complete their two hours of activity courses in their first year," continued Solley. "We want to provide activities to meet all their needs and interests."

Then the former head of the University of Florida physical education department beamed. "I hope we can eventually expand to the point where we can offer a master's degree in physical education."

When asked to determine the basis for physical education, Solley countered, "The principle purpose of physical education is to develop within young adults the desire to make physical exercise a fundamental part of their lives."

**Football Crowd ‘Meets The Band’**

The Western Band entitled the theme of their opening appearance “Meet the Band” at last Saturday’s football game.

Under the direction of David Livingston, the new band director, they performed “The Red and White” and “Say Hi with Music” and finished “Night Train.”

The new drum major is Ed Nitch, a junior music major from Versailles, Ohio.

The Majorettes are Sue Riedenhour, sophomore, Louisville; Jane Elton, junior, Springfield; Toni Tartun, Sophomore Morehead; Phyllis Kirkham, sophomore, Gallatin, Tenn.; Bonnie Edwards, freshman, Hopkinsville, and Kay Buxton, sophomore, Campbellsville.

These have performances during the next home game, Oct. 30, will have the theme “This is the Year That Was.”

**OVC Third Week**

Continued from page 28.

Souri. Rogers, who replaces graduated OVC “Back of the Year” Curtis Field, connected on three touchdowns passes as the Cox stamped by Murray last week.

The powerful Governor offensive attack gained 170 yards on the ground and 131 in the air.

October 9

Loop teams will be preparing for a titanic weekend of intramural activity October 9 with the following card: Western at Austin Peay; Tennessee Tech at East Tennessee; Middle Tennessee at Eastern and Murray at Morehead.

**Al Stiley On Sports**

Continued From Page 28

It is Hornback, who will place the physically educated “specialists” on the nation’s map.

“I will attempt to assist all phases of our athletic program by improving the current athletic program,” began Hornback. “Currently, Western has its best football schedule.”

Hornback continued, “We will attempt to keep our athletic achievements on the same high level as Western’s academic success.”

Plans are already in progress for a comprehensive physical education and athletic complex.

And Western students will soon benefit from the new caliber of leadership in the physical education office.

Several members of the faculty and staff took time-out during the summer to participate in the faculty golf tournament. Tournament director Frank Griffin (left) presents plaques to (left to right, front row) Dr. William J. Hurley, president; Dr. Mike Abel, Central Campus dormitory director; back row) registrar Ruth Lazorak, and Bonnie Beach, music department.

Western Could Even All-time OVC Record

The Western football Hilltoppers have a chance of reaching to .500 percentage level in the all-time Ohio Valley Conference standings.

In 16 years of football competition, the Hilltoppers have won with a 2-5-9 record in interloop play.

Western has captured the OVC football crown twice. In 1952, the Toppers shared the title with Middle Tennessee and in 1961 when Western won the title outright with a 7-9-0 conference slate.

Calorie-counting was completely forgotten last Thursday evening, September 25, when the Faculty Wives had their traditional Pot Luck Supper at cafeteria No. 2. In the new Student Center. Guests 4-hour were wined of new food.

A short business meeting followed the dinner.

Helm Library Meets Students' Needs

By Zilla Bisrof

Reconstruction and conversion of the former Health and Physical Education Building into a magnificent new library has been completed, providing Western with an outstanding library facility valued in excess of $25,000.

Completely air-conditioned, Helm Library has 10,000 sq. ft. of floor space, and will seat approximately 1,000 people. Its estimated book capacity is over 50,000 volumes.

The library was named in honor of Miss Margie Helm, head librarian and latter director of library services from 1920 to 1960.

The beautiful new structure includes a reference room, circulation and reserve rooms, administrative and personnel offices, conference rooms, rare book room, and Xerox copying machine on the first floor. Periodical and reserve areas are on the second floor as well as art and listening rooms. Materials are also available on microfilm, microcard, and in interlibrary form.

The ground level houses classrooms, offices and reading rooms for the library science department in addition to the stack area.

Burl Map

The distinctive feature of the two-story glass, aluminum and stone lobby is the map of the college campus. The mural, 24 ft x 18 ft, was painted by Mrs. Doris Karsell of Louisville. Carpeting, colorful lounge furniture, dignituated wall paneling and a fluorescent lighting throughout the library provide surrounding conducive for studying.

For the convenience of students and faculty, the library also provides 14 individual study desks as well as the regular-sized tables seating four to six persons. Reclining chairs are provided in the spacious lounges on the third floor with vending machines on the ground level.

Another feature is the checker's desk in the main lobby and the outdoor book depository available for use when the library is closed.

Students Like It

The opinion of freshman redesigns holds that "It is a beautiful piece of architecture and I love the carpeting and lighting."

Barbara Battist of Owensboro says, "Very impressive—especially the big map in the lobby. It is very helpful in me in finding my way around campus."

John Kirsch, sophomore from Louisville, has lost his classes there. "The air-conditioning is tremendous. We needed a new library here since the old one just wasn't big enough for the college."

Sophomore Joe Gust believes "It is even better than the most luxurious in Louisville."

Miss Sara Tyler, Director of Library Services, and her staff worked diligently and tirelessly to have the library ready for student and faculty use when school opened.

The library schedule for the fall quarter is: Monday-Thursday: 7:45 a.m. - 10 p.m. Friday: 7:45 a.m. - 3:30 p.m. Sunday: 5:30 p.m. - 11:00 p.m.

Notice concerning vacation schedules and any changes will be posted in advance.
